Two Trade Unions Seek Affiliation

Mrs. C. W. Nist, of 1432 North Gompers to immediately re-affil-Sixteenth street, arrived in Sa- late the federation with the Interlem yesterday and will spend the national Federation of Trade un-

pleted his second year at West | This became known today when resolutions presented by the Intermade public. Both practically call for a repudiation by the delegates of the action of President Compers and the executive council in severing relations with the Eurosevering relations with the European labor movement because of

its "revolutionary activities." As both resolutions were re ferred to the committee on international relations, which is headfrom Portland today and are at ed by President' Gompers, labor leaders predicted that they would be reported unfavorably and the action of the federation's officials upheld.
