## Chic 3-Piece Suit Furnishes Two Costumes In One

By MARY BROOKS PICKER

WHAT a thrill of anticipation spread through the country when the rumor concerning the return of suits to very decided favor was advanced. To be sure, we have always appreciated too fully their trimness and practicality ever to abandon them entirely, but now, with fashion's full sanction, we have a much more interesting assortment of styles from which to select.

## Polk County Court Circuit Court

William McDonald vs. B. F. Miller. Reply filed by plaintiff to the answer of defendant alleging that during the month of December 19 that the plaintiff paid the defendant for a farm consisting of 10 acres was due him in his answer, also that the plaintiff has paid the defendant for the grubbing as well as for the materials in blasting the stumps. Asks the court for dismissal of the suit and recovery of costs thereon.

## Yellow Jackets Win From McMinnville by Score 23 to 22

A tie score of 22 to 22 resulted in the game between the Salem Yellow Jackets and the McMinnville American Legion team played there Thursday night. In the additional five minutes Greg Salem forward, shot a basket from the center of the floor.

There were no outstanding players on either team, but coach Bonnell of the Yellow Jackets expressed himself satisfied with the result. The line up and score of the players follows: The score: McMinnville forward W. Jones 4, Crum forward Gregg 11, Pierson center Gossler 7, Martin guard M. Jones, Waugeman guard Ashby 4, Shipley subbed for Arthur, Jackson for Pierson on the Legion team.

The following games will be played soon by the Yellow Jackets: Eugene Y. M. C. A., Independence American Legion, O. A. C. Rockies, Silverton American Legion.

## No Host Dance On Monday Night

## For the Maid Who Goes A-Hiking

Each year, Miss America spends more and more of her time in the open, and each year she becomes sturdier in body, more wholesome in mind, and expresses her new born freedom of spirit in knitted things of soft wool and silk. Not only because they are warm, but because they are flattering and durable and elastic, and above all, smart!

Go anywhere just now, and you will see knitted scarfs endangering the prestige of those made from fur, knitted coats rivaling those of pelts, and above all, woolen hose ousting the sheer silk variety. It is the day of wool, and even our sports hats are made of it in preference to other fabrics.

A recent football classic brought forth several close fitting and exceedingly smart hats made from brushed knitted wool scarfs, the striped ends providing all the decoration that was necessary. On one of these hats the stripes took a diagonal course across the crown, and on the other they assumed the same angle over the upturned brim.

There are endless ways in which these scarfs may be turned into smart gear or the effect suggested as in the one shown. A hat is just the thing for skimming over the ice, or for tramping over leaf strewn fields. There is an informality about the hat which has do not have, and which of course enlarges their sphere of usefulness. But the

## Three Are Hostesses For Party on Friday

Mrs. B. L. Steeves, Mrs. J. D. Littler and Mrs. E. E. Upmeyer were hostesses yesterday afternoon for an informal affair honoring Mrs. E. C. Hickman. The afternoon was spent socially with needlework and conversation. Delicious refreshments were served by the hostesses. House decorations were carried out with flowers and candles in pink and white.

## Business Women's Club is Wednesday

The Business and Professional Women's club will meet on Wednesday January 11, in their rooms at the Unitarian church. Supper will be served at 6:30 and will be followed by a business session and a program. The club is very active and is adding many new members. Topics of current interest are discussed at the meetings.

Wool flowers, incidentally, are not confined to out-of-doors garments. As a matter of fact, they have been admitted to the ballroom and appear as an effective detail of a clever evening gown. The sweater has much to commend it, and its color may be what you will. One's love of color is given free expression, a pleasant thing to occur just now when our best dressed people have been fit to wear so much black. Not that there are no black knitted things for those who want them, but the call is for color, and gray; the exception to this rule being in the soft camel's hair colorings, or the brown of the natural wool.

Take heed that the garment has the swagger bloused effect over its peried belt, for that is one of the styles that is stressed this season.

WOMAN TOO WEAK TO WALK Now Works Nine Hours a Day. Lydia E. Pinkham's Vegetable Compound Restored Her Strength

Union Village, Vt.—"I was weak and nervous and all run-down. I could not walk across the floor without resting, and I had been that way for weeks. I saw your advertisement in the paper and after taking one bottle of Lydia E. Pinkham's Vegetable Compound I felt the good it was doing me and I took seven more in all. Before I finished I was able to work nine hours a day in a steam laundry. I cannot say too much in favor of your medicine. I trust all sick and suffering women will take it. It has been two years since I took it and I am strong and well."—Mrs. L. A. GUIMANN, Union Village, Vermont.

This is only one of such letters we are continually publishing showing what Lydia E. Pinkham has done for women. Mrs. Guimann's letter should interest you. Many women get into a weak, nervous, run down condition because of ailments they often have. Such women should take Lydia E. Pinkham's Vegetable Compound at the first sign of trouble.

Mrs. Inman Has Bridge Club Mrs. C. M. Inman entertained the Thursday Bridge club this week at her residence. Mrs. Lee Canfield and Mrs. William Cravatt were additional guests. The next meeting of the society will be held with Mrs. C. E. Knowland.

## New Light on Batteries

"Since all batteries look so much alike on the outside, how am I going to tell which one has the most value inside?" That is a practical every-day question—and it has a simple every-day answer. What greater assurance could you possibly have than the following combination of facts:

- 1—Extraordinary quality in the battery itself, as shown by the choice of the Willard Threaded Rubber Battery as standard equipment by the manufacturers of 173 makes of cars and trucks. 2—A nation-wide organization to serve you; and— 3—A record for quality and service dating back nearly to the beginning of the automobile. You don't need a formal invitation. Come in any old time and get some new light on this battery question.
