Spanish and French Grace In Full Skirted Frocks

By MARY BROOKS PICKEN

A N exponent of the silhouette that is of Spanish inspiration but with a color scheme and decoration that is decidedly French, this fascinating evening frock of French blue taffeta, silver lace, and pink roses is one that the youthful American type would grace with especial charm. Evidently the skirt is divided in allegiance between the attempt, short length that was is divided in allegiance between the extremely short length that was adopted with so much enthusiasm some time ago and the longer skirt that many designers recognize as being correct, for by means of a band of pink tulle it aspires to the newer decree, while at the same time it keeps a conservative hold on the popular length that the scalleged edge indicates.

Full-skirted evening frocks are of yery great interest at the present

revision the state of the present time, but the slender silhouette is in equal favor and if you are not of the youthful willowy type that is enhanced by the voluminous skirt, you may follow the more lenient long lines with no misgiving whatsoever. ings whatsoever.

## Its No Use Beating About the Bush We're Not Too Proud to Admit

This season has not been as we anticipated, the depression has been more than noticeable in all branches of the mercantile busi-

In our plans for the Year 1922 we contemplated various improvements that would enable us to render a greater service to our trade. Our buyers have taken the fullest advantage of the extremely low market conditions that have prevailed the last two months. The coming season finds the markets advancing, all textile materials have taken a considerable advance, but fortunately the People's Cash Store, is well prepared to meet the coming season with highest quality merchandise at a lower price

With the above consideration in mind, and to fully realize the fullfilment of our plans we are taking the only possible action that will prove to be a boon to the public, and an achievement that will brighten the history of the People's Cash Store.
