

YANKEE POLICY FRAMED

American Delegates to Arms Conference Meet Today to Outline Program

(Continued from Page One.) upon it a constructive program remained to be done by the delegates themselves.

Some hint of President Harding's hopes for the armament conference were given as the delegates were assembling by publication of a letter the president had written in reply to a prayer that he work for "universal disarmament." Absolute disarmament, Mr. Harding wrote, was "beyond hope of realization" and perhaps not very desirable, but "a reasonable limitation" of armament was a practical proposition with some hope of accomplishment.

Similar sentiments have been expressed generally by military and naval authorities. It is understood that the first consideration of those familiar with the international situation has been rather a "reasonable limitation" of future armament construction than a scaling down of present strength. The latter, it is pointed out, could well be considered after a building program for the future had been agreed upon.

Harding hopeful. Secretary Hughes and Senator Lodge both have had repeated conferences with Mr. Harding concerning the conference and the other two delegates, Elihu Root and Senator Underwood, called at the White House, and were acquainted with the president's views before accepting places on the delegation.

The letter in which President Harding outlined his hope for "reasonable limitation" was made public at the White House as expressing the executive's attitude toward the views of all those who have written him to work for complete disarmament. The letter was addressed to Miss Ella L. Freed, Brooklyn, New York, and was as follows:

"My Dear Miss Freed:—Your letters, among others that come to me, suggest a widespread misapprehension as to the aims of the conference on limitation of armaments. In my letter of October 5 I said to you:

Must Be Reasonable.
"I think I ought to correct your impression about the expectation of universal disarmament. It is very erroneous even to suggest that we contemplate going so far as that. If we can get a reasonable limitation we shall think that great things have been accomplished."

"You replied that my letter seemed to bring a message of hopelessness to those seeking universal disarmament and asked me to explain reasonable limitation.

"By reasonable limitation, I mean something practicable that there is a chance to accomplish, rather than an ideal that there would be no chance to realize. It is necessary to deal with actualities; to do the best possible. Universal disarmament would be beyond hope of realization; even its desirability at this time might well be questioned. Thousands of years of history, recording the wars and controversies of mankind suggest that human nature would require revolutionary reorganization to make universal disarmament possible. A consideration of the present state of the world, must, I think, enforce the conclusion that this is not a hope-

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. These little olive-colored tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. The pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel. Let Dr. Edwards' Olive Tablets take its place.

Headaches, "dullness" and that lousy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "lazy" and "heavy." They "clear" clouded brain and "perk up" the spirits. 15c and 30c

Jury Holds Church Stole Affections; Court Can't See It

Dallas, Oct. 11.—Declaring that the finding was contrary to law and that there had been no evidence submitted by the plaintiff to support it, or to show that there existed conspiracy or concerted design on the part of the defendants, Judge Harry K. Belt set aside the verdict brought in by the circuit court jury for \$2,500 in favor of the plaintiff in the case of Wilbur Hughes vs Frank Holman et al.

In his complaint Hughes charged that Holman and other members of the Apostolic Faith church had alienated his wife's affections by influencing her to attend their mission in Dallas with consequent neglect to her family duties, and by instructing her to disregard his attentions and refrain from any intimacy with him because he was not a member of their faith. He also alleged that his wife refused medical treatment for cancer upon advice of members of the Apostolic Faith.

After two days of trial the case was submitted to the jury late Saturday night when the court over ruled a motion of non-suit made by the defendants on the ground that the evidence offered was sufficient to justify sending the case to the jury.

Application of Foreign Phone Company Probed
The application of the Nevada-California-Oregon Telephone and Telegraph company with headquarters at Susanville, Cal., for a certificate of convenience and necessity in order that they may install telephone service at Lakeview, Ore., in competition with the Lakeview-Pine Creek Electric company, will be the subject of an investigation by H. H. Cory, public service commissioner at a hearing in Lakeview on October 21. On the same day he will investigate the application of the Lakeview-Pine Creek company for an increase in phone rates.

On October 17 Cory will conduct hearings on two grade crossing applications at Bend and on October 19 he will hold a hearing at Burns relative to electric service given by the Burns Electric company, the inadequacy of which has been made the subject of a complaint by the Burns Commercial club.

Telephone service at The Dalles will be investigated by Commissioner Cory in a hearing October 15 and on October 24 he will hold a hearing at Klamath Falls relative to the maintenance of an agency by the Southern Pacific railroad at Modoc Point.

Commissioner Fred G. Buechel is scheduled for a hearing at Portland on November 2 on the application of the Nehalem Boom company for a logging franchise on the Willamette slough.

A Surprise Tonight

If you will try this way to prettier teeth

This test will surprise and delight you. The results are so quick, so pleasing, so conspicuous.

Millions have already made it. The glistening teeth seen everywhere now show some benefits it brings.

Go get this free tube from any dealer named. Use it and watch the effects. It will open up to you and yours a new era in teeth cleaning.

Why prettier teeth?

This method brings whiter, prettier teeth because it fights the film. Your teeth are now covered with a viscous coat. Feel it with your tongue. It clings to teeth, enters crevices and stays.

Old brushing methods do not remove it all. Enough remains to make the teeth both dingy and unsafe.

That is why teeth look cloudy. The film-coats absorb stains. Film also causes most tooth troubles. And, under old methods, all those troubles have been constantly increasing.

How film ruins teeth

Film dims the teeth's luster. It also forms the basis of tartar. It holds food substance which ferments and forms acid. It holds the acid in contact with the teeth to cause decay.

Millions of germs breed in it. They with tartar, are the chief cause of pyorrhea. Many other serious troubles, local and internal, are now traced to them.

Countless people find that teeth brushed daily still discolor and decay. The main reason lies in that film.

Now we daily fight it

Dental science, after long research, has found ways to fight that film. Able authorities have proved their efficiency. Now leading dentists everywhere advise their daily use.

These methods are combined in a modern dentifrice called Pepsodent. Millions now employ it, largely by dental advice. The use is fast spreading the world over among those who know.

That is the tooth paste we ask you to try. Watch its effects on the film. See how your teeth improve. Then let your own good sense decide between old methods and the new.

Three other essentials

Modern science also requires three other effects from a tooth paste. The old methods did not bring them. Pepsodent brings them all.

Pepsodent

Violators of Traffic Laws Fined \$6216

Pines aggregating \$6,216.56 were assessed against traffic law violators during the month of September, according to reports submitted to Secretary of State Koser by courts throughout the state as required by an act of 1921.

Sixteen of Oregon's thirty-six counties either had no traffic law violations during the month or failed to make their reports and one other county—Union—reported only one violation which resulted in their revocation of the driver's license.

A total of 954 traffic law violations were reported for the month. Multnomah county heading the list with 546 violations and fines imposed aggregating \$2242. Columbia county is second on the list with 139 violations and \$1503 in fines.

Of the arrests for traffic law violations 89 are directly traceable to the activities of the state traffic squad with fines resulting therefrom aggregating \$1,768.70.

A summary of the activities of the state squad shows that during the month 80 cars were found without license plates, 115 others had only one license plate, 11 drivers had no operator's license, 9 had no chauffeur's license, five drivers under 16 years of age were found operating cars in violation of the state law, 50 drivers were taken up for speeding, 17 cars bore void foreign licenses, five cases were reported in which dealers' license plates were being improperly used, 14 cars were found without license plates which had been transferred from other cars, one car was discovered with a 1920 plate, 173 cars were operating with improper lighting, 17 had no lights at all, 97 had no tail lights, two drivers refused to dim their lights, 11 traffic accidents were noted, 485 drivers were warned for minor infractions of the law and 89 others were arrested, 75 cases were adjusted, 227 trucks were discovered without mirrors, two cars were parked on the highway contrary to traffic regulations, two cases of reckless driving were noted, 36 trucks were weighed and found to be overloaded and 301 weighed and found not to be overloaded.

NUXATED IRON

The Power Behind Strong, Red-blooded, Successful Men and Women of Today

It is Free To you this week

This 10-Day Tube of Pepsodent. Present the coupon to any dealer named below.

Make this delightful test. Watch the quick effects—see the change in a week. Then you will realize what this new way means to you and yours.

Each use of Pepsodent multiplies the salivary flow. That is Nature's great tooth-protecting agent. It multiplies the starch digestant in the saliva. That is there to digest starch deposits which may otherwise form acids.

It multiplies the alkalinity of the saliva. That is Nature's neutralizer for the acids which cause decay.

Five important effects come from every application. And modern authorities deem all of them essential.

Not for women only

The most conspicuous effect is glistening teeth. Countless women employ it largely on that account. Few things add so much to beauty.

But men also want white teeth. Men who smoke find that teeth discolor quickly, due to stains in the film.

Pepsodent means more than this, however. It means cleaner, safer teeth. Children need it even more than others. Their teeth are easily attacked, and very few escape. Dentists advise that Pepsodent be used every day from the time the first tooth appears.

To all it means a new conception of clean, well-protected teeth.

Present the coupon for a 10-Day Tube. Note how clean the teeth feel after using. Mark the absence of the viscous film. See how teeth whiten as the film-coats disappear. Watch the other good effects.

This test will prove a delightful revelation. To you and yours it may bring life-long benefits. Every day you wait may mean new damage. Cut out the coupon now. Present it this week.

10-DAY TUBE FREE

Present this coupon, with your name and address filled in, to any store named. It is good for a 10-Day Tube of Pepsodent.

Your Name.....

Address.....

Out-of-town residents should mail this coupon to The Pepsodent Company, 1104 So. Wabash Avenue, Chicago, and the tube will be sent by mail.

Only one tube to a family.
