**ARMENIA PLANS TO TURKEY STRIKE GLANS COMPLETE**  
 (Continued from Page One.)  
 obligation contracted by the allied powers during the war, as on account of the cruel suffering endured by that people. Consequently the aid of the league of nations is sought in addition to provisions made for the protection of minorities, with a view to satisfying the traditional aspirations of the Armenian people and the establishment of a national home for them.  
 The document does not mention any particular territory where the national home may be fixed, but it specifies that the territory now inhabited by the Armenians shall be under Turkish sovereignty.  
 With regard to the Dardanelles, no communication reads: "The Turks are allowed again in the Asiatic shore of the Dardanelles, but the interests of peace and security for the future require that Europe shall
