Chemawa Announces Exercises

The baccalaureate sermon will be preached on Sunday by Dr. Carl G. Doney, of Willamette university. On both Monday and Tuesday nights there will be an operetta and on Tuesday night it is open to the public. Graduating exercises will be held Wednesday evening at 8 o'clock. Butterflies' Ball Brings Big Support

The pretty "Butterflies' Ball", dancing recital given by pupils of Mrs. Ralph White, was repeated with great success last night at the Grand theater. The house was well filled for the occasion and the children, fatigued in the beautiful costumes, danced their very best. The audience was responsive. Election returns were given during the performance. The program of fancy dances last night was practically the same as the original performances of several weeks ago, except for a slight shortening. A line party composed of members of the Hill Sewing club patronized the recital. There was also a line party of students from the mute school. Little Mildred Roberts, a ray of bright sunshine, danced the role of Sun Princess. This dance was done before by Dorothy Livesley in the absence of Mildred, who was in California with her parents. No one can be mentioned as being especially good in last night's recital. Every little dancer was a star and the fairy tale, so delicately woven about the several numbers, was prettily unraveled. Applause was general for each tiny fairy. James Teed, the brownie with the cave-man attitude was a success in his song "The Little Brown Jug." Jeanette Sykes, Marjory Webb, Nancy Thielsen, Marie Patton, Janet Pimpton, Eleanor Schmidt, Maxine Glover, Fay Wasson, Henrietta Bishop, Dorothy Bell, Lucille Downing, Bertha Babcock, Dorothy Stafford, Elizabeth Waters, Frances Martin, Leona Geer, Cynthia Delano are some of the girls who took prominent roles.

Miss Peterson Honored at Shower

A miscellaneous shower for Miss Helen Peterson, bride elect, was given Thursday night at her residence by a group of her friends. Many beautiful gifts were presented to the honor guest. Games were the diversion of the evening and refreshments were served. Those present were Miss Helen Peterson, Mr. and Mrs. C. H. Peterson, Mrs. Jennie Smith, Mrs. Della Smith, Mrs. Emma Gilliam, Miss Zoe Botta, Miss Helen Hendrickson, Miss Viola Lottis, Miss Bertha Harvey, Miss Mildred Hubbard, Miss Letha Shepard, Miss Amy Fiedler, Miss Marjorie Harbert, Miss Alma Engelbart, Miss Minetta Bigler, Mrs. Warren, H. Smith, Harvey Peterson, Fred Peterson, Irving Peterson.

Mr. Siefert to Be Tenor in Oratorio

John B. Siefert, of Eugene, University of Oregon tenor, who will sing the part of Uriel in the oratorio "Creation" at the Willamette Valley May Festival, has the reputation of having a voice of excellent quality. He has appeared successfully before a large number of choral organizations and colleges, and although comparatively new in Oregon. Mr. Siefert's voice is said to have splendid range and sympathetic quality. His repertoire consists not only of standard oratorios and cantatas but also of some five hundred or more songs which he sings in English, German, Italian and French.

The oratorio, which is being directed by Dr. John R. Sites, of Salem, will include some 300 or 400 voices, 75 of which are from Monmouth normal; 40 from Dallas and 30 from Albany. Besides Mr. Siefert, other soloists are Mrs. Jane Burns Albert, of Portland, Gabriel; John Claire Montheil, Portland, Raphael; Chas. N. Cone, Salem; Adam; Mrs. J. S. Landes, Monmouth, Eve. The Willamette Valley May Festival is a new institution in Salem and it is hoped that it can be made an annual event in which music lovers of the entire valley will participate. The two big events of the May Festival are the "Creation" and the exhibition of living pictures. These two attractions are entirely separate and given on different nights, the oratorio on Friday night, May 26, at the armory, and the living pictures on Saturday night, May 27, at the armory. The performance each evening will open at 8:15.

The box office at the armory will open on Thursday, May 25, and will be open Thursday, Friday and Saturday. The price of admission for each night is 75 cents for reserved seats and 50 cents for general admission. Mail orders for tickets should be sent to Mrs. Frank Spears. People are expected to attend from all over the valley. Tomorrow afternoon at the armory a large mass chorus practice for the oratorio will be held. At that time all singers who will take part will be present and the practice will be accompanied by the Salem Symphony orchestra. Mrs. William H. Burghardt, Jr., is piano accompanist.

Genoa Conference Adjourns--ENVOYS LEAVE FOR HOME Genoa, May 20.—(By the Associated Press)—Genoa today was rapidly being deserted by the delegates who for six weeks have been participating in the discussions of the economic conference which adjourned yesterday after having provided for the continuation of the Hague next month of its efforts to put European reconstruction on a more solid basis. Prime Minister Lloyd-George of Great Britain, hurried away to London last night, expressing optimism over the future, even though the Genoa gathering had not accomplished everything he had hoped for. The German and French delegations were the principal departures this morning. Both were hidden farewell at the railway station by Premier Facta and Foreign Minister Schanzer of Italy. The motor cars of the departing delegations were filled with flowers.

Foreign Minister Tchitcherina of Russia and his delegation remain here today. Tonight they will give a farewell dinner in honor of Signor Facta and Schanzer. Fire last Friday morning completely destroyed the home of George Kearns at Falls City. A daughter was overcome by smoke and was carried out unconscious.

A Dress That Suggests Graceful Slenderness

By MARY BROOKS PICKEN EVERY woman of generous proportions seems to experience a period when she would make tremendous sacrifices for slenderness; then, just as surely, there will come a time when she realizes that health and happiness are more desirable than willowiness. Her pride, however, never permits her to settle into a state of heaviness, even if she must admit to a robustness that is quite genuine.

Stouts, as they are often pictured, are not pleasing, and a self-respecting woman will not admit herself into such a class. Long lines are essential. A soft, graceful fabric with enough weight in itself not to be in the least flimsy is always desirable. Sleeves, as evidenced here, should never be conspicuously decorated. A simple, unadorned neck line is, in many instances, to be preferred, for if the neck is not wrinkled with flesh, it usually is attractive. If it is wrinkled, then a collar line would make it seem crowded and overdressed. So simplicity is in both instances the safest.

The dress illustrated is navy marquisette over navy and white foulard. Black silk braid emphasizes the panels and black leather flowers at the waist line give definite newness that is entirely desirable.

KNIGHTS OF PYTHIAS OF SILVERTON PLAN TO BUILD TEMPLE

Silvertown, May 20.—Home lodge of Knights of Pythias, number 35, is planning to build a new temple here just as soon as things shape themselves up, is the gist of an announcement of L. C. Eastman, one of the committee on building.

Plans are now being drawn and work will be commenced in the near future. It will be a two-story structure 40x90 feet in dimension and will take the place of the old G. A. R. hall, which was purchased some time ago and will either be removed or torn down.

The new hall will be near the corner of Mill and Oak streets and will extend across the lots from Mill to Third streets.

It will probably be of frame material and will cost about 7000 or \$8000. In addition to the two stories, it will also have a basement. The lodge has grown so rapidly that the old quarters were hardly roomy enough to accommodate it any longer.

It was purchased by the local order of the Loyal Legion of Loggers and Lumbermen a few days ago, which now leaves the Knights practically without a home, hence the plans for the new structure.

The order has a membership of nearly 150 and is steadily growing.

GRAIN GROWERS AT INDEPENDENCE ELECT

Independence, Or., May 20.—At an election held in this city Friday by the Oregon Cooperative Grain Growers, Claude Buchanan of Corvallis was elected director for district No. 8, comprising Polk, Yamhill and Benton counties. A primary election was held May 1 as a result of which Mr. Buchanan and E. M. Alderman of Dayton received the highest number of votes. Forty-nine voters were cast in the election today, most of them being sent by mail. Mr. Buchanan received 26 and Alderman 23. Mr. Buchanan will serve on the board of directors until June 16, 1923.

Monmouth Votes For New Charter Monmouth, May 20.—The new city charter was adopted at a city election yesterday by a vote of 27 to 14. Little is known as to the contents of the new charter as the provisions were not published and little interest was taken in the election.

All Details In Pictures to Be Exact

No pains nor inconvenience have been spared to make the living pictures to be presented on Saturday night of the Willamette Valley May Festival, May 27, at the armory as nearly like the paintings as possible. Subjects who have been chosen to pose are similar to the painted figures. Children who will pose are said to be almost exact images of the pictured figure, while adults were selected for their special suitability of stature and poise.

The plan for the evening is to present thirteen numbers, each of which will be composed of a group of Salem people dressed and posed to represent a well known painting of some famous artist. The paintings selected for showing are in all cases among the most famous and best known artist and are selected for this reason and not because they are the most beautiful or the most easily reproduced. Monotony has been avoided by using care in selecting pictures which have figures of men, of women and of children. They will be presented in the order of the period of art they represent.

For showing the pictures a large frame has been constructed; it is nine feet in breadth and six and one half feet tall. This is large enough to show the largest picture to be shown, Abbey's "Holy Grail," and mats have been made to fit inside the frame to increase the realistic effect of the smaller pictures.

Lighting effects and backgrounds as well as color values have been carefully studied for each masterpiece. All properties used will be reproductions of those in the pictures. The furniture will be the same and in one case the chair used is being especially built. In the picture "Elizabeth Currier" (Romney) even the railing is duplicated. Attica have been searched until the exact rug, curtains and other articles have been found. Curtains will be used for drapes and screens will have a different setting.

For the picture "Synodus of the Guild" (Rembrandt) six members of the Apollo club will pose. The names of those who will pose have not been announced.

The Salem Symphony orchestra will play during the intermissions. The performance will open at 8:15. Tickets will be on sale at the ticket office at the armory beginning Thursday, May 25. Mail orders should be addressed to Mrs. Frank Spears.
