What's New On The Market.

By Rex Stewart

The longest closed season on salmon on the Pacific coast went into effect October 25 on Puget Sound catches and will last until April 10. While there will be some shipments from Alaska and from the southern part of the coast there will be a greater demand for that caught off the coast of Oregon than ever before. This demand is likely to effect a rise in retail prices within a short time, though the prevailing price on silverside of nine cents is still maintained. Black cod and halibut cheeks will also be offered on the market Friday.

The bottom price on eggs increased to 45 cents today, with a great scarcity still evident. No doubt retailers will raise their price paid the farmer within a short time with a corresponding increase to the consumer.

The fall end of the fresh tomato season is here with small stocks offered for sale and prices maintaining their former level of five cents a pound up to three pounds for a quarter.

A small supply of lady finger grapes have been on the market all week at 20 cents a pound, but are not generally handled. Apples are the predominant fresh fruit in the stores, good cooking stocks ranging all the way from \$1.50 to \$3.

Dr. Doney Will Head Department

Dr. Carl Gregg Doney was elected honorary president of the Story Telling section of the Salem Arts League last night at its initial meeting of the year. Mrs. A. C. Caton was chosen chairman and Miss Lucile Crockett, secretary. Tentative meeting dates for the organization will be the first and third Wednesday evenings of each month at the city library. The Story Telling section voted to entertain the entire Arts League at its December general session, to be held December 13. The program will be a presentation of the work accomplished by the branch.

The plan of the section is to do a quantity of practice work in the art of story telling as well as to study sources of story telling material. In addition to the officers elected, those present last night were Mrs. J. W. Harbison, Mrs. Flora Case, Miss Ola Clark, Mrs. Ivan Bellinger, Miss Adella Chapler, Mrs. Ray L. Farmer, Mrs. Adona Cochran, William Hoppes, Otto Paulus and Mr. and Mrs. J. J. Clifford. The next meeting will be held November 16.

The Sweet Briar club of Wallace road was entertained yesterday by Mrs. Ferd Allen at her rural residence. Plans were made for the winter's activity. The club meets regularly every two weeks on Wednesday afternoon and its diversion is fancy work. The annual Christmas party of the organization will be held at the home of Mrs. Corydon Blodgett. Officers are president, Mrs. Charles Chaffee; vice president, Mrs. Moses Adams; secretary, Mrs. Ed Pratt; Mrs. Frank Horton, a new resident of Wallace road, was a guest yesterday afternoon. Refreshments were served by the hostess.

The club has taken up as part of its winter activity the study of the history of Oregon. This will be done by reading "The Story of Oregon," a portion to be read aloud at each meeting. Mrs. Moses Adams read an article on the origin of the name of Oregon at yesterday's session.

Members of Sweet Briar club are Mrs. Arthur Utley, Mrs. Corydon Blodgett, Mrs. Fred Allen, Mrs. M. C. Pettys, Mrs. Frank ...

IS YOUR BLOOD STARVING

FOR WANT OF IRON

Iron is Red Blood Food—It Helps Put Roses Into the Cheeks of Women and Give Strength and Energy to Men—Why Nuxated Iron so Quickly Builds Up Weak, Nervous, Run Down People

Thousands of men and women are impairing their constitutions, laying themselves open to illness and literally losing their grip on health, simply because their blood is thinning out and possibly starving through lack of iron. Lack of iron in the blood not only makes a man a physical and mental weakling, nervous, irritable, easily fatigued, but it utterly robs him of the virile force, that stamina and strength of will which are so necessary to success and power in every walk of life. It may also transform a beautiful, sweet tempered woman into one who is cross, nervous and irritable.

Iron is absolutely essential to enable your blood to transform the food you eat into muscular tissue and brain. It is through iron in the red coloring matter of the blood that life sustaining oxygen enters the body. Without iron there is no strength, vitality and endurance to combat obstacles or withstand severe strains. Contrary to general opinion lack of iron in the blood does not necessarily mean you do not have enough blood, but it means your blood is not of the right kind. To help make strong, keen, red blooded people there is nothing better than genuine iron—Nuxated Iron. Unlike the older inorganic iron products it is easily assimilated, does not injure the teeth, make them black nor upset the stomach. No matter what other tonics or iron remedies you have used without success, if you

are not strong or well you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five grain tablets of ordinary Nuxated Iron three times per day after meals for two weeks. Then test your strength again and see how much you have gained. Numbers of nervous, run down people who were ailing all the while have increased their strength and endurance in two weeks' time while taking iron in the proper form. Nuxated Iron is now being used by over four million people annually, and the manufacturers guarantee successful and entirely satisfactory results to every purchaser. It is dispensed by all good druggists.
