

### MOTOR COMPANY OFFERS SPRAYER FOR ELM TREES

The elm tree beetle, so dangerous to the beauty of its foliage, is here.

At a nominal fee the Valley Motor Car company has placed at the disposal of the public a Bean sprayer attached to a tractor and will spray any of the trees on the property of Salem residents. The sprayer throw a 75-foot stream and has formerly been found to be very effective.

The cost to property owners will be only the cost of the labor of two men which divided up between two or three parties does not amount to much. Some 50 residents have already placed their orders. When calling ask for Frank Wager, who is in charge of the work.
