TEAMS IN FINE FORM FOR CLASH

Whitman Mentor Expects Bearcats To Win, He Says; Big Crowd Forecast

Both Coach Borleske, of Whitman, and Coach Bohler, of Willamette, radiated a most convincing brand of gloom this afternoon when they spoke in impressive whispers concerning the excellent chances of their respective basketball teams being defeated at the Salem armory tonight.

"It appears that we have an excellent chance of getting the wrong end of the score tonight," Coach Borleske said.

"Our show for victory looks very small and far removed," Coach Bohler countered.

Whitman Looks Good.
Whitman, it might be said, looks mighty convincing. The northerners suffered little in their two games with Oregon in which they were twice returned victors and Coach Borleske has a string of unblemished records.

Rich Real Star.
It is on Rich, his star forward, that Borleske undoubtedly places any hope he may have of winning from Willamette. Rich, who is very shifty and who shoots easily from any angle, has been with the Whitman quintet for two years. In both games against Oregon he was high-point man.

Wrestler's Back Broken.
Chicago, Jan. 12.—Walter Krellick, student in the Y. M. C. A. college here, is in a hospital today with a broken back as a result of a wrestling match with Walter Maurer. Police are holding Maurer for investigation.

WAPATO ONE OF COLLEGE STARS ON CLUB SQUAD

Portland, Or., Jan. 12.—Multnomah Amateur Athletic club has several varsity and club stars on the basketball team for this season and a schedule already prepared calling for seven games at Portland, two or three at Spokane, and one at Salem, with other games in prospect.

Craig, a big Wyoming varsity player who holds down center, stands 5 feet 4 inches. Guards are to be Captain Twining, Beck, Jacobberger and Clipper Smith. Jacobberger is a former University of Oregon player and Smith played three years with the Notre Dame quintet.

January 14—Whitman at Portland.
January 19—University of Washington at Portland.
January 21—Willamette at Portland.
February 4—Ninth Army Corps at Portland.
February 11—Walla Walla Y. M. C. A. at Portland.
February 18—Spokane Amateur Athletic club at Portland.
February 22—Willamette at Salem.
February 25—University of Nevada at Portland.

Carpentier and Cook To Battle In London Today

London, Jan. 12.—George Carpentier will meet George Cook of Australia in Albert Hall tonight. Carpentier is reported to be in first class condition and three pounds heavier than when he fought Jack Dempsey, but "little Dempsey," as Cook is called by admirers, is confident in his ability to win.

DOUBLEHEADER SLATED FOR DALLAS LOOP TEAMS

Dallas, Or., Jan. 12.—What is hoped to be the most attractive basketball card of the season will occur Saturday, when a doubleheader will be played. In the first game the Dallas high school team will be pitted against the Buena Vista team, and the final game will see the undefeated company L team matched with the crack Albany Legion team.

DALLAS FIREMEN WIN FROM HIGH SCHOOL FIVE

Dallas, Or., Jan. 12.—The Dallas firemen basketball team defeated the Dallas high school team by the score of 31 to 15 at the armory Saturday night. It was an interesting contest throughout the entire game. Farley and Preston, company L stars, played with the firemen, while Griffin took the place of Captain Gilson of the high school basketballers.

Cleveland.—Boxing and jiu jitsu have been placed on the regular athletic curriculum at Western Reserve university.

Dallas Legion Prepares Fast Smoker Slate

Dallas, Or., Jan. 12.—Fight fans of Dallas will be given an opportunity to witness one of the most attractive boxing cards ever given in this section of the country Thursday, January 19, when the second Legion smoker of the season will take place. In the main event Reeves Coats is matched with Nola Demmick. This will be a real battle. Coats is a hard hitting, aggressive fighter. At the first smoker of the season he stopped Jack Fallon, the much-touted Falk City slugger, in the first round. But he will have no easy pickings with Demmick. Nola is an experienced fighter who has the punch in either fist and he is bent on taking Reeves measure.

COUGAR FOOTBALL MEN ARE AWARDED LETTERS

Pullman, Wash., Jan. 12.—Varsity letters for members of the Washington State college football team have been presented to the following: Captain Earl Dunlap, Captain-elect Ford Dunton, Arthur Hamilton, George Bohanon, Ernest Durrwachter, Lincoln Meeker, "Buck" Davis, Johnny Zepfel, Moe Sax, Eldon Jenne, Verne Hickey, Roy Sandberg, William Winans, Milo McVior, Mike Moran and Frank Skaden. Recommendation has been made by Coach Gus Welch that Harold Hanley, who did not play his required time because of injuries, also be awarded a letter.

FRISCH GOOD, BUT HE NEEDS COACHING, CLAIM

New York, Jan. 12.—Frankie Frisch, leading base puffer of the National league in 1921, will spend a lot of time during the spring training season learning to run bases.

TRYING TO GET CHAMP INTO RING

Denver Promoter Offers \$100,000 to Meet Harry Wills In 20-Round Go

Denver, Colo., Jan. 12.—Now that a heavyweight championship fight between Jack Dempsey, the titleholder, and Harry Wills has again been brought to the front, Jack Kanner, Denver's midget boxing impresario, is out with a proposal to stage the match in the Mile High city. Kanner declares he is ready to hang up a purse of \$100,000 for a twenty round decision battle.

While the majority of recent fights staged in Denver have been fifteen rounds or less the Colorado state law permits bouts of twenty rounds duration.

Wills Is Willing.
"As matchmaker and an official of the National Athletic club of Denver," Kanner said, "I am ready, even anxious, to put on a Dempsey-Wills battle for the heavyweight championship. I have sufficient financial backing for such a bout, and our club has a lease on the Stockyards stadium, where the facilities are the equal of anything anywhere in the United States. The stadium has a seating capacity of 15,000, with space for several thousand additional temporary seats available."

Kanner's Record Good.
"I have seen both Dempsey and Wills in action, many times, and, along with the opinion of many followers of boxing, I believe that Wills is the only man in the ring today who can be classed as a worthy opponent of the world's champion."

Kanner has been interested in pugilism for the last fifteen years, and for the last twelve years he has been following the sport as promoter and manager.

FRISCH IS ALL RIGHT. declared John McGraw, Frankie's boss, "but he slides only one way. Think of the bases he will swipe when I teach him to slide feet first, head first and sideways."

Tulsa.—Hugh Walker, Kansas City, knocked out Jack Clark, San Francisco, in fourth round of a scheduled ten-round bout.

NO NEGRO BOUTS FOR CHAMPION KEARNS' EDICT

Los Angeles, Cal., Jan. 12.—Jack Dempsey, heavyweight champion, will not meet Jack Johnson, former negro champion, in a match at Mexico City or anywhere else, Jack Kearns, Dempsey's manager said here this morning when informed of reports from Nogales, Ariz., that Mexican promoters were trying to arrange a bout between the two pugilists to be staged in Mexico City.

Kearns said Mexican promoters had approached him in Oakland, Cal., recently with offers for such a match, but that he did not consider them anything but trivial. He declared that Dempsey's next bout was a matter of the future, no arrangements having been made with any promoter for a match for the champion.

What's New On The Market
By Rex Stewart
Local shippers could make money by reversing the situation and ordering eggs from Portland at prices quoted there and selling them here to retailers for 30 cents. It would cost about 2 cents a dozen to lay them down in Salem and with the 20 cent price quoted today in Portland would leave the shipper a neat profit of eight cents. Producers who utilize Salem markets would do well by looking around before disposing of their eggs for there is a wide difference in prices offered by retailers. One retailer paid as high as 31 cents for a case yesterday that was about to be shipped to Portland. This situation is not expected to last, however, for the market is already fairly well supplied.

Heavy hens increased from 22 to 23 cents in the local buying price today, with light hens around 16 and 17 with a possible 18 cents for choice stock. Stags are quoted at 12 and 15 cents; fryers 22 and 23; bakes 18 and 20 cents.

The fish supply for Friday's use will not be large in quantity or variety. The arrival of fresh halibut is doubtful, though there may be a little offered at previous prices. Fresh salmon will be in fair supply with no change in quotations.

Repeal of Direct Primary System To Be Attempted
Olympia, Wash., Jan. 12.—Two initiative measures, one to repeal the direct primary law of 1907, and the other to repeal the facilitating act for the operation of the initiative and referendum, were filed with Secretary of State J. Grant Hinkle here by Jay Thomas, a publisher of Seattle.

A total of \$7096.50 was paid in tax county during 1921 for all kinds of game licenses, an increase of \$1978.25 over the previous year.
