

DRYS WIN IN PRIMARIES HELD IN OHIO

Republican And Democratic Incumbents Win Primaries in Ohio and Other States.

The republican regulars retained their stronghold in Ohio, democrats of the Buckeye state gave substantial pluralities to organization candidates, Governor T. C. McRae of Arkansas held a lead of more than 2 to 1 over Judge E. P. Toney for re-nomination and Judge W. W. Brandon was apparently the democratic nominee for governor of Alabama as a result of yesterday's primaries in the three states.

Republicans of Texas went into their state convention at Fort Worth today to make the full party state for the November election.

Columbus, Ohio, Aug. 9.—(By the Associated Press.)—Candidates favoring wine and beer and progressivism within the republican party went down to defeat in the state wide primary election in Ohio, according to returns early today from more than 4500 of the 7836 precincts in the state.

Thompson Nominated.

The nine cornered race for the republican nomination for governor, in which these issues were paramount, apparently was won by a large margin by Carmel A. Thompson of Cleveland, who was strongly supported by President Harding's administration and by the Anti-Saloon League.

In nominating Thompson, Ohio failed to join Indiana, Pennsylvania and Iowa in a list of progressive victories. The outcome was considered by many as a vote of confidence in President Harding, himself an Ohioan.

Pomerene Winner.

Senator Altee Pomerene of Canton, democrat, who was opposed both by organized labor and by the Anti-Saloon League, was re-nominated for the United States senator over former Congressman John L. Lentz of Columbus, who was strongly endorsed by the big railroad brotherhoods.

Congressman Simon D. Fess of Yellow Springs, former college president, and until recently chairman of the republican national congressional committee, apparently had received the republican nomination for senator from a field of four contestants, one of whom was former Senator Charles Dick of Akron, author of the Dick national guard act.

Like Pomerene, Fess was attacked by organized labor but he had the Anti-Saloon League's support.

Congressman Charles L. Knight of Akron, who made a spectacular bill board and newspaper campaign as a "Roosevelt progressive," was running second to Thompson for the republican gubernatorial nomination on available returns this morning.

C. Homer Durand of Cochocton, who declared for the return of wine and beer held 4th position. All three of the candidates for the democratic nomination for governor were endorsed by the Anti-Saloon League.

ABOLITION OF STRIKES CLAIMED BY FASCISTI

Rome, Aug. 9.—Protection of the workers legitimate interests, abolition of the general strike for ever and the defeat of the elements which have "blackmailed" the government were the claims made by the Fascisti today in a manifesto following their decision to demoralize.

The manifesto says that the Fascisti battle was won on every front. It declared that they had drastically punished for a long time those who agitated strikes. It said that the Fascisti were always friends of the workers and enemies of those who are agitating the workers against the country. The manifesto urged that all Fascisti prepare "for the greater battle which will crown our work."

Young Cudahy Rode In Taxi for 90 Hours and Bill Sickened Him

Chicago, Aug. 9.—John R. Cudahy, son of the late John Cudahy, pioneer Chicago packer, today was at a hospital, where it was said he would be another week. He was taken there when he became ill while en route to a fashionable hotel after, according to Toney Plavin, taxicab chauffeur, he had run up a bill of \$270 for 90 hours riding. Plavin, who swore out a police court warrant for young Cudahy, charged also that he had loaned Cudahy \$111.

DIEDRICH HEADS ANTI-RED REGIME

New York, Aug. 9.—Election of General Diedrichs, at one time Russian minister of war under czarist regims and commander of anti-bolshevik troops in Siberia, as supreme ruler of the primar (anti-soviet) government at Vladivostok was announced today in a cable message from V. S. Kolenikoff, the Vladivostok government's secretary of foreign affairs to A. DeBodisco, in charge of the information bureau here.

The election of General Diedrichs, in succession to General Merkuloff, was made by the Zemski, Sobor, or special peoples assembly, a newly chosen legislative body which claims to represent all classes of population numbering 2,000,000.

The executives of the associated charities organization are busy aiding several parties to locate work. Several women, some with children are badly in need of steady employment. Last evening a case was reported in which a woman was vainly trying to support her two children and her aged parents. Thus far she has been able to find only temporary employment. Another was deserted by her husband and had no means of obtaining a living for herself and children.

Only 300 automobiles were reported stolen in France last year, while more than 50 per cent were recovered. Arrests were made of 225 persons suspected of the thefts.

School Board Elects 3 Department Heads, Plans Improvements

Three persons were chosen to head departments in the Salem high school, four others were elected as teachers, supplies were purchased and improvements were authorized by the Salem school board at its regular meeting last night.

Miss Mabel Robertson, head of history department, senior high, \$140.
Miss Ada Ross, head of English department, senior high, \$150.
Miss May Rauch, head of English department in junior high, salary not fixed.

Miss Mary E. Eyre, history department, senior high, \$130.
Miss Margaret Purvine, commercial department, senior high, \$130.
Miss Constance Cartwright, English department, senior high, \$130.

Miss Hazel Seeley, English department, senior high, \$130.
Three hundred and twenty four dollars is to be spent by the directors in installing a combination gas range in the McKinley school and, as a result, all domestic science work at McKinley next year will be done by gas.

Chemical supplies for the Salem high school laboratory were purchased by the directors last night. This year they necessitated an outlay of but \$350. This is \$150 cheaper than last year when the chemicals cost the district \$500 even.

The supplies committee was requested to bring in a report at the next meeting concerning the proposal to purchase some new desks for the commercial department of the high school.

Last night the resignation of Mrs. W. M. Hamilton, an instructor in the McKinley school, was tendered to and accepted by the board.

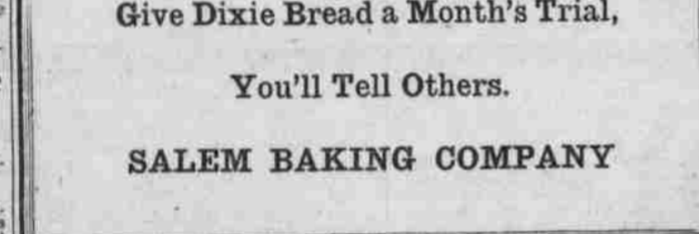

BRANDON NOMINATED BY ALABAMA DEMOCRATS

Birmingham, Ala., Aug. 9.—(By Associated Press)—Judge W. W. Brandon, of Tuscaloosa, has apparently won the democratic nomination for governor of Alabama over Colonel Bibb Graves of Montgomery by an overwhelming majority. Due to the length of the ballots, returns have been coming in slowly, but indications are that Judge Brandon has carried every county reporting, including Montgomery, his opponent's home.

After visiting in Salem for a short time, Mr. and Mrs. Craig Baker of Seattle, left here yesterday by automobile for Portland.
