

CRIME NOT RESULT OF CONFLICT

Los Angeles Chief of Police Denies War Made Crooks; Was Long In Army

Los Angeles, Jan. 30.—"All this talk about the world war being responsible for the present crime wave in America is foolishness. Fighting for the honor and safety of the nation might make a real man out of a criminal, but facing the fire of an enemy for one's country never yet has made a crook out of an honest man."

The above are the views of Colonel James W. Everington, new Los Angeles chief of police, on whether the horrors of warfare are fundamentally responsible for the deluge of crime which is marking the present period. A colonel in rank for eighteen years in the army service and one of the fighters who faced the dangers of front line service overseas, Chief Everington spoke with authority when he emphatically denied the somewhat prevalent theory that the existing spirit of lawlessness is a psychological reaction from the horrors of war.

Crooks Simply Lazy

"There have undoubtedly been quite a few men able to make quick and easy money during the war who, since peace was declared, have sought to continue their lazy modes of living through various forms of crooked enterprises," said the new chief to an International News Service representative. "But it would be obviously unfair and untrue to blame the war for the creation of this class. They existed before the war was ever declared."

"In Los Angeles, the same as in other very large cities of the nation, we have to contend with quite a large class of criminals and near criminals. This in no way reflects upon the city, however. It is merely that the same sunshine which attracts the millionaire tourist also allures the desperado. Then, too, the grafters always follow closely upon the heels of the rich traveler."

The new chief is said to have had no backing from any political faction of prominent citizens, but was named solely because of his fine record as an organizer.

AGGIES TAKE TWO STRAIGHT

Oregon Agricultural College, Corvallis, Jan. 30.—The Oregon Aggies won both games from the Stanford basketball team here this week-end. Friday night the Aggies lost with a 37 to 24 score and Saturday night the Aggies took the visitors to a 25 to 14 drubbing.

Listless basketball and poor teamwork were features of the first game. "Mush" Hjelte, lanky Aggie center, played a great game and was high point man with 19 points. Captain Davie was high point man of the Cardinal team with 10 markers.

Teamwork and fast playing were the high points of the contest Saturday night. Stanford played a great defensive game, centering their efforts on Hjelte. The locals took the lead from the start and the game was never in doubt from the beginning. Captain Stinson starred for the Aggies with 12 points. This series gives the Beavers four victories and two setbacks in the conference race.

The rook team defeated the Arleta Athletic club in a preliminary game Friday night by a score of 40 to 25.

EIGHT PLAYERS ARE SUSPENDED BY NOTRE DAME

South Bend, Ind., Jan. 30.—(By Associated Press.)—Eight Notre Dame university athletes today voluntarily confessed to Father William Carey, chairman of the athletic board, and Knute Rockne, football coach, that they played in the semi-professional football game at Taylorville, Ill., November 27, 1921, with the Carlinville, Ill., team. They were immediately disqualified from further athletic competition at Notre Dame.

The eight men were: Eddie Anderson, Mason City, Iowa, all-American end; Chester Wynne, Orinquo, Kansas, all-western conference full-back selection of several football writers, and start hurdler.

Roger Kiley, Chicago, start varsity end, captain of the basketball team and star track star.

Lawrence Shaw, Stewart, Iowa, varsity tackle and western champion shot putter.

Harry Mara, Huntington, Ind., substitute center in football and regular baseball player.

Robert Phelan, Fort Madison, Iowa, substitute varsity fullback.

Earl Walsh, Adrian, Iowa, substitute varsity back.

Dick Selfert, Carlinville, Ill., substitute end.

The players exonerated Gus Desch, member of the American Olympic team, and John Mohardt, all-American back, from taking part in the game, saying that neither was in any way implicated in the affair.

Chemawa Defeats Portland Quintet; Score Is 30 to 18

Speed and physique told Saturday night in the basketball game at Chemawa between the Indians and South Parkway of Portland. The Chemawa quintet won easily by a score of 30 to 18.

Although the visitors, who were much lighter than the Indians, drew first blood by ringing up a field goal and a free throw in the first few minutes of play, Chemawa soon took the lead and maintained it throughout the remainder of the session. The first half ended with a score of 16 to 6.

BEARCATS FALL BEFORE MULTNOMAH CLUB ATTACK

Portland, Or., Jan. 30.—The weight and speed of the Multnomah club basketball quintet proved too much for the lighter Willamette university five in their game here Saturday evening, and the clubmen nosed out a 28 to 26 victory in the last few minutes of play.

Dallas Legion Wins. Dallas, Or., Jan. 30.—In one of the fastest games seen on the local floor this season the Dallas American Legion basketball team defeated the McMinnville Legion five here Saturday night by the score of 27 to 22.

COAST LEAGUE UNWILLING TO LET BYRON GO

San Francisco, Jan. 30.—Bill Byron, Pacific Coast baseball league umpire, finds that he is appreciated by baseball officials even though the coast fans abuse him. It is said, more than they do any other umpire in the circuit.

Recently W. H. McCarthy, San Francisco, Coast league president, announced that the National league wanted Byron's services but that the western organization would not let him go.

"Byron is as good an umpire as there is in baseball and the Coast league is fortunate indeed to have him numbered among its list of officials."

McCarthy also praised the other coast umpires. "I have seen umpires of both big leagues perform and I can truthfully say that the Coast league has the best in the country," he said.

Ski Jumpers To Compete Next Week

Revelstoke, B. C., Jan. 30.—Champton ski jumpers from many parts of Canada and the United States are expected to compete at the eighth international ski tournament here February 7 and 8.

The Revelstoke ski hill has been improved this year and it is believed several new world records will be set. The runway, from the starting point to the take off is now 500 feet; from the take off to the safe landing pit is 280 feet, and from the landing spot a thousand feet stretches away on which ski runners may lose their momentum.

Professional jumpers engaged to compete this year are Henry Hall of Detroit, world's champion; Anders Haugen, former world's champion; Hans Hanson, runner-up last year; Neil Nelson, Canada's professional champion, and Carl Hill, brother of the title holder.

DEAF SCHOOL QUINTET WINS FROM NORMAL

Monmouth, Or., Jan. 30.—The Monmouth high school was defeated 17 to 44 by the state deaf school basketball team in the normal gymnasium Friday evening. The local team led at the start but gradually lost to their larger and more experienced opponents.

COAST LEAGUE SPRING CAMPS TO OPEN EARLY

San Francisco, Jan. 30.—Spring training will be ushered in early by the Pacific Coast baseball league clubs this year. Oakland, the first team to start practice, has ordered its pitchers and catchers to report at the Myrtledale Springs, Cal., camp February 15.

Stanford Star Quits

San Francisco, Jan. 30.—Jack Patrick, captain of the Stanford university American football team last season, has left college to go into business here. Patrick was a member of the American Olympic rugby team and played in the 1920 Olympic games at Antwerp.

PADDOCK OUT TO LOWER HIS TIME IN 100

Los Angeles, Jan. 30.—Charlie Paddock is out to cut a fifth of a second or more off the world's record of 9 3-5 seconds for the one hundred yard dash.

Coaches at the University of Southern California, where the "fastest human," as Paddock has been called, is registered, believe that if he can improve his start he will be able to lower the 100 yard mark, which is held jointly by himself, Dan Kelly and Howard Drew.

Paddock tied the world's record last spring on the University of California track at Berkeley on the same day that he set a new world's record of 21 4-5 seconds for the 220 yard dash.

Fred Kelly, former holder of the high hurdles record and now assistant track coach at U. S. C. points out that Paddock always gets away to a slow start, the other runners generally leaving him behind at the crack of the pistol. In some races, Paddock has even been behind at the halfway mark. His speed, however, has enabled him to pass the others and make strong finishes.

"If," says Kelly, "Paddock can only speed up his getaway one fifth of a second, and continue to bound along with his usual rapidity to the taps, he can shave the record."

By improvement in arm action, Paddock reduced his time for the dash from ten seconds flat to 9 3-5. Coach Dean Cromwell is credited with having developed Paddock's present graceful action from previous awkwardness and speed impeding movements.

This, according to Kelly, is the secret of Paddock's speed.

Others give considerable credit naturally to his thick muscles and his 17 inch calves with which he covers nine feet at a stride, his well balanced action of shoulders and the "coordination of all the muscles in his body."

But, with all that, his start is poor, experts say, and they are going to try to improve it.

Normal Five Loses

Oregon Normal School, Monmouth, Or., Jan. 30.—(Special.)—The Albany college basketball team defeated the normal five 35 to 20 in a spirited contest in the normal gymnasium Thursday night. The normal team was weakened by the absence of the regular center, who was incapacitated. A return game will be played at Albany college next week.
