

HIGHWAY WORK IS STARTED

One Contract for Next Year's Work Let and Bonds Sold at Commission Session

Portland, Or., Sept. 21.—With R. A. Booth, chairman, recuperating in the mountains of southern Oregon, with W. B. Barratt sick in his hotel room, with John B. Yeon on deck but coughing violently, and with Attorney Devers sneezing, the state highway commission and its attaches needed the attention of physicians rather than that of contractors, bond buyers and county courts yesterday morning.

As a one-man commission could not function, adjournment was taken until the afternoon, after bids had been received, and later Commissioner Barratt dragged himself from bed to make a quorum. Thereafter business proceeded rapidly.

Only one road job was awarded—10 miles of surfacing on the Ochoco highway between Prineville and the Ochoco forest reserve in Crook county. Greenwood & Dann received the contract for \$21,000. A block of \$1,000,000 of bonds was sold at the rate of \$1005.10 for each \$1000. The bonds bear 6 per cent and run four years. The bond bids were substantially better than those received last month. The syndicate which obtained the bonds yesterday was composed of Stacey Braun, Kissell, Kinicut & Co., Anglo-London & Paris bank; Eldridge & Co. and Ralph Schneeloch company.

More to Be Offered Soon.

When the commission meets October 25 another block of bonds will be offered, the commission to fix the interest rate, which will probably be 5 1/2 per cent for long term bonds or 6 per cent for short term securities.

Despite the interruptions of coughing spells, which punctuated the session with staccato barks, the commissioners lined up more than 100 miles of road work for the October meeting and arranged an extensive program, almost exclusively of grading, for there will be no more paving jobs awarded before the meetings of January or February. In addition to these matters they disposed of many odds and ends. It was agreed that two of the three units of the Mount Hood loop road, in Clackamas county, should wait over for surfacing until the January meeting; the section from Sandy to

Cherryville has already been awarded.

Jobs Ordered Advertised.
Road work ordered advertised for the October meeting follows:
Cooks county—Roseburg-Cooks Bay highway, bridge, Myrtle Point section, 10 miles grading. This will complete the highway in Cooks county.

Lane county—McKenzie highway, Summit section, 15 miles of clearing. Grading contract to be called for in spring. Clearing to be done this year.

Baker county—Baker-Cornucopia highway, grading river section, 28 miles, between Baker Middle bridge and Canyon section below Richland.

Wasco county—The Dalles-California highway, The Dalles-Dufur section, 14 miles of grading.

Wasco county—The Dalles-California highway 3 1/2 miles grading of Cow canyon section.

Jefferson county—The Dalles-California highway, grading from mouth of Cow canyon to Madras and one other section on the highway in this county.

Malheur county—Old Oregon trail, grading 15.2 miles, Slide section.

Morrow county—Oregon-Washington highway, macadamizing of 10 miles from two miles north of Lexington to two miles west of Heppner, the Jones hill section to be advertised next spring.

REPORTS DECLARE NEAR REPUBLIC PROCLAIMED

Vienna, Sept. 21.—Stephen Friederich, former Hungarian premier, arrived at Oedenburg, Burgenland, on Monday and proclaimed West Hungary a republic, it is declared by newspapers here. Burgenland was recently in the hands of insurgent Hungarian bands, but they were believed to have withdrawn, for the most part, as a result of representations by allied authorities. Assertion is made here, however, that these bands have been constantly reinforced until their members are now nearly 30,000 in number, and it is said these men are so well armed and equipped that it is doubtful if Hungarian regular soldiers sent to oust them, would be able to cope with them.

Military forces commanded by Friederich are reported to be assembling at Steinmanger, and belief is expressed here that the Carlists and the Legiti-

Why People With Weak Nerves and Thin Blood So Often Fail in Life

and are trampled down by strong, keen, red-blooded men with nerves of steel.

Without strong nerves you lose your magnetism, force and courage. You feel your own weakness and others know that you are weak. Trifling things annoy you—this is a sure sign of nerve exhaustion.

Some people are born with a very small amount of nerve-vital fluid, because their nerve force has been squandered by the lives led by their ancestors. Others use up their nerve force faster than the body can make it.

When your nerve force becomes weakened, all the vital organs of your body lose their normal strength and vigor and as a result, all kinds of alarming symptoms may appear. From the pains across the back, one person thinks he has kidney trouble; another may think his spine is injured because of the tender spots which may occur thereon. The dull heavy pain in the lower part of head leads another to think he is going to have paralysis and from the disagreeable fullness or pressure in the front of his head, another feels he is going to die from high blood pressure. Sleeplessness and nervous irritability, heart palpitation and indigestion are very common symptoms. Naturally your strength, vigor, endurance and brain power are all greatly weakened, and in such a condition you are in no position to compete with the strong, keen red-blooded

G. A. R. Meets In Indianapolis Coming Week

Indianapolis, Sept. 21.—For the fourth time since the Grand Army of the Republic was organized in 1866, it will convene in Indianapolis September 25 to 29 for its annual meeting. No other city has had the encampment for more than three times. Previous encampments were held here in 1881, 1893, and 1920.

On the opening day, Sunday, past commanders and national officers of the G. A. R. will occupy pulpits in the local churches and deliver patriotic addresses. Monday the credentials and executive committees will meet and that evening a reception for the veterans and members of affiliated organizations will be held in the state house by Governor Warren T. McCray.

The first business session takes place Tuesday morning. Other business sessions will be held Wednesday and Thursday. On Tuesday evening greetings between the G. A. R. and allied organizations will be exchanged.

The veterans' annual parade will be held Wednesday afternoon and the annual campfire comes that night. The encampment closes Thursday afternoon with an automobile trip to Fort Benjamin Harrison, headquarters of the Fifth Army Corps area.

Enrollment At Normal School Breaks Record

Oregon Normal School, Monmouth, Or., Sept. 21.—With an enrollment of 331 for the first day, representing practically every county in the state, the attendance at Oregon Normal school this year promises to be the largest in its history. Last year 207 were registered the opening day. New students are arriving on every train and registration will continue throughout this week.

The dormitory and the new junior and senior cottages are filled and the housing facilities of the city will be taxed to accommodate students.

Regular classroom work began

SAYS HER RECOVERY IS ALMOST LIKE MIRACLE

From Helpless Invalid to Complete Restoration of Health, Strength and Happiness is Wonderful Change Mrs. Root Experienced in Three Weeks—Statement One of Most Remarkable On Record

MRS. JENNIE ROOT

"Just a week before I started taking Tanlac I was down in bed so crippled up with rheumatism I could not move without help. My son had taken Tanlac, and it had done him a world of good, so one day he brought home a bottle and said, 'Mother, I want you to take this.' When I had finished that bottle, I felt like a different woman, and by the time I had finished my second bottle, I was out in the garden hoeing.

"Tanlac has simply done wonders for me; it almost seems like a miracle." This is the remarkable statement made recently by Mrs. Jennie Root, residing at 1409 Powers St., Portland, Oregon, and is only one of tens of thousands from well-known men and women who are daily testifying to the powers of Tanlac.

Continuing her wonderful statement, Mrs. Root said, "For years I suffered terribly with rheumatism, and would often be down in bed for days at a time. In the last five years there was not a time that I didn't feel those rheumatic pains all through my body. About two months ago I got very much worse and my arms and legs were so bad I was almost helpless and couldn't even hold a pen to sign my name. I was so weak I could not do any housework. I couldn't even sleep, and had no rest day or night. Even to walk a few steps would tire me out completely. When I tried to walk I would stagger and when I did walk a little way and sat down I could not get up without some one helping me. I had no appetite and hardly ate enough to keep me alive. I could not sleep over far enough to get my shoes on.

"I never knew what a night's sleep was, and would lie awake for hours. At times I would get very cold and would have to get up and sit by the fire all huddled up, and my daughters would put hot water bottles all around me. I was treated by four doctors, and

took all kinds of medicine. Nothing ever did me any good. I am just like a different person now. All those terrible aches and pains have left me, and only the other day I was able to walk up four flights of stairs in an office building when the elevator was out of order.

"My appetite is just splendid now, and just today for the first time in years, I felt so hungry that I had to go and eat a piece of pie between meals. In fact, I can't remember the time that I have felt as well as I do now. I had no appetite and hardly ate enough to keep me alive. I could not sleep over far enough to get my shoes on.

"I never knew what a night's sleep was, and would lie awake for hours. At times I would get very cold and would have to get up and sit by the fire all huddled up, and my daughters would put hot water bottles all around me. I was treated by four doctors, and
