

Diamond Stars Of Yesteryear Play For Fandom's Idol

The greatest collection of old-time baseball players ever gathered, met and defeated the champion New York Giants in a five-inning exhibition game at the Polo Grounds, New York, for the benefit of the Christy Mathewson Fund. Between \$40,000 and \$50,000 was realized and turned over to the greatest pitcher of all times, at Saranac Lake, New York, where he is suffering from tuberculosis. A National League baseball, autographed by President Harding and Matty, shown in the illustration, was auctioned off and brought \$750. The group picture shows, standing, left to right, Ed Macall, Amos Rusie, Roger Bresnahan, Jess Burkett, Larry Doyle, Harry ("Moose") McCormick, ack Warner, Jess Tesreau, Fred Merkle and Dan Donley. Seated, left to right, Bill Dahlen, Hans Lobert, George Wiltse, Arthur Devlin, Bill Gilbert, Joe Hornung and grandson, Joe 3d, mascot, "Red" Murray and Fred Tenney. On the left is Joe Hornung, nearly 80 years old, who appeared on the field in uniform, but did not play. Wiltse and Tesreau were on the mound for the oldtimes, while Pat Shea hurled for the present-day champions. The score was 2 to 0.

Packed Schools Make Necessary Extra Teachers

Unprecedented increases in public school attendance in Salem make necessary the employment of additional teachers, it was brought out at a special meeting of the school board last night, and the directors adopted a motion authorizing Superintendent George Hug to hire all instructors found to be needed prior to the next regular meeting of the board on Tuesday night. He also was instructed to bring in at the next meeting his recommendation for a transient officer.

There has been an increase of 200 students in the senior and junior high schools alone, it was pointed out. The senior high school now has 690 students as against 642 for last year; the Washington junior high has 538 as against 433; Lincoln has 224 as against 194, and McKinley has 190 as against 164.

Shower Baths Asked.
The statement of Walter Winslow, "The youngsters must be taught," expressed the board's viewpoint in hiring more instructors. Although the directors are trying to save money in every possible way, they feel they can not afford to economize in the matter of teachers.

A request of the McKinley students, which was presented to the board last night, that they be allowed shower baths at their school, was looked on favorably by the board, but it was referred to the building committee, members of which were not present at last night's meeting.

Chemawa Indians will be permitted to attend the Salem high school, the board decided. An effort will be made to collect their tuition fees from the government.

On motion of Mr. Winslow, the board last night adopted the budget as submitted by the finance committee.

At its next meeting the board will consider, among other things, the purchase of additional seats, arm chairs and 15 dictionaries which are held to be necessary in the schools.

Realty Agents Banned on Bonus

Real estate agents who aspire to appointment as appraisers under the state bonus law, are doomed to disappointment if rumors emanating from the headquarters of the bonus commission which is now engaged in selecting the appraisers, are to be relied upon. Members of the commission refuse to discuss the rumor.

It is known however that many of the applicants for appointment to these positions of which there will be three in each county, are real estate agents. It is also known that several of the members of the commission are opposed to the appointment of real estate men to these positions because of the complications which might arise therefrom. It is also known in fact the commission has publicly announced that no preference will be shown to ex-service men in the selection of appraisers but that the appointment would be based solely on the qualifications of the individual applicants and that every effort is being made to select men who not only know land values in their respective communities but whose appraisal of these values will be entirely above any suspicion of personal interest.

The commission went into session Wednesday morning and is making generous use of midnight oil in its efforts to safeguard the interests of the state in the selection of the appraisers. It is not expected, however, that the list will be completed and ready for announcement for several days yet.

Why The First Aid To Good Health Is Pure Blood

Waste Products in the Blood Cause Many Forms of Rheumatism, Skin Disorders, and A Lowered Vitality.

Many People Do Not Understand Nature's Warning.

When you have that feeling of fatigue; when you lack the energy you need for the day's duties and pleasure; when you are troubled with pimples, blackheads, bad boils, sores or some other skin eruption; or when you have rheumatic pains in the muscles and joints, don't wait until you collapse in a state of nervous prostration, or until in your weakened condition you contract some serious disease, but start at once to get the waste products out of your blood. Nature has certain peculiar ways to warn us. Fortunate, indeed, is the person who knows her danger signals. Thousands and thousands of men and women during the past 50 years have relied on S. S. S. to clear their blood of waste products. S. S. S. will improve the quality of your blood by relieving you of the waste products which cause impoverished blood and its allied troubles—skin disorders, rheumatism and a lowered vitality. The same qualities which give S. S. S. its beneficial effect in clearing your blood of waste products make it extremely desirable for keeping your blood in good condition. S. S. S. may be had at any drug store. Write to Chief Medical Director, Swift Specific Co., 715 S. S. S. Laboratory, Atlanta, Ga., and let him help you regain your health and strength. Give him a full description of your case. He is helping people every day (without charge). Ask him to send you his booklet, "Facts About the Blood"—free. S. S. S. is sold at all drug stores.

This Is Your Overcoat Store

Every man demands warmth and service in his overcoat. He wants style, too. And he gets them at this store—all at the lowest prices quoted in years. Come to Overcoat Headquarters—the store that specializes in quality merchandise—

121 Miles Of Road Work To Be Contracted

Improvement of 121.3 miles of Oregon highways and the construction of six new bridges are included in the program which will be up for consideration by the state highway commission at its meeting in Portland, October 25 and 26, according to notices being sent to contractors this week. The road improvement program includes 19.7 miles of paving, 87.8 miles of grading and graveling and 13.7 miles of macadamizing. The projects are scattered through twelve counties as follows:

- Paving 5.3 miles Roseburg-Wilbur section, Pacific highway, Douglas county.
- Paving 1.6 miles Cottage Grove section, Pacific highway, Douglas county.
- Grading and graveling .6 miles Murder creek grade separation, Pacific highway, Linn county.
- Grading 15.3 miles Weiser-Malheur-Baker county line section, Old Oregon Trail, Malheur county.
- Macadamizing 13.7 miles, Lexington-Heppner section, Oregon-Washington highway, Morrow county.
- Grading 7.5 miles Wasco-Moro section, Sherman highway, Sherman county.
- Grading 3.6 miles Moro-Grass Valley section Sherman highway, Sherman county.
- Grading 7.8 miles Cow canyon section, The Dalles-California highway, Wasco county.
- Grading 13.2 miles Love bridge-Black bridge section, Baker-Cornucopia highway, Baker county.
- Grading 5.1 miles Summit Springs market road, Harney county.
- Grading 6.3 miles Madras-Wasco-Sherman county line section, The Dalles-California, Jefferson county.
- Grading 5.5 miles unit No. 6, Madras-Wasco-Sherman county

The section, The Dalles-California highway, Jefferson county.

Grading 13 miles Three Mile creek-Dufur section, The Dalles-California highway, Wasco county.

Grading and rocking two miles Ochoco Forest boundary-Mitchell highway, Wheeler county.

Paving 4.2 miles West Dayton-St. Joseph section, West Side Pacific highway, Yamhill county.

Construction three truss spans with trestle approaches and two smaller structures on Winston-Camas hill section, Roseburg-Coos Bay highway, Douglas county.

Construction of new approaches to the Yamhill river bridge and certain revisions to the existing steel truss span, on the Amity-McMinnville section, West Side Pacific highway, Yamhill county

Founder of Giants Given a Pension

New York, Oct. 7.—Jim Mutrie, who aided in founding the New York Giants many years ago, has been placed on the club salary list at \$25 a week for the rest of his life, according to Charles A. Stoneham, president of the club. The club with a present value estimated at \$1,500,000 was organized by Mutrie with John B. Day, its owner, until 1892, with ten uniforms, four bats and a half dozen balls. Mutrie, who christened the Giants and served as manager, has not prospered in recent years.

5 Percent External Gold Bonds of 1919

at \$61 and interest per bond

At the price per bond of \$61 and interest these bonds give you a day-to-day return of almost 8 percent—7.97 percent to be exact—and in addition a profit of \$36.20 when the bond is paid at its maturity value of \$97.20 in U. S. gold coin

Although expressed in the British pound sterling, these securities are payable principal and interest, in U. S. gold coin in New York city at the fixed rate of \$4.86 American gold to the pound. Consequently, uncontrollable fluctuations in currency of other countries do not affect the maturing value of principal or interest
