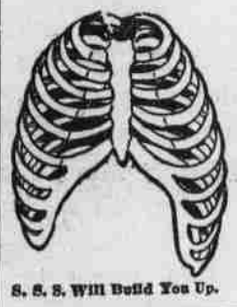
Daniel J. Fry

Can You See Your Ribs?



S. S. S. Will Build You Up.

"It wasn't that I wanted to get fat,—no, I just wanted to put on about 8 pounds more flesh, then I'd be just right. I've nibbled at diets, gorged big meals, I've haunted health resorts, been to fine climates, guzzled milk, buttermilk, olive oil, emulsions, swallowed pills, digestion fads, and a score of other 'won't-works'. Finally, it dawned on me. None of these things was building up the new red blood cells I needed. I took S. S. S., the greatest red-blood-cell builder, firm-flesh producer, blood-cleanser known. I put on 7 pounds in a month, and my nerves, instead of strings feel like wires. S. S. S. has the world beat."

S. S. S. is guaranteed purely vegetable in its medicinal ingredients. It has produced amazing results in building up run-down, thin-faced, ambitious men, and in making women of all ages more plump and beautiful, and younger looking. S. S. S. is sold at all drug stores, in two sizes. The larger size is the more economical.
