

Troops Held Ready; Revolt Rumors Rife

El Paso, Texas, Feb. 17.—Despite the failure of Mexican revolutionists to attack Juarez, opposite here, yesterday as it was rumored they intended to do, and the assertion of General Eugenio Martinez, commander of the northern military zone of Mexico, that there was no sign of revolutionary activity in the zone, the First United States cavalry, stationed at Fort Bliss here, still was held in camp this morning in readiness for emergencies. It was said at the camp that this condition would continue until rumors of an impending revolution in Mexico end.

General Martinez who arrived here yesterday from Chihuahua, said that "the revolutionary flurry, has passed" adding that the leaders of the proposed revolt had been captured. General Arturo Ruiz and Captain J. L. Perez, were captured, General Martinez said, after they had made an unsuccessful attempt to induce Francisco Villa to join the revolutionists.
