

FOREST FIRES GROWING MORE SEVERE HOURLY

Seattle, Wash., July 7.—Forest fires are raging in virtually every timbered area of the Pacific north west and hundreds of men were being rushed this morning to augment the crews which have been working to control blazes constantly growing in number and size for the last week or ten days.

With the weather forecast holding no hope for relief, the forest protective associations of owners worked men all last night and telephoned to labor centers for more fighters.

Fires are burning in every county of western Washington from the Canadian border to the Columbia river, in northern Washington, Idaho, western Montana and central and western Oregon.

The situation is so serious that leading logging operators of western Washington have with a few exceptions abandoned all effort to work in the woods lest they add to the peril by the danger of setting new blazes in the tender-like areas.

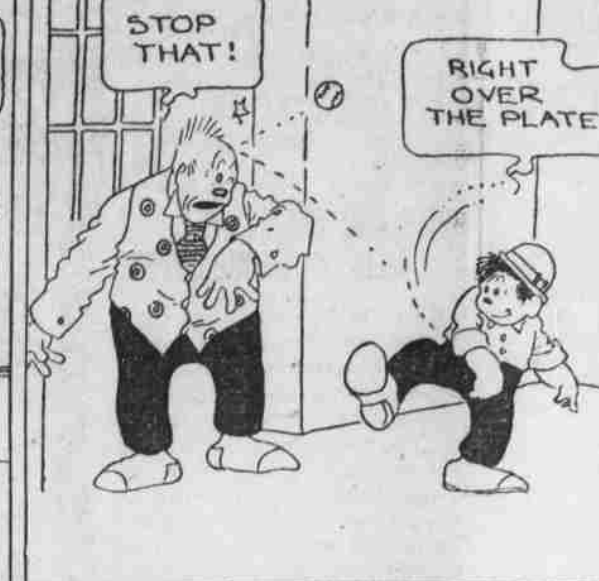

Appeal by Governor Hart that they suspend operation until a rain relieves the fire menace has been met by most of the loggers, many of whom did not start up after the Fourth of July holiday.

The principal exceptions are operators furnishing logs to mills which would have to shut down without their daily supply.

The situation in Skagit and Whatcom counties was reported to be growing more serious hourly. In eastern Thurston county a fire last night got beyond control of the crew fighting it and was racing toward one of the largest stands of virgin Douglas fir left on the coast. In the spruce stands of Clallam county, crews were working to keep in check blazes which have been burning for several days.

From Gray's arbor, Willapa Bay, Cowlitz, Snohomish and Pierce counties came reports of new fires or old ones kept within control with difficulty.

Rev. Phillip Bauer, former pastor of the First Congregational church, will deliver the address next Sunday morning at which time will occur the 70th anniversary services. The church was organized July 4, 1852.

On Monday evening the young folks will go to Spong's landing for a celebration picnic. Tuesday evening the festivities will be crowned by a banquet. Letters from all former pastors will be read at that time. Among those to be present are Mr. and Mrs. I. N. Gilbert, Mrs. L. L. Williams and Albert Fellows, all of whom united with the church over 50 years ago.

YANKEES CRAWL CLOSER TO TOP

Chicago, July 7.—(By Associated Press.)—The Yankees today were only 18 points behind the pace making St. Louis Browns. They smothered the Cleveland Indians under an avalanche of hits and runs in a twin bill, the first massacre resulting into a 10 to 3 score and the second 11 to 3.

Babe Ruth joined in the onslaught with his 14th home run in the first game, driving in three teammates ahead of him. Meusel led the attack with a home run, triple, two doubles and two singles.

Chicago celebrated Helmsch day at Philadelphia by driving the youthful southpaw to cover and defeating the Athletics, 9 to 5. Mostil, the White Sox fly chaser, had a perfect day at bat, driving out five safe hits, one of them a double. The Giants got off to a flying start on their western invasion by trimming Pittsburgh, 6 to 3. Nehf's offerings proved puzzling to all the Pirates except Max Carey, who smacked out a homer, triple and a double.

SALEM MAN IN CHARGE OF STORE AT DALLAS

Dallas, July 7.—There is a new manager in charge of the Dallas store of the J. C. Penney store, he being C. E. Spence of Salem.

Mr. Spence has been employed in the Penney store at Salem for some years. He arrived here this week and formally took over the store from H. B. Goodall, who has been manager, but who has been promoted to open a new store at Cleburne, Texas. Immediately after the transfer had been made Mr. and Mrs. Goodall left for their new home and Thursday morning Mr. Spence was in full charge of the place of business.

Mr. Spence comes to Dallas with the reputation of being a strong community booster and a believer in the present and future of the Willamette valley. It is apparent that he is the kind of man that will soon become well acquainted with the people in this section of Polk county. Under his management it is expected that the local Penney store will pass the fine record it has made. Mr. Spence is a man of family, bringing to Dallas his wife and two children. They will make their home at 415 Washington street, where the Goodalls made their home while in Dallas.

DOLLAR ADVANCES ON PARIS EXCHANGE LIST

Paris, July 7.—The dollar made a tremendous jump in value over night on the Paris exchange market, opening at 12.75 francs, as compared with yesterday's closing price of 12.26, while the pound sterling sold at 66.50 francs against 64.85.

The exchange market was feverish and there was heavy selling of francs which were the weakest of the lot.
