

91st Veterans Lay Plans For Big Reunion

A strenuous effort to pull every veteran of the Ninety first division who is not in the hospital or on a honeymoon on September 24 and 25 to the annual reunion of the division in Los Angeles on those dates began this week with the enlistment of a full company of newspapermen to spread news of the arrangements for the reunion as they are made.

The publicity committee, headed by Major J. W. Sutphen, who served with the 362nd infantry, is being enlarged by the addition of a representative in each city and village in the Ninth corps area—California, Montana, Oregon, Washington, Idaho, Nevada and Utah. As special railroad guests are obtained, distinguished guests invited, arrangements made for regimental banquets and other entertainments in Los Angeles members of the committee will be halcyoned and they in turn will see that the information is spread broadcast through their respective communities.

In a short time recruiting committees are to be named in each community in the Ninth corps area and through them re-enlistments in the Ninety first for the duration of the reunion obtained. Between 15,000 and 20,000 are expected to attend. Banquets, parades, elections, speeches, campfires and excursions are on the program.

A moonlight picnic at Santa Monica beach is on the list of entertainment. Santa Monica is where Mack Bennett's bathing beauties frolic. And there are no bathing machines there, as at the French beaches.
