To this union were born a daughter, Mrs. Mabel Wilson Morford, of Clarion, Iowa, and a son, S. C. Wilson of Jefferson, Oregon, who with the wife and mother and seven grand children survive him. 2 Polk Towns Will Observe Armistice Day

Dallas, Nov. 10.—Friday is Armistice Day and it will be duly celebrated in Polk county at Independence and Mogmouh.

The morning program will be at the normal school in Monmouth, at which time quite a number of individuals from Dallas will be in attendance.

In the afternoon many will go to Independence. This will include the members of the American Legion and the G. A. R., who will assemble in front of the Stafrin drug store and leave in automobiles at 12:30. The hour of leaving is set early enough so that the two organizations can participate in the parade in Independence.

Arrangements have been made for Company L to participate in the day's doings and they will leave with the other organizations from Dallas, in a body.

At both Monmouth and Independence there will be appropriate speaking and other features. As in past years every effort is being made to prevent the day becoming a day of entertainment and pleasure. The idea is to make it a solemn recognition of the day upon which it became definitely known that the intervention of America had won the world war.

This idea is being carried out throughout the country and coupled with it this year is the promulgation of the idea that the proposed disarmament of nations should be favored in every possible way.
