## PUSSYFOOT IN SHIP COLLISION

Plymouth, England, July 21.—(By Associated Press)—The British steamer Remuera, bound for New Zealand via the Panama canal with 544 passengers, including William E. "Pussyfoot" Johnson, collided last evening during a fog, with an unidentified vessel near the Lizard.

An S. O. S. call was sent out but later the Remuera announced she was returning to Portland. Her life boats had been out, all night vainly searching for traces of the other vessel.

Tugs which picked up the Remuera, 40 miles from Portland found her damaged in three of her holds. Her pumps controlled the water, however, and the liner reached Portland under her own steam.

The liner, a 11,000-ton vessel could not make apler at Portland however, and she was beached on the mudflats.

The passengers were all landed.

## GUARDIAN FOR JACKIE COOGAN

Los Angeles, July 21.—Coogan and Lillian Coogan, parents of Jackie Coogan, child motion picture actor today petitioned the superior court here to appoint Mrs. Coogan legal guardian of Jackie. The petitioners recited that they were conserving Jackie's earnings for him, although the law gives the parents control of the earnings of a minor and that they wished to put the trust under the direction of the court.

Jack Coogan, Sr., said the petition was filed because he and Mrs. Coogan wished to quiet gossip to Jackie's earnings for their own benefit.

## NON-SUPPORT IS CHARGED

tempt is made to direct movement of coal preferentially to any geographical section of the country, it was added.

Indications were given after the cabinet meeting that the president and his advisers regarded the industrial situation as serious although not without hope. It was stated that the situation in neither the coal fields nor in the railroad centers was deemed sufficiently serious at the present moment to require use of federal troops.

## Appeal to Lewis

New York, July 21.—John L. Lewis, president of the United Mine Workers of America, was understood to have conferred here today with a delegation of mayors of cities in the Pennsylvania anthracite districts. After appealing to him to send his men back to work to stop suffering and business stagnation, the mayors left for Washington.

## Invite Workers Back

Cresson, Pa., July 21.—The Pennsylvania Coal & Coke corporation has posted at its 24 mines in Cambria and Somerset counties, a notice advising former employees, now on strike, that it will not bring in outside labor to operate the mines, and inviting the workers to return to work on a sliding wage scale which will be put into effect operative until April 1 next.

Lansing, Mich., July 21.—Governor Broesbeck today asked the striking miners in Michigan to return to the mines, either under public or private control. In a message sent to T. Leo Jones of Saginaw, president of district 24, United Mine Workers of America, the governor asked that the miners go back to work and produce coal sufficient for municipal and state purposes. He gave the miners until Monday night to reply.

The governor has received a word from Washington regarding his suggestion that the mines be placed under public control.

Denver, Colo., July 21.—Colonel A. L. Bowby, chief of the war materials department of the bureau of public roads, at Washington, telegraphed the Colorado state highway department today inquiring how many army trucks Colorado could furnish to emergency government malls in an emergency.

He was informed two hundred trucks could be placed immediately at the disposal of the government.

Columbus, Ohio, July 21.—Declaring that local officials are unable to cope with the situation, and that "Governor Davis has refused to furnish us any protection," the Consolidated Coal & Coke company of Butler, Pennsylvania, through its attorneys here, today telegraphed President Harding asking that federal troops be sent to guard the company's operations, near New Stratville, Perry county, Ohio.

## RECEIVER NAMED FOR DENVER AND RIO GRANDE

Denver, Colo., July 21.—The belief that no opposition would develop to the request for appointment of a receiver for the Denver & Rio Grande Western railroad, although there might be some objection to the terms of the order suggested, was expressed in the United States district court here today by Charles A. Boston, New York attorney, in asking for a recess until 3:30 o'clock this afternoon in the receivership hearing. The recess was granted.

A second request for a receivership for the road was filed at the opening of court today by attorneys representing the Bankers Trust company of New York, trustees for the holders of \$42,000,000 refunding bonds issued in 1908.
