

STRIKERS CLAIM GAIN OF 20,000 IN THIRD WEEK

Indianapolis, Ind., April 21.—With the third week of the nation-wide strike in the local industry ended today, officials of the United Mine Workers of America at union headquarters here declared the peak strength of the strikers had not yet been reached although the number of idle miners had increased to 680,000, a gain of 20,000 during the week.

Efforts to bring a more complete tie-up of the industry will be continued.

Officials asserted that they expected further gains and added that no break was threatened within the union ranks, which now include many supporters in the unorganized fields.

Under the union's avowed program calling for almost a complete suspension of coal production, any new developments may be expected to come in Pennsylvania bituminous regions and also West Virginia, the strongholds of the non-union operators.

In a score of other states, no important developments have been reported since operations ceased April 1. In the Pennsylvania anthracite districts a similar quiet has been maintained. In the unorganized bituminous fields, President John L. Lewis, the union leader, estimated that 450,000 miners are idle, while in the anthracite industry, he said, 155,000 men are idle. In addition, he declared, reports of union field agents show at least 80,000 workers in the unorganized fields as participants in the walkout.

As long as the general suspension of work continues the nation's coal output hangs largely on the non-union mines, which operators here say have an aggregate output of 5,550,000 tons weekly, approximately 2,000,000 tons more than has been produced in either of the first two weeks of the strike. Meanwhile any excess consumption must come from the 53,000,000 ton pile that had been built up before the strike started and operators here say little of this has yet been used. Union sources said they had no figures on consumption.

LABOR SURPLUS HERE IS DWINDLING, JUDGE SAYS

With the coming of good weather the labor surplus in Salem has dwindled virtually to nothingness, Police Judge Earl Race, who conducts an employment agency in the city, said this morning.

Persons in need of jobs may secure them at the present time and if good weather continues the labor situation will grow steadily better, he said.

RAIDERS SMASH FORMS OF IRISH NEWSPAPER

Sligo, Ireland, April 21.—(By Associated Press.)—Armed men raided the offices of the Sligo Champion today and smashed the type for this week's issue, apparently in order to prevent publication of the newspaper's report of Sunday's meeting, when Arthur Griffith, president of the Dail Eireann delivered an address in favor of the Free State treaty.

The raiders tore up ten thousand partly printed copies of the paper but spared the machinery.

IRISH LOOTERS GIVEN TAR COAT

Belfast, April 21.—(By Associated Press.)—Firing again was in progress in Ballymacarrett, the eastern section of Belfast, early today. A sergeant in the special ulster constabulary was the first casualty of the day.

Two deaths in the hospital last night and the death of Andrew McCartney, one of yesterday's wounded, raised the Easter tide list to twelve.

Three men who were discovered looting in the falls district yesterday received a shock when they were tried and sentenced by republican police to be tarred and feathered.

The sentence was duly carried out and the thieves were marched down the street labeled "Looters Beware!" and accompanied by a joyous, shouting crowd. The arrival of the military ended the thieves' ordeal.

MRS. ALVAH H. MCCREARY, of Philadelphia, who says nothing she could say for Tanlac would be half good enough after the way this remarkable medicine has brought back her health.

"It is just glorious to have my health back, and in my opinion there is nothing I can say about Tanlac would be half good enough," said Mrs. Alvah H. McCreary, 1531 Locust St., Philadelphia, Pa.

"For two years I had all the miserable and agonizing symptoms that go with a bad case of stomach trouble. Although I lived on the strictest kind of diet I suffered torture from indigestion and finally my whole system seemed to give way.

"I certainly know how to appreciate the wonderful blessing of good health and I have such confidence in Tanlac that I wish it was in my power to put a bottle of it in the hands of every sick man, woman and child so that they might take it and get well and strong, as I have done."

Tanlac is sold by J. F. Tyler, druggist, and by leading druggists everywhere.
