December 5 Will Start Seal Sale

Money to "carry on" in Marion county against tuberculosis will be applied through the sale of Christmas seals. The Cross Christmas seals, which have been sold for fourteen years, now turn over the proceeds to the tuberculosis association, while formerly they were sponsored by the Red Cross. The work in Oregon is under the supervision of the Oregon tuberculosis association, and in this county, a committee from the Salem Woman's club, headed by Elizabeth Putnam, is in direct charge.

The selling campaign will be started December 5. Booths, under the direction of members of the committee, will be maintained during the three weeks until Christmas.

The economic loss to the nation from tuberculosis amounts to \$100,000,000 a year, says authentic information. "Yet tuberculosis is preventable and curable. All the suffering it occasions can be averted. All the lives it takes are wasteful. Tuberculosis is never inherited."

Among other ways advocated for the cure and prevention of tuberculosis, the following is prescribed: "Tuberculosis may be prevented by advocating fresh air, sunshine, rest, no overstrain, whether at work or in recreation, wholesome food and temperate habits."

Progress of Library Is Marked

Dallas, Nov. 30.—The first annual meeting of the Polk county library board was preceded Tuesday noon by a luncheon that proved to be quite an event. At a table extending across the basement of the Dallas city library building, some 25 guests sat down to a spread that caused a vote of thanks to Miss F. H. Hout and Miss Ada Syron, county and city librarians.

Following the lunch, which was nicely served by several high school girls, Walter S. Muir, chairman of the county board, told of the formation of the county library last June, at which time the city library was made a part of the county. He said that six months' experience had shown the practicability of the plan, and predicted that it would be successful.

Miss F. H. Hout, who came from the office of the state librarian upon the formation of the county library and took charge, told of the growth that has been experienced. When the Dallas library was taken over it had 3500 books, to which 785 have since been added. There has been circulated in the past six months 2000 more books than were sent out during the same period a year ago. The county library is now serving 40 districts, and expects in the course of time to serve every district in the county. In addition to furnishing the books the library pays the carriage, so the county districts are not subjected to any expense. In addition to these circulated books, the state has furnished 11 traveling libraries that are in service. More of these are to come.

Judge A. B. Robinson, who presides over the county court, said that it was uncertain just how much financial assistance could be rendered this year, because of the lack of funds, but promised that the court would do the best possible. Until it was known just how much was required for other purposes it would not be possible to state what appropriation could be made for the library.

Miss Cornelia Marvin, state librarian, pledged the complete cooperation of her department in the upbuilding of the Polk county library, and predicted that it would become one of the greatest and most useful in the state.

Those who participated in the luncheon were:—H. Hirschberg, Mrs. A. L. Spurr, Mrs. Chas. Calbreath, Mrs. C. A. McLaughlin, Mrs. Clyde Ecker, Mrs. Alice Skinner and Mrs. Claude Skinner.

From Monmouth—Rev. E. B. Pace, Ira C. Powell, Miss Todd and R. B. Swenson.

From Falls City—Mrs. C. L. Hopkins and William Bohle.

From Dallas—Walter S. Muir, Miss Ida Mantson, Rev. Frank James, Robert Van Orsdal, Mrs. Gilbert P. MacGregor and E. A. Koen.

County court—Judge Robinson, Commissioners Graves and Hart.

For librarians—Miss Marvin, of Salem, Miss Hout and Ada Syron, local librarians.

Are You Nervous?
Many who suffer from backache and weak kidneys are unaccountably irritable, fretful and nervous. Not only does constant backache "get on the nerves," but bad kidneys fail to eliminate all the uric acid from the system, and uric acid irritates the nerves, keeping one "on edge," and causing rheumatic, neuralgic pains. When suffering so, try Doan's Kidney Pills, the medicine so well recommended by Salem people. Read this Salem resident's statement:
Mrs. L. A. Barrick, 1257 Hines street, says: "My kidneys were weak and I had severe backache and felt dull and languid. I frequently had nervous headaches and my kidneys wouldn't act right. I read of Doan's Kidney Pills and using them my kidneys were put in good order, the back aches left and I felt better in every way."
Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Barrick had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
