Wage Set By Wasco Farmers

Harvesters Will Get From \$2 to \$7 In Addition to Room and Board

The Dalles, Or., June 17.—A standard wage scale for harvest labor, setting forth the minimum and maximum wage to be paid for each job in the harvest has been adopted by virtually all large Wasco county ranchers, E. R. Jackson, county agent, has announced. This scale has been decided upon after considerable deliberation, and was endorsed by members of the various county farmers' unions in a meeting at Tygh Valley. The scale does not apply to men who stay the year around. All figures given are in addition to room and board.

The following in the wage scale decided upon.

	Min.	Max.
Haying	\$2.00	
Box Driver	2.50	\$3.00
Header Patcher	4.00	5.00
Box Loader	4.00	5.00
Spike Pitchers	3.00	3.50
Headovers	3.50	4.00
Separator Men	7.00	8.00
Engine men	7.00	8.00
Roustabout	2.50	
Cook	3.00	
Forker	4.00	4.50

The above scale conforms closely with other wage scales adopted by all other eastern Oregon communities according to Jackson.

Falls City Notes

Falls City, Or., June 17.—Miss Geneva Sayre of Monmouth spent the week-end with friends here. Miss Sayre expects to leave for China this summer.

Mr. and Mrs. Tea were transacting business in Salem Monday.

Rev. E. N. Long of The Dalles was called to Falls City last week on account of the death of their infant child. He returned home Tuesday.

Mr. and Mrs. Ed Donnell and mother, also daughter Virginia, motored over from Salem Sunday, visiting Mr. and Mrs. Brooks Weatherill.

Frank Traxler, who has been working in Pedee, is home for a short time.

The senior class of 1921 published a senior annual, this being the first annual ever published by the Falls City high school.

Mr. and Mrs. Albert Vick and little daughter were visiting Mr. and Mrs. George Weatherill Sunday.

Falls City high school boys played their last baseball game Friday with the Elkins school. The score was 4 to 5 in favor of Falls City.

Mr. and Mrs. Albert Janz motored to Wilhoit Springs last Sunday afternoon.

Mrs. J. W. Baggett and daughter, Mrs. Max Crowder, were in Salem Tuesday attending to business matters.

The teachers employed for the coming term at the Central Howell school are Miss Pratt and Miss Runner.

Employees of the state hospital

Now Showing at The Oregon

Thomas Mieghan in the "City of Silent Men," Held Over for Today

are hauling wood at present which they purchased from Roth brothers.

J. Miln, who has been ill for some time, is taking treatments by a Salem doctor at present.

J. W. Warrell, pastor of the church at Central Howell, is moving into the parsonage this week.

The children's day exercises held in the church at Central Howell last Sunday was well attended, there being about eighty present.

North Howell and Central Howell plan on having union meetings in the future. Meetings as usual at the church in Central Howell and at North Howell in the evening.

There will be revival meetings at the Central Howell church commencing next Sunday, June 19th. Rev. Brammer will conduct services. All are invited to these meetings.

Attorney Rules Mineral Rights May Be Assessed

Mineral rights which have not been assessed for the last two years can be assessed by the sheriff and should be assessed as real property according to an opinion prepared by Attorney General Van Winkle for the information of the state tax commission. Such mineral rights, the opinion holds, can be assessed separately from the land in case such mineral rights are owned apart from the ownership of the surface of such real estate.

Fire Chief Told To Stay Home; Barber Kicks

In a telegram to the mayor of Bend this morning, State Insurance Commissioner Barber asks that the city council rescind its action refusing permission to Thomas Carlin, fire chief, to attend the state convention of fire chiefs at Corvallis, Friday. According to press reports members of the fire department made up a purse to pay the chief's way to the convention when the city council refused to authorize the expenditure. Therefore the council is said to have notified Carlin that his dismissal from the department would follow any attempt to attend the convention even at his own expense. Carlin, according to Barber, is one of the most efficient fire chiefs in the state, his activities resulting in material reductions in insurance rates in Bend. His ability has been recognized by his fellow chiefs through his election as vice-president of the coast association at San Francisco last year.

The \$3000 wanted by the Y. W. C. A. at Medford has been pledged and the success of the institution is assured for another year.

Contractor Now Greatly Elated

"What I needed was just an all around building up and Tanlac has done that very thing for me," said E. P. Frenness, well known contractor, of 316 Russell street, Portland, Or.

"The fact is I hadn't felt well in four years, I had no appetite and even what I did manage to eat didn't seem to do me any good. I was constantly suffering with severe headaches, and although I managed to stay on the job I was losing strength right along and had little energy for my work. I couldn't sleep well, either, and was in a badly run down condition.

"A number of my friends had taken Tanlac with such splendid results that I began taking it myself. I have an excellent appetite now and eat a good square meal every time I sit down to the table. The headaches have all disappeared, my sleep is sound and refreshing and I have regained my strength and energy. I just can't say half enough good of Tanlac for what it has done for me, and will always give it my highest endorsement." (adv)

Bumper Crop Expected In Baker County

Baker, Or., April 17.—Always a great soil productive area of Baker county, the lower Powder river and Big creek sections are certainly in the running this year with the brightest of prospects for the bumper crops in their history.

The first crop of alfalfa is about ready for cutting and the wild hay on the river lands will certainly yield an immense cut. Wheat, oats and rye are growing to perfection and there is hardly a dry spot to be seen anywhere.

All the gardens are turning out the finest of vegetables, the orchards give every indication of the best yield in years and the range is giving a fine pasturage in bunch grass, the native grass of the hills.

Church Must Use Papers For Ads Says Eugene Man

Oregon Agricultural College, Corvallis, June 16.—"Use papers freely for advertising and pay for the work you get," was the advice of the Rev. E. V. Stivers, pastor of the Eugene Christian church, who spoke Tuesday afternoon before the farmers' week rural life conference.

"The church that tries to operate on a penny basis may expect penny results. One great lesson needed by the world is that the church is not a charitable institution, but that it gives value received, or at least should do so, for money invested."

There should be no let up in advertising, believes the Reverend Mr. Stiver. The church should keep continually at it, in his opinion, with an occasional "extra large effort."

"Be sure you have something to advertise," he advises. "The old saying 'You can fool all of the people some of the time and some of the people all of the time, but you cannot fool all of the people all of the time,' applies to advertising. Do not expect results too soon. Many try the plan and give it up because they do not get results from a single effort. Pay for space as any business does. Do not ask favors."
