EQUALITY WITH JEWS DEMANDED

Geneva, June 28.—(By Associated Press.)—The Holy See readily agrees that the Jews in Palestine must have equal civil rights with other nationalities, but it cannot consent to the Jews enjoying a privileged, preponderant position over the other nationalities and faiths or to the rights of Christians being insufficiently safeguarded, the vatican declares in a letter to the league of nations. The letter, which is signed by Cardinal Gasparri, papal secretary, deals with the proposed mandate for Palestine, which it says seems to establish the absolute economic, administrative and political preponderance of the Jewish element to the detriment of other nationalities. The draft of the mandate, it declares is not in conformity with articles XXII of the treaty of Versailles, which governs that class of mandates.

William Burghardt Jr. was once more re-elected secretary of the Salem school board when the directors held their regular meeting last night. George E. Halvorsen, retiring secretary of the board, was succeeded by Walter Winslow after Paul Wallace, another director, had declined to accept the position.

Two committees were named last night. Mr. Cross and Dr. H. H. Olinger were placed on the insurance committee, and Dr. Olinger and Mr. Wallace were named for the finance committee.

A request made by F. A. Erixon, representing the Kiwanis, that the high school athletic field be turned over as a play ground during July and August, was granted by the directors.

Head Janitor Ross was again hired by the board last evening and a rise of \$5 a month was granted Blanche Isherwood, the superintendent's stenographer.

What's New on the Market

The first currents of the season were displayed this morning by one or two stores, but failed to have general distribution. They are selling quite reasonable at this time of year in pound boxes at a price of three for a quarter.

Cherries are becoming more plentiful. Royal Annes are the best on the market at the present time, though not quite ripe, and are selling for two pounds for a quarter.
