Hutchason Gone But Not Forgotten

J. F. Hutchason, the insurance agent, who cut a wide swath in social and business activities during the past three years in Salem, seems to have left the city and numerous creditors behind. He was recently summoned before Judge Bingham for contempt of court for failure to pay alimony decreed for support of his children, following his divorce some months ago and marriage following—and the matter is still before the court.

Some weeks ago Hutchason purchased a residence at 340 Washington street from H. Wenger, agreeing to pay \$1000 down on October 1, meanwhile paying monthly rental. He furnished the house and rented it furnished, after a brief residence therein, collecting three months rent in advance, and disappeared.

When Mr. Wenger went to collect the \$1000 due on the purchase price, he found a strange family in possession, who had paid rent for three months. When local firms tried to attach the furniture for grocery bills contracted by Hutchason, they found that it belonged to a Portland concern who had sold it on the installment plan. The owner is out, the renter is out, the furniture dealer is out, the grocer is out—and Hutchason is out—out of the Hutchason.

Texas Strike Is Called For Saturday Noon

San Antonio, Oct. 21.—Approximately 600 members of the Brotherhood of Railroad Trainmen employed by the International & Great Northern railroad today completed final arrangements for a strike scheduled to begin at noon tomorrow, one week in advance of the date set for the general walk-out of railroad men.

Brotherhood officials went to a meeting of members carrying official word from W. G. Lee, grand president of the organization, directing that the strike take place in accordance with the vote of the men, who had favored October 22 as the strike date.

According to R. D. Frame, system chairman of the brotherhood here, the causes of the strike are the same as those put forward in connection with the general walk-out order.

Officials of the brotherhood declared today that the strike also would bring out the switchmen and automatically tie up the switch yards of the road. Members of other unions employed by the road will not go out until October 30, it was said.

Company officials have not divulged their plans for operating trains.

H. M. Smartwood, cashier of the First National bank, has been appointed mayor of Joseph to fill the unexpired term of T. H. Morelock, who recently disappeared.

Hawaiian Game Commissioner Visits Benson Farm

Silverton, Ore., Oct. 21.—H. L. Kelly, executive officer of the Hawaiian game commission, was a recent visitor at the Benson Pheasant farm, which is located about a mile west of Silverton. Mr. Kelly was enthusiastic about the quality of birds produced here and offered Mr. Benson a good salary to come to the Hawaiian islands to undertake the production of game there and before leaving the pheasant farm Mr. Kelly left a large order for eggs and birds to be delivered next year.

Mr. Benson has the largest privately owned game farm west of the Mississippi river. At present he has between 800 and 1000 birds for breeding purposes alone. He estimates the production for 1922 to be 50,000 eggs and 5000 birds. This requires about 500 domestic hens for hatching, and Mr. Benson has found through experience that his method of hatching is the best.

There at present more than ten miles of poultry netting and Mr. Benson is planning to add more in the near future. He maintains a private water system with more than a mile of pipe and operates a small box factory for manufacturing crates for shipping purposes.

Goes Farther

A can of Calumet Baking Powder will make more pies, cakes, biscuits, muffins, etc. than a can of most other brands.

It lasts longer—goes farther because it contains more than the ordinary leavening strength—therefore you use less.

When a recipe calls for two teaspoons of baking powder, use two level teaspoons of Calumet, the results will always be the same—perfectly raised bakings—remember this when you buy baking powder and don't forget that Calumet is the economic buy because it goes farther.

A pound can of Calumet contains full 16 oz. Some baking powders come in 12 oz. instead of 16 oz. cans. Be sure you get a pound when you want it.
