New York, Oct. 10.—Next to losing a ball game, the players in this world series hate worst to face the crowd of shouting fans that gather daily outside their club houses. They would like to dodge out a rear door to the street and sneak home by alley routes. But the rule is that there is only one exit from each club house.

Douglas Shufflin' Phil waited until Burns was ready and they made a hurried exit together. One fan insisted that the victorious pitcher autograph a score card. Douglas' signature resembled a doctor's chart of a patient's temperature.

One fan, sitting near the Yankee dugout, fainted when he was hit on the foot by a foul tip during practice. He repulsed two attendants who tried to lead him out after he had recovered, declaring he had paid to see a world series game and intended to get his money's worth.

Emil Meusel, one of the Giants' hitting stars, has jumped far ahead of brother Bob in the "dinner series." He is hitting .357, while Yankee Bob's average is only .290.

### Chinese Gun Man Who Robbed Father's Shop Here Is Caught Today

Fred Hule, a Chinese, once a dapper Salem high school student, was arrested in Portland this morning on a charge of burglary following his alleged confession that it was he who robbed and shot up the store of his father, Hule Chong Yen, here early yesterday morning, and then sent a bullet through a window at the home of George Sun, another Salem Chinaman. About \$20 was stolen from the Hule shop on North Commercial street.

Salem police immediately suspected young Hule as the cause of yesterday's disturbance and officers in near-by towns were notified by Chief of Police Moffitt to be on the watch for the youth. He was reported to have had trouble with his father here some time ago.

The young Chinaman, who will probably be returned to Salem tomorrow by Chief Moffitt, is well known in this city where he attended school for several years. He will be arraigned before Judge Unruh in the justice court.

The disturbance which caused Hule's arrest took place here about 4 o'clock yesterday morning. Nobody was struck by either of the bullets which are thought to have been fired from a .32 calibre gun.

Dr. Hum, a local Chinese physician, notified officers yesterday that a revolver had been stolen from him Saturday.

Two more Salem couples—making a total of four within the last week—were held up, searched and robbed by the tall, black-clad, sombrero-wearing robber, who is much wanted by the Salem police, near the Grant school at Shipping and Cottage street last Saturday night. For the first time the "stick-up" man used an accomplice Saturday.

Donald Stickney, 449 N. 24th street; Miss Ethel Germond, 1210 N. Fourth street; Philip Sitman, of the Argo hotel, and Miss Ann Anderson, 1497 N. Fifth street, were the latest victims of the sombrero-wearer. Only \$4 was taken from the quartet, that being the property of Sitman.

Rev. H. N. Aldrich, pastor of the Leslie M. E. church of this city, formally tendered his resignation as president of the Salem Ministerial association this morning at its meeting in the Y. M. C. A. building. A possibility of making a change was Mr. Aldrich's reason.

The association accepted the resignation and advanced Rev. A. Wells, pastor of the Nazarene church and vice-president of the association, to the office of president, electing Rev. Albert Loughridge to fill the vacancy. Rev. Loughridge is a retired Indian missionary, having been affiliated with the Baptist church in that capacity for some time.

A committee was appointed to draw up resolutions of appreciation for the services of both Rev. Aldrich and Rev. H. C. Stager, who was once pastor of the Central Congregational church but who recently resigned to take a pastorate with federated churches in southern Oregon.

Mr. Aldrich is reported seriously ill in Portland.
