

1922 FOOTBALL SCHEDULE FOR BEARCATS FIXED

Eight engagements have been scheduled by Coach Bohler of Willamette University for the Bearcat football team this coming fall. The games with Oregon and Whitman are the only two that are conference games. The one disappointment in the arrangement is that but three of the games are to be played here. The circumstances were such however that there was no other recourse to be had.

The Bearcat schedule as so far arranged is as follows: October 7.—U. of Oregon at Eugene.

October 21.—Albany College at Salem.

October 28.—Chemawa at Salem.

November 4.—Whitman College at Walla Walla.

November 11.—Open.

November 17.—Pacific University at Forest Grove.

November 24.—Linfield College at McMinnville.

November 30.—College of Puget Sound at Salem.

The game with Linfield is to be a part of the home coming program. For a number of years the ban has been on football here and only this year was it voted by the trustees to allow Linfield to have a team in the field.
