

### AMERICAN BAR LEADERS GATHER AT SAN FRANCISCO

San Francisco, Aug. 9.—Delegates to the annual convention of the American Bar association gathered here from all parts of the United States for a three day convalescence.

The delegates went into session with the idea of betterment not only of the laws which govern the nation and its component states but all of the bench and bar as well.

Many distinguished visitors arrived to take part in the deliberations of the association. William H. Taft, chief justice of the United States, Calvin Coolidge, vice president of the United States, the Right Honorable Lord Shaw of Dundermillie, representing the bar of Great Britain, Maltra Henri Aubepin of Paris, distinguished member of the French bar and hundreds of other noted judges and attorneys were present for the opening session.

Opening the convention this morning, Governor W. M. Stephens, a member of the California bar, was on the program for the address of welcome.

The address he had prepared discussed what he termed the peculiar need for stringent immigration laws to bar orientals.

### PRUNE GROWERS NEED ADVERTISING TO MARKET CROP

Vernon R. Churchill, of the Honig-Cooper advertising agency of San Francisco, was a visitor at the offices of the Oregon Growers association yesterday afternoon. He is looking over the Oregon fruit prospects and gave some interesting information regarding the disposal of the fruit crop.

"Oregon will have to keep going if the growers are to continue to market their prunes collectively," he said in the course of his conversation, "for California, by extensive advertising, is fast gaining the control of the eastern markets."

Oregon growers are not regarded in California as competitors for the fruit market, and there is a desire current in the southern state that the producers of Oregon be organized to a greater extent, thus resulting in better business methods and assurance that prices once decided upon, will not be cut.

The association in California are strong, the California Prune and Apricot association alone controlling 140 million pounds of the total crop of 250 million pounds of the two fruits.

Advertising he declared is needed in local newspapers rather than in national publications. The raisin growers, owning the Sun Maid brand, have just made an appropriation of \$1,750,000 to be expended in sales and advertising, of which 1,250,000 will be used for advertising in various districts of the country.

Mr. Churchill is of the opinion that with the market stable for the coming crop, the Oregon association should enlarge the membership and be sure of enough produce to fill all orders. Two years ago an eastern advertising campaign was carried out by the Oregon growers, but in the middle of the season the campaign was closed because of a shortage of fruit.

### JURY SELECTED TO TRY CALIFORNIA KLUXERS

Los Angeles, Aug. 9.—An outline of the state's case was the first thing on today's program in the trial of 37 alleged members of the Ku Klux Klan on charges growing out of the Ingwood raid of April 22 last. The jury of 8 men and 4 women was finally selected yesterday with unexpected speed.

The first witnesses were to be Fidel and Mathias Elduayen, brothers, who with their families, were victims of the Ingwood raid, alleged to have been conducted by a band of perhaps 250 masked and armed men.

The charges against the defendants are kidnapping, false imprisonment and assault with intent to murder.

### KLAN KLANIDATE WINS IN ARKANSAS

Little Rock, Ark., Aug. 9.—The combined endorsement of labor, the Ku Klux Klan and at least a fair percentage of the women's vote, apparently has swept the state in victory for Governor Thomas C. McRae, candidate for re-election in the democratic primary, held throughout Arkansas yesterday. Unofficial returns compiled today from approximately a fourth of the state gave Governor McRae a lead of more than two to one over his opponent, E. P. Toney, of Lakeville. The vote was McRae 58,294, Toney 17,228.

### TOO DARING EVEN FOR CIRCUS MEN

Lily Letzel Coming with Ringling Bros. and Barnum & Bailey

Petite Lily Letzel, world-famous aerial gymnast, will make no aeroplane flights this season. Her contract with the Ringling Brothers specifically states that she is to go no higher off the ground than the dome of the circus main-tent.

To most girls the experience of flying about at the end of a rope fixed in the very top of a circus tent, where the slightest miscalculation might result in serious injury would furnish thrills enough to last them for an ordinary lifetime. Not so with the daring Lillian. She regards her occupation as a rather tame one. Last summer she varied the "monotony" by making a dozen flights in half as many different style planes. On more than one occasion she all but drove the circus managers to despair with her madcap undertakings, a special "no flight" clause was inserted.

Lily Letzel has the reputation of being the most widely known and best remembered of all circus stars and the Ringlings do not propose having her risk her neck in the clouds.

"I suppose that if I did all my flying over a net it would be quite all right," puts the dainty aerialist, "but just wait until the circus tour ends; then I'll show them."

This season's mammoth double circus offers more stars than ever before, and these have been "varied" by the introduction of Europe's most sensational wild animal acts displayed in a trio of steel arenas. All will be seen here Saturday, August 26.

### ENGINEERS TOLD TO QUIT WORK IF ENDANGERED

Cleveland, Ohio, Aug. 9.—Chief executives of the "big four" transportation brotherhoods have taken action regarding the endangering of the lives of brotherhood members through the alleged action of armed guards in connection with the shop men's strike, and have telegraphed their members to remain away from company property if their lives are endangered.

Warren G. Stone, president of the Brotherhood of Locomotive Engineers, when told that 1300 brotherhood men had quit at Joliet last night, told the Associated Press representative that there would be one hundred more similar cases if working conditions at railroad yards and shops are not changed.

"The men have got to the limit of endurance through abusive treatment from guards, and conditions have reached the breaking point," Mr. Stone said. "There will be one hundred more similar cases soon if conditions are not changed."

Asked if the action of the Joliet men met with the approval of the brotherhood chiefs, Mr. Stone said:

"The action does not require any approval."

"Our men are not expected to work under such conditions as now prevail at many railroad terminals," Mr. Stone said. "I am telling them that wherever their lives are endangered by guards they should go home and stay there. They are justified in remaining away from railroad company property under existing conditions."

### 31 CONVICTED OF HIGH TREASON

Moscow, Aug. 9.—(By the Associated Press).—Thirty one of the 34 revolutionists accused of high treason against the soviet government were held under close guard today following their conviction and sentence of death and the remainder face prison terms of from two to 10 years.

The central executive committee upheld the sentence of 13 of those whose punishment was fixed at death, but an indefinite stay of execution has been ordered on condition the social revolutionary party cease its counter-revolutionary activities.

The committee also agreed to request the tribunal to grant pardons to Semenov, Lydia Kono-plova and others among those sentenced who turned informant during the trial.

### Auto Camp News

Mr. and Mrs. H. M. Acker, of Portland, but formerly from Nebraska, after thoroughly investigating the opportunities offered by numerous cities of Oregon in the millinery line, finally decided to locate in Salem and last night registered at the Salem auto park. Mr. and Mrs. Acker were in Salem about a month ago and while here made arrangements with the Worth and Gray department store to establish themselves on the store's second floor.

Since the final arrangements were completed, Mr. and Mrs. Acker have been selecting stock for their new branch. They said this morning that they found a salesman in Portland representing a firm with whom they used to deal while in the same business, and that besides offering them special prices on the season's latest styles, they are to have the exclusive agency of the company for Salem.

It is planned that the Ackers will be ready for business about August 21. In the meantime the second floor of Worth & Gray's store will be completely remodeled. Mr. Acker is using the time to advantage flinding a place to locate. He expects to rent this winter and then build a four family apartment in the spring.

During the summer months for the past four years, Mr. and Mrs. J. T. Twaddell and family, originally from Sturgis, Mich., travel about the country. When it comes time for the children to go to school they locate where ever they happen to be. They have been registered at the auto park for a short time and Mr. Twaddell has found work which he thinks will be steady for the winter and it is likely that they will spend the coming nine months of the school year in Salem. They are expecting to rent for the winter.

Mr. and Mrs. E. R. Watts, of Nevada, Mo., arrived at the Salem camp ground last night after a five weeks trip via the southern route, Arizona, New Mexico, and California. Mr. Watts is a wire chief in the employ of the telephone company and was granted a two months vacation. They liked it so well in Oregon that they decided to travel around here just as long as they could and still get

back in time. To do so they have decided to sell the automobile and go back on the train. Mrs. Watts says that she wants to come back here to live and is going to keep after her husband until he picks up and comes.

G. M. Hague, of Eagle Butte, S. D., passed through Salem on the train ten years ago and was so well impressed with the country that he decided to come back as soon as he could see his way clear. Last night he and his wife registered at the auto park. Mrs. Hague is very much in love with the Willamette Valley and they will probably locate around Portland or Salem. This morning they left for Eugene to be gone for several days.

Fifty-three camps were registered at the Salem auto park last night. Thirty-one of the number were lay-overs from previous registrations while the remaining 22 camps were registered for the first time. They were made up of the following:

Mr. and Mrs. T. W. Stoll, Portland; Mr. and Mrs. E. F. Cadman and family, Wenatchee; Mr. and Mrs. A. Elster, Dunsmuir, Cal.; Mr. and Mrs. R. C. Rogers and family, Portland; Mr. and Mrs. W. F. Glick, Anamosa, Iowa; N. R. Parvin, Cedar Rapids, Iowa; Mr. and Mrs. E. Thomas and family, Yakima; Mr. and Mrs. C. S. Jackson and party, Portland; Mr. and Mrs. B. L. Anderson and family, Ames, Iowa; Mr. and Mrs. S. M. Desparin, San Francisco; Mr. and Mrs. G. N. Gertin and family, Brookings, S. D.; Mr. and Mrs. H. M. Acker, Portland; Mr. and Mrs. L. D. Bayley, Pasadena; Mr. and Mrs. J. W. Durgan and family, Vancouver, Wash.; Mr. and Mrs. N. Neals and family, Montrose, Colo.; Mr. and Mrs. G. M. Hague, Eagle Butte, S. D.; Mr. and Mrs. D. B. Lewis and party, Seattle; Mr. and Mrs. E. R. Watts, Nevada, Mo.; Mrs. B. Bochtel and party, Centralia; Mr. and Mrs. J. H. Chapman and family, Orem, Ore.; Mr. and Mrs. Frank Behan, Nainimo, B. C.; Mr. and Mrs. Noel Farrow and party, Calgary, Alberta, B. C.

In the 48 states in the union there are "48" varieties of motor vehicle laws under which regulations motor transportation must be operated.

### Charming Wedding Last Night

### Well Known University Folk Wed

A charming effect was obtained last night at the home wedding of Miss Dorothy Chambers to Carl T. Pope with the use of the impressive Episcopal ring service and the perfectly arranged background. The fireplace in the living room of the J. W. Chamber's home, before which Rev. H. D. Chambers, of St. Paul's church, performed the ceremony at 7 o'clock, was converted into a lovely bank of ferns and salmon pink gladioli. The dim lights from the shaded lamps enhanced the artistic effect of the flower bank.

The bride entered the room with her father, J. W. Chambers, and he gave her in marriage. The couple were otherwise unattended. Preceding the entrance of the bride, Miss Nellie Schwab sang "Oh Perfect Love," and "Beloved 'Tis Morn." Miss Myrtle Nolan played the wedding march.

The wedding gown of beautiful brocaded satin belonged to the bride's mother and the veil of Venetian lace was one worn by her grandmother. The richness of the bride's attire added a great deal to the dignity and elegance of the affair. She carried a shower bouquet of Cecil Brunner roses.

A wedding supper was served after the ceremony on small tables, decorated with pink and white sweet peas, the color scheme carried out in all of the decorations. The bride's table in the dining room had a huge basket of pink roses and ferns in the center of the table and white candles on the table for the lighting effect. Seated at the bride's table were J. W. Chambers, Jr., Miss Hazel Magnusen, Everett, Washington, and Mr. and Mrs. Bolton Hamble.

Between the hours of 8 and 9:30 over 90 guests called to congratulate the young couple, and attend the reception which was held in the living rooms of the house.

The young couple went south last night for a two weeks wedding trip, after which they will make their home in Portland where Mr. Pope is associated with a Portland law firm.

Mrs. Pope is one of the popular members of the younger set in Salem and is the daughter of Mr. and Mrs. J. W. Chambers. She is a graduate of Oregon Agricultural college and is a member of Alpha Chi Omega sorority. Mr. Pope is the son of Mr. and Mrs. T. C. Pope, and a graduate of the Willamette law school.

Out of town people who attended the wedding were: Mrs. Agnes Gibson, Junction City; Miss Ruth Kennedy, Corvallis; Miss Hazel Magnusen, Everett, Wash.; Mr. and Mrs. Edmund Anderson, Albany; Miss Ella Stevens, Mrs. W. D. Pettengill, Elmer Pettengill, George Pettengill, all of Portland.

The O. A. C. club will have a picnic Thursday afternoon and all members are urged to come. The committee in charge has arranged to have the party meet at the north side of Willson square at 5 o'clock, tomorrow afternoon where they will be met by cars to take them to the picnic grounds.

Mr. and Mrs. J. A. Bernardi motored to Sublimity for the week end to visit with Mr. and Mrs. E. T. Schott.

Mr. and Mrs. B. A. Shaver motored to Oregon City yesterday on a business trip.

Miss Rose Albright and William Reinhart were married at the E. B. Albright home in Markam last Saturday afternoon at four o'clock. The service was read by Rev. Hocking of the Methodist church. Only the family were present and the couple were unattended.

The bride wore a dark blue tricot dress embroidered in black with a mink fur and a hat of sand colored duvetyne and velvet. She carried a corsage bouquet of sweet peas and Cecil Brunner roses.

Mrs. Reinhart attended Willamette university for two years and is well known among the younger set in Salem. William "Bill" Reinhart graduated from the University of Oregon in December and since then has been employed with the Standard Oil company in Portland.

Mr. Reinhart was well known at Oregon through his athletic fame. He played on the basketball, football and baseball teams, beside starring in the fraternity events. He is a member of Sigma Chi fraternity.

The young couple went directly to Portland where they will make their home in the Broadway apartment. Mr. and Mrs. John H. Carson of Salem attended the wedding.

At a very quiet wedding Tuesday, Miss Doris Welch became the bride of Merrill L. Barber. The service was read at 10 o'clock at the home of the bride's sister, Mrs. C. C. Caldwell, by Rev. Blaine E. Kirkpatrick. Mr. and Mrs. Caldwell were the only witnesses. Mr. and Mrs. Barber will make their home in Woodburn where Mr. Barber is connected with Busick's store. Mrs. Barber, whose home is in Dallas, has been employed in the J. C. Penny store for the past year.

Initiation for ten or twelve women will be held tonight at the armory by the Barbara Freitche tent of the Daughters of Veterans. A delegation of Portland women is expected and if they come there will be a social hour after the business meeting. The Barbara Freitche tent is the banner tent of the state, and the Portland women are coming to watch them initiate the new members. The Salem team put on a model initiation at the Daughters of Veterans convention in Newport in June, and were considered the best in the state.
