## RADIO IS PRAISED BY JUDGE OF OHIO COURT

Youngstown, Ohio.—Credit is due to radio for the fact that 'we've made so much progress that we can hear the preacher in his pulpit, miles away, preaching the way to save souls, without interlarding with the making of raisinjack in our cellars on Sunday morning,' declared Judge George Gesmer, addressing members of the Lions' Club here. Discussing ways and means of administering affairs of a government, Judge Gesmer stated that there could be no hope for good results following the application of old methods to present-day questions.
