Two Affairs Compliment Miss Young

Two social affairs honoring Miss Florence Young, who is leaving for San Francisco tomorrow morning, were given this week by her friends in this city. On Tuesday night Miss Elsie Hopie entertained Miss Young and a few additional guests at tea, the young women gathering at six o'clock, the evening was spent in social conversation. Decorations were done in indigo and blue birds were the attractive motif of decoration, red carnations forming a pleasing contrast. Those bidden were Miss Florence Young, honor guest, Miss Lola Millard, Miss Fay Spaulding, Miss Winifred Riehart, Miss Mildred Hansen and Miss Elsie Hopie.

Miss Janelle Vandevort was hostess at a picnic party last night, again honoring Miss Young. The party motored to Spong's landing where a picnic supper was prepared. Swimming was enjoyed and stories told around the campfire. Those present were Miss Florence Young, Miss Lucile Moore, Miss Juliette Jones, Miss Miriam Lovell, Miss Fay Spaulding, Miss Beryl Holt, Miss Janelle Vandevort, Jack Randall, William Ashby, Evan Jones, Harold Scudlofsky, Dwight Findley and Frank Patterson.

Miss Young will leave for San Francisco tomorrow morning and will spend the winter there attending high school. She will make her home with her brother and his wife.

What's New On The Market

First of the season's sweet potatoes will be on the market tomorrow along with ice cream melons. Both articles are coming in a shipment from Turlock, California, but what the price will be is uncertain. The shipment will arrive tomorrow morning and the stuff will be distributed by afternoon.

Green corn dropped to 40 cents a dozen in some stores, other merchants still maintaining their price of 60 cents on the ground that it is not coming in fast enough. There will be a general reduction by Saturday, however.

New potatoes are selling 10 pounds for twenty five cents which is a considerable reduction. The highest price is twenty five cents for eight pounds. The Dalles tomatoes are selling 10 cents a pound, while the first local ones to be received are selling two pounds for 25 cents. Loganberries still hang on at five cents a box. The egg market both in its buying and selling price looks uncertain. One merchant was bidding as low as 25 cents a dozen today while others were giving 28. The lowest selling price was 65 cents for two dozen. Merchants are overstocked with high priced eggs at the present time and there will be no general reduction until these are sold.

Fish for tomorrow will be: Salmon 18 cents; sea trout 10 cents; ling cod 11 cents or nine cents for the whole fish; silver smelt two pounds for 25 cents.

Sugar looks like it might take a rise, or rather a reduction on the amount obtained for a dollar.

Many children innocently cheated out of the very food they need daily

Everyone knows that health is the most valuable asset of life. From birth to maturity is the "construction period."

A robust and healthy child will usually develop into a vigorous man or woman. But malnutrition will invariably hamper normal growth and when the child reaches maturity he or she is anemic, poorly nourished and liable to disease.

Many children today are innocently cheated out of the very foods they need. Some parents, either through lack of knowledge, or carelessness, do not provide those foods which strengthen and nourish the growing child.

It is the duty of parents to think for the child in these matters.

Grape-Nuts, the well-known food made of whole wheat flour and malted barley, served with milk or cream, is one of the most nutritious foods in the world. It provides the elements necessary to nutrition and is a balanced food.

Quite aside from its superior nutritive value, is its delicious appetite appeal. Especially attractive with fresh fruits or preserves.

Grape-Nuts is served and sold everywhere—in leading hotels and restaurants; at lunch counters; in every good grocery store in every city, town or village in the United States. Where you can't find Grape-Nuts—you won't find people.
