

Horse Show Attendance Newberry Defended Tops Record By Cohorts

Big Stadium Packed to Witness Excellent Program - Will Repeat Hurdle Race

Seats in the big stadium at the state fair grounds were at a premium by 8:20 o'clock at last night's horse show and several hundred persons stood throughout the evening's entertainment. The show is successful from every standpoint, big fields of good horses, big crowds to see them perform and good officials in the ring to do the judging and to see that everything moves along according to schedule.

The regular jumping events last night were followed by a special hurdle race of three heats. It pleased the spectators so greatly that it will be repeated tonight during the earlier part of the program in order that all may enjoy it.

"Sterling Duke," Natt McDougal's three-gaited saddle, champion at last year's Pacific International, took two blues again last night in the classes. He will undoubtedly make a clean sweep of the three-gaited classes throughout the week if he continues to be well shown.

"Bohemian Art" owned by Geo. E. Plummer, of Seattle, is doing equally well in the four-gaited classes and was second only to Mr. McCleave's "Mabel Reed" in the roadster class. Doris McCleave is the popular favorite as in years past, and is entitled to all the praise she gets.

J. D. Farrell, dean of western horsemen in the show ring, was in the ring last night as a guest of the judges. Mr. Farrell was enthusiastic in his praise of the show and said that there was a 50 per cent increase in attendance over any previous year's big night.

Ex-Governor Oswald West, director, and A. P. Fleming, manager of the Pacific International, are in daily attendance. Mr. West is a large exhibitor and is riding very successfully in all of the saddle classes. He shows tonight in the sporting tandem class, a combined driving and jumping event.

The Portland Hunt club coteries of the younger set probably shows a higher degree of ability than at any other time in the history of the club, and they are all riding admirably.

There are four big jumping features tonight, the largest offering in that line during the week including the Corinthian which again introduces the "big pen."

Majority Report On Election Fraud Allegations Declares Senator Innocent

Washington, Sept. 29.—Opinions conflicting along party lines were presented today by majority and minority members of the senate privileges and elections committee on the Ford-Newberry 1918 senatorial election contest from Michigan.

The majority report cleared Senator Truman H. Newberry, the republican candidate of corruption and all other charges, and recommended that he be legally seated. The democratic members, on the contrary, asserted that Senator Newberry was elected by "corrupt and illegal methods and practices," and recommended that his seat be declared vacant.

With filing of reports the case now goes to the senate for final decision, which will probably not be made for several weeks. In the meantime, it is understood Senator Newberry will not attend the senate sessions.

On only two major issues were the republicans and democrats in harmony in the reports filed today. They agreed that Henry Ford, the democratic contestant, had not been elected and was not entitled to the seat from Michigan. They also agreed that too much money had been spent in the Michigan primary. The democrats, however, contended that Senator Newberry was responsible personally for the expenditures while the republicans held he was not.

Recommendations of the majority report, submitted by Senator Spencer, republican, who conducted the committee investigation and report, were:

"1.—That the contest of Henry Ford against Truman H. Newberry be, and it is hereby, dismissed.

"2.—That Truman H. Newberry is hereby declared to be a duly elected senator from the state of Michigan for the term of six years, commencing on the 4th day of March, 1919.

"3.—That his qualification for a seat in the senate of the United States, to which he has been elected, has been conclusively established and the charges made against him in this proceeding, both as to his election and qualification, are not sustained."

Conclusions of the minority, presented by Senator Pomeroy, democrat, Ohio, and signed also by Senators King, Utah, and Ashurst, Arizona, were:

"First—That the irregularities complained of do not relate to the general election but to the primary. Henry Ford did not receive a plurality of the votes cast at the general election. We therefore find that the petitioner, Henry Ford, was not elected, and is not entitled to a seat in the senate of the United States.

"Second—We find that under the facts and circumstances of this case, corrupt and illegal methods and practices were employed at the primary election and that Truman H. Newberry violated the corrupt practices act and the primary act of the state of Michigan and that by reason thereof, he ought not to have or hold a seat in the senate of the United States and that he is not the duly elected senator from the state of Michigan for the term of six years commencing on the 4th day of March, 1919, and we recommend, therefore, that his seat be declared vacant."

As separate minority report also was submitted by Senator Ashurst who declared Senator Newberry's credentials were "stained by fraud and tainted by illegal expenditure of money." The testimony showed, he said, that the 1918 Michigan campaign "partook more of the character of an auction than an election."

Both majority and minority members agreed that it was established conclusively that in the general election Senator Newberry had received a majority of the votes. Mr. Ford's charges of bribery, illegal voting, undue influence and intimidation of voters in the general election were declared by the majority to be without foundation.

Mrs. Josephine Olson, postmaster at Olney, has resigned, to take effect as soon as a successor is appointed.

Track Record Broken In 2:08 Pace Yesterday

In the 2:08 pace, purse \$2,000, Barondale, driven by Lindsey took all three heats, and establishing a track record in this class in the last heat by doing the mile in 2:08 1/4.

In the 2:18 pace, every heat a race, Baron King won the last two heats, while Hal Fitzsimmons took the first, Alexander G. placing second twice.

Nosing out Clear Lake as they crossed the finish, Gray's Favorite, owned by G. E. Newton and ridden by the veteran jockey Retting, won the heavy portion of the Marion Hotel purse of \$300 at the fair grounds track yesterday, doing the five furlong course in 1:01 1/4.

The horses were neck and neck on the stretch and were pressed hard by Ashton Lady entered at the last moment, and who took third place.

Considerable delay was forced in staging the running races, following the sulky events, because of a demand of L. Galbraith, who had two horses in the Shlem Derby, that all jockeys be searched for electric batteries. The judges, to comply with his demand, had to have every rider entering the two races undress and be reweighed.

In the Salem Derby, course 1 1/4 mile, with a purse of \$1,000, one, Galbraith's horse, was left at the post, the owner accusing McNair of not giving him a fair start. Bassano boy, ridden by the young lad Williams who made his start in Reno with the present racing season, and owned by J. A. Parson, took the race, after being closely pressed by Gordon Roberts on the home stretch. Mary Fuller was a close third, nosing out Nasboat after the first half mile.

W. Yen, foreign minister, who has been expected to be chief of the delegation, did not leave today, but it was said he would follow, provided China's Shantung policy was determined soon enough for him to reach the American capital for the opening of the conference.

The prominent diplomats who left today, were Chow Tschui, formerly secretary of the Chinese legation in Washington; Wang Tah-shieh, leader of the progressive party and former minister of foreign affairs, and Dr. M. T. Liang, former minister of foreign affairs.

The remainder of the party consisted of 22 technical experts, 19 secretaries assigned to various departments, 19 attaches, 17 translators and several foreign advisers.

5000 Police In Liquor Ring

Chicago, Sept. 29.—Investigation by federal authorities of liquor rings said to involve half of Chicago's 5,000 policemen, was being speeded up today following a dozen sensational developments yesterday.

These included the death of a woman while being questioned at the federal building, the finding of an alleged whisky runner dead on a country road, the hold up of a freight train which was robbed of twenty cases of gin, the alleged confessions of a police officer and the hunt for a "rum pirate" ship.

Mrs. Rose Allen died a few minutes after questioning by an assistant district attorney regarding her connection with alleged extortion schemes. An investigation is being made to determine whether she committed suicide.

Kansas Strikers Ordered Back

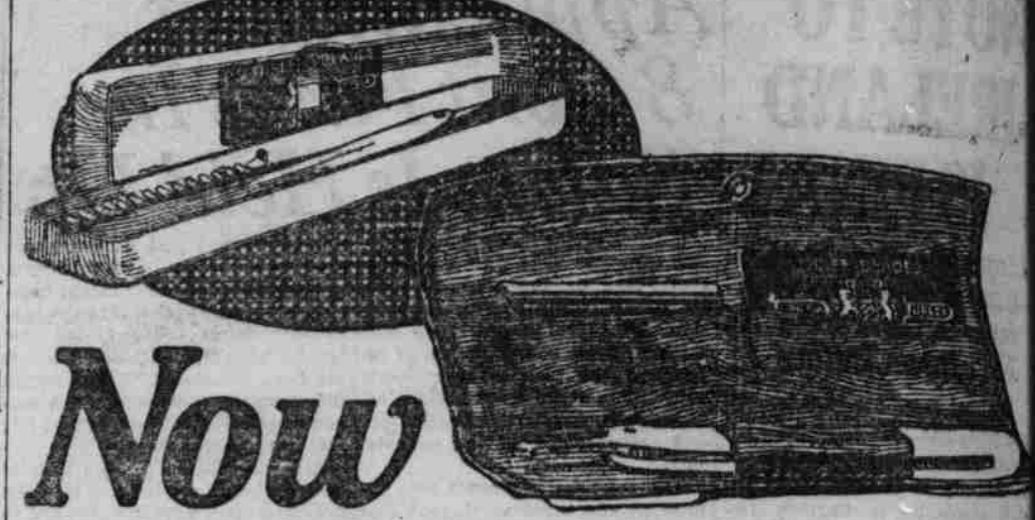

Chicago, Sept. 29.—They are still smiling over at Washington Park about the bomb scare.

John Halsey, a paper picker, poked his stick into a bush and what he found caused him to faint. Later he called the police and his find was carried gingerly down to detective headquarters. There it was dissected and found to be a skyrocket, which had failed to explode. Halsey thought he had found a real bomb.

Indianapolis, Ind., Sept. 29.—

Alexander Howal, president of the Kansas miners, was directed today by the convention of the United Mine workers of America, to ask strikers at the Dean and Reliance mines to return to work. The convention decision became a reality before the polling of delegates was complete.
