Cabinet Rejects Government Plan For Solution of Irish Tangle As Impossible

London, Nov. 11.—The Ulster cabinet today rejected the government's plan for a settlement of the Irish question, on the ground that it contained fundamental principles which under existing conditions were impossible of attainment. The Ulster ministers, however, are putting forward counter proposals.

A communique issued by the southern Ireland cabinet suggests that the government should consider these counter proposals before the proposed meeting of the British and Ulster cabinets.

EDWIN W. FIELD, Milwaukee, Wis.

"I'm convinced if I had taken Tanlac two years ago, when my troubles first began, I would have saved a world of suffering," said Ed W. Field, 538 Jefferson St., Milwaukee, Wis. "My case proved that when a man's stomach goes wrong, everything goes wrong with him. The first thing I noticed out of the way was loss of appetite and next, that no matter how sparingly I ate, I was sure to have an attack of indigestion. This was two years ago and from that time on, until after I started at a steady rate, I finally got so I couldn't walk a couple of blocks without having to stop and rest and I was so nervous that often I sat up in a chair all night long. "Tanlac has made a new man out of me, my stomach is as sound as a dollar and I feel fine all the time. I am a firm believer in Tanlac because I know it delivers the goods."

Railroads Give Special Rates To Homecoming

University of Oregon, Eugene, Nov. 11.—For the first time since 1917 and despite an increase in rates Jack Benefield, graduate manager of the University of Oregon, has secured special railroad rates on all roads in Oregon for the hundreds of alumni and former students who will journey to Eugene, November 18-20 for the annual homecoming.

All points on the Southern Pacific lines in the state with the exception of the Klamath Falls branch will offer an open rate November 16-23 by which a round trip ticket may be purchased for one and one-half times the price of a one way fare. On the Oregon Electric, Portland, Astoria and Seaside and O-W, R. & N. lines in Oregon one way tickets will be sold at the regular rate with receipts issued at the time of purchase. These receipts when signed by the alumni secretary here will allow the holder to purchase a return ticket for one-half the usual fare. A booth will be maintained in the administration building to validate receipts. The privilege opens November 16 and ends November 23.

Insanity Plea Wins Confessed Slayer Verdict

Portland, Or., Nov. 11.—James T. Anderson, who killed his wife, he said, to end her suffering, was found not guilty on the grounds of insanity, Thursday in Circuit Judge Wilson's court. He probably will be committed to the state insane asylum, to be kept until he is examined and found sane or until some other disposition is made of him.

The jury reported its verdict at 11:55. It was sent out Wednesday evening at 6:20. Anderson did not even stand up to receive the decision of the jury. He seemed unmoved—as if it was a matter of indifference to him whether he was found guilty or not guilty.

CUT THIS OUT

Old English Recipe for Catarrh, Catarrhal Deafness and Head Noises

If you know of some one who is troubled with catarrhal deafness, head noises or ordinary catarrh cut out this formula and hand it to them and you may have been the means of saving some poor sufferer perhaps from total deafness. In England scientists for a long time past have recognized that catarrh is a constitutional disease and necessarily requires constitutional treatment.

Sprays, inhalers and nose douches are liable to irritate the delicate air passages and force the disease into the middle ear which frequently means total deafness, or else the disease may be driven down the air passages towards the lungs which is equally as dangerous. The following formula which is used extensively in the damp English climate is a constitutional treatment and should prove especially efficacious to sufferers here who live under more favorable climatic conditions.

Secure from your druggist 1 ounce of Parmit (double strength.) Take this home and add to it 1/4 pint of hot water and a little granulated sugar; stir until dissolved. Take one tablespoonful four times a day. This will often bring quick relief from distressing head noises. Clogged nostrils should open, breathing become easy and hearing improve as the inflammation in the eustachian tubes is reduced. Parmit used in this way acts directly upon the blood and mucus surfaces of the system and has a tonic action that helps to obtain the desired results. The preparation is easy to make, costs little and is pleasant to take. Every person who has catarrh or head noises or is hard of hearing should give this treatment a trial. (adv)

Leaders For Red Cross Drive Named

American Legion men will have charge of the fifth annual roll call of the Willamette chapter of the American Red Cross in Salem and West Salem, it was announced today following a luncheon in the Marion hotel, at which both Red Cross officials and officers of the Legion attended.

The city has been divided into fifteen districts with an American Legion man in charge of each district. Women workers have been selected to work with each captain and will give every resident a chance to subscribe to the Red Cross.

The drive will continue through out the county until November 25, at which time it is expected that 7000 members will have been obtained by the organization.

Headquarters of the drive in Salem will be maintained at the office of Brazier C. Small, in the United States bank building and also at the office of the Red Cross on State, just beyond the First Methodist church.

The fifteen captains of the districts are: Brazier C. Small, chairman; Clifford Knickerbocker, Joe Minton, Walter Kirk, Will Carver, Pinkham Gilbert, James Young, Paul Wallace, Lloyd Rigdon, Albert Anderson, Mort Pilkington, Joe Chambers, Theo Condo, Harry Scott and Harold Smith.
