IRISH PARLEY OPENED

Secretary to Lloyd-George Says News of Sessions Not To Be Given Out for Weeks

London, Oct. 11.—A communiqué issued after adjournment merely said that the first session of the "conference on Ireland" was held at 11 o'clock. It gave the names of those present and announced that the conference was adjourned until four o'clock this afternoon.

The Irish delegates were cheered as they drove away. They refused to answer questions.

One of Mr. Lloyd-George's secretaries, who received the newspapermen just after the conference, smilingly said: "You cannot expect any news for weeks yet."

Previous to the session there were rumors of a disposition to consider the sending of an invitation to Belfast, asking that the Ulster government send representatives to the meeting and it was possible that such a step would be taken.

A crowd of several hundred persons had gathered in White Hall at the end of historic Downing street, which was kept clear except for officials and newspapermen as the Irish delegates arrived. The crowd gave the Sinn Feiners a cheer as they passed through the high timbered gates which were erected some months ago at the entrance of Downing street when there was apprehension that an attack might be made upon the government offices.

A number of Sinn Fein flags were displayed by those who cheered the delegates. Sinn Fein emblems, sold by Englishmen, were worn by many. One young Irishman held aloft a placard reading "Peace and justice."

When the conference opened the Irish delegates after an exchange of introductions, took seats at the cabinet table with their backs to windows overlooking the Horse Guards parade, with the British representatives opposite them. Strictly speaking, nobody presided in the ordinary sense of the word, but Mr. Lloyd-George was the spokesman at the outset for the British, and Arthur Griffith, Sinn Fein foreign minister, for the Irish.

The Marion County Christian Endeavor Union will hold the annual convention at Woodburn, October 22 and 23. The union officers are planning one of the largest county gatherings in years. A convention committee is already organized in Woodburn and is on the job making arrangements to show the Endeavorers of the county a royal welcome.

Anti-Saloon League Claim for \$528 Is Allowed by Court

Judge W. M. Bushey and the county court this morning made their fourth donation to the Anti-Saloon League of Oregon when they allowed a claim of \$528 dollars presented by the league for services of its operative in the county during the month of September.

The statement was itemized to the extent of stating that the claim was for 88 days work. This morning's donation of county funds to the cause of private enforcement of the statutes makes Marion county, through its county court, the beneficiary of the Anti-Saloon League to the amount of \$3,600.58 since May 4 of this year.

During this same period, from May to September, the salary expenses of the regularly constituted police officers of the county—the sheriff and his deputies—has totaled \$3,608.30, or less, and this latter figure includes the salaries of the tax collector and his deputy. The total salary expense of the sheriff's office for officers employed in the enforcement of laws since May 1 has been less than \$2,580.

Early last month after an investigation of the problem of enforcement of the liquor laws in the county the grand jury recommended that the county court authorize the sheriff to add three deputies to his force to be used in the suppression of the illegal manufacture and sale of liquor.

Last week the court authorized Sheriff Bower to add one deputy to his force. Paid the maximum salary for deputies in Bower's office the expense of this one additional deputy for a year would amount to \$1,500, or less than half the sum of the county court's donations to the Anti-Saloon League in five months.

For the \$3,600 paid the Anti-Saloon League in five months five regularly deputized officers could have been added to the sheriff's office at the maximum salary of \$125 a month, and there would have remained a balance of \$475 saved to the taxpayers. The money would have remained in the county and public authority would not have been vested in irresponsible private hands.

Continued over a period of a year at the pace set by the county court during the past five months, Marion county's gifts to the Anti-Saloon League would in 12 months equal the total payroll of the sheriff's office including the salaries of the tax collector and his deputy.

British Invite Pershing Over; Snub A Mistake

London, Oct. 11.—General Pershing, chief of staff of the American army, will come to London before October 20 to lay the medal of honor voted by the United States congress on the tomb of the unknown British soldier in Westminster Abbey, the British foreign office announced this evening.

The British government last night telegraphed to Paris, expressing its pleasure at the proposed visit of General Pershing, and General Pershing is assured the warmest welcome.

The cabinet ministers were absent from London over the week end but on returning to London dealt promptly with the question.

The Marion County Christian Endeavor Union will hold the annual convention at Woodburn, October 22 and 23. The union officers are planning one of the largest county gatherings in years. A convention committee is already organized in Woodburn and is on the job making arrangements to show the Endeavorers of the county a royal welcome.

FREIGHT RATE CUT SOUGHT

Reduced Tariffs Will Improve Business and Aid Unemployed Is Belief

Washington, Oct. 11.—Readjustment and reduction of railroad freight rates constituted one of a number of recommendations formulated for presentation today to the national unemployment conference for bringing about a permanent betterment of the nation's commerce and industry with consequent relief of unemployment.

The recommendation proposed readjustment of railroad rates more nearly in accord with the relative value of the commodities and reductions in charges on shipments of primary commodities, but with proper attention to maintenance of financial stability of the carriers.

Lower Taxes Asked Other resolutions, which will be presented to the full conference, late today, recommend: Speedy enactment of tax legislation with its contemplated reduction of levies in order that business may be promptly revived.

Immediate determination of the course of congress with respect to tariff legislation to enable business to decide upon its future conduct and policies.

Settlement of the government's financial relationship with the railroads, having in mind the immediate necessity for increased betterment making effective increased railway employment and stimulation of general employment.

Reduction of world armament and consequent increase of tranquility and further decrease of the tax burden not only of the United States, but of the other countries. Action looking to the minimizing of fluctuations of exchange.

Definite programs of action that will lead to more regular employment in seasonal and intermittent industries, notably in the coal industry.

Readjustment of the buying power of the different elements of the community to a more relative plan.

The resolutions were understood to present the view that a disproportion existed between the price of primary commodities and the ultimate retail price, this being due to increased costs of transportation, enlarged profits, interest, taxes, labor and other charges.

Spokane, Wash., Oct. 11.—Sheriff Clarence E. Long and Miss Ruth Jennings assistant cashier of the State Bank of Spangle, Wash., which was robbed of more than \$5,000 last Tuesday, were en route to Pomeroy today, where they expected to attempt to identify two men held there as suspects in connection with the robbery.

Descriptions of the men, who were arrested at Pendleton, Ore., and are declared to be from Portland, were said to correspond in many details with those given by Miss Jennings after the robbery of the bank. Recent movements of the men also were declared to have corresponded with supposed movements of the robbers.

The men held at Pomeroy gave their names as William and Andy Kubnan. They are said to be about 19 and 21 years of age.

The grand championship of California was recently won by a Berkshire sow bred and raised at the O. A. C. experiment station.

34,000 Miles Wire Used to Report Game

Polo Grounds, Oct. 11.—This dispatch and the play by play story of the world series baseball are being transmitted instantaneously over 34,000 miles of telegraph wire. Dictated by a reporter to a single operator, the report is traveling at the rate of 186,000 miles a second, and is being copied throughout the country from Bangor, Maine, to Seattle, Wash., and Galveston, Tex., north to Ottawa, Canada, and south to Havana, Cuba.

This is the greatest single and unbroken telegraph circuit ever operated in the world. Baseball fans in hundreds of newspaper offices and hundreds of thousands watching the bulletin boards receive the report of the game within a second of the actual play.

Kiwanis Men Leave Tuesday For Convention

Announcement that delegates to the district convention to be held in Victoria, B. C., will leave Thursday night on the Shasta Limited was made this noon at the luncheon of the Kiwanis club in the Marion hotel by Dr. Henry E. Morris, secretary of the organization.

Dr. Morris stated that besides the delegates, who are Curtis Cross, T. M. Hicks, Roy Shields and himself, that eight others had signified their intention of going.

Professor C. I. Lewis, organization manager of the Oregon Growers' association, spoke briefly on advertising at the luncheon this noon, emphasized the necessity of the club boosting the facilities of the city and its advantages. He called attention to the fact that Salem is the center of the third largest horticultural district of the country and that it had advantages over San Jose and Fresno, California, because of the diversity of fruit raised in this locality. He also mentioned number of scenic wonders which were available to the sightseer.

Edwin Sobolofsky led the singing of the club accompanied by T. S. Roberts. Joe Adolph won the attendance prize given by Fred Delano, which was a road load for use on automobiles. Mr. Sobolofsky called attention to the need of supporting the Salem Symphony orchestra, and at the next meeting a resolution endorsing that organization will no doubt be passed.

Olcott's Agent Says Fair Clean

"From a moral standpoint I consider the state fair this year one of the best ever held."

This is the keynote statement in a report submitted to Governor Olcott today by a special agent appointed by the executive office to investigate conditions at the fair.

"I found nothing of an objectionable nature at all," the report reads. "No gambling games of any kind were permitted on the grounds."

Neither was there any evidence of liquor being sold on the grounds during the week, the report sets out.

Club Membership Committee Meets Eight members of the regular membership committee of the Commercial club met at the Commercial club this noon to discuss the possibility of getting further members in the organization.

Evans Makes Two Attempts To End Life

Two attempts at suicide were made by Abe Evans, doomed slayer of James Doran, in his cell at the penitentiary here Monday night and early this morning, according to Warden L. E. Compton.

A guard over the death cell in which Evans is confined discovered the prisoner standing on a small table in his cell, late Monday night, his shirt twisted into a rope and looped about his neck, the other end tied to an iron grating. Evans was poised for the leap when the guard intervened. A similar attempt at suicide is said to have been frustrated this morning.

Prison officials are divided in their opinions as to whether Evans was sincere in his suicidal attempts or is preparing for an insanity plea.

Evans who was received at the prison Sunday is sentenced to hang on December 2 for the murder of James Doran of McMinnville in Wasco county a few weeks ago.
