Wedding Is Solemnized In Portland

At 8 o'clock Saturday evening in Portland at the Evangelical parsonage, Miss Edna Satterlee became the bride of Clifford Townsend. The ceremony was performed by Reverend Bowersox and the event was marked by the utmost simplicity. The bride wore a dark blue outfit, with dress and hat to match, and carried a corsage bouquet of sweet peas and Ceil Brunner roses.

Ever Think of the Polar Bears as Comedians?

Twenty snow-white comedians are coming to town with the circus next Saturday, August 26th, the first visit of the combined circuses.

This doesn't mean that the Ringling Brothers and Barnum & Bailey show has decreased its number of chalk-faced clowns to that figure. On the contrary, they will be fully 100 of the latter in stunts ranging from clown-Fords that walk on their hind legs to clown dogs that walk on their front ones.

No, the twenty comedians mentioned above are of an entirely different kind. They are those who form the three troops of acting polar bears, and once you see them you will doubtless agree that they are the funniest shaggywags you ever laid eyes upon. To see Blubber and Waddles slide down a chute tail first, is to witness one of the funniest acts imaginable.

Contrasting with the bears are the troupes of snarling tigers and roaring lions that are this season being performed in three immense steel arenas. Following them come mixed groups of trained leopards, black panthers and jaguars. More than 200 beautifully trained horses are exhibited on the program.

Mr. and Mrs. B. C. Miles and daughter, Eva, are leaving for a motor trip to Tillamook today. They will stop at Bar View and attend the Christian Endeavor conference of the Friends church which is being held there. Their trip will take about a week.

Miss Violet Welborn has gone to Marshfield for a visit with her sister, Mrs. McInturf. Mrs. H. J. Eberly is taking her place in the governor's office while Miss Welborn is away on her vacation.

Mr. and Mrs. R. B. Goodin left Saturday for a two weeks vacation trip to Seaside and other Oregon beach resorts. Mr. Goodin is secretary to the state board of control.

Miss Frances Gelatly returned Sunday after a two weeks vacation spent at Newport and in visiting with her parents at Corvallis.

Miss Greta Bailey and Mrs. Nellie Hugh of Portland spent Thursday in Albany on business connected with the Degree of Honor organization.

Miss Margaret Griffith returned home from Newport today where she has been the guest of Miss Mary Jane Albert.

Mr. and Mrs. W. C. Knighton were visiting at the E. E. Waters home last evening. They motored down from Portland.

TARIFF BILL TO GO TO CONGRESS ON WEDNESDAY

Washington, Aug. 21.—So numerous were the changes made in the administration tariff bill during its stormy course through the senate that the experts and government printing offices, working jointly over time, were unable to get out a new print over Sunday, with the result that the sending of the measure to conference was delayed.

Chairman Fordney of the ways and means committee said today he expected the re-printed bill to be ready tomorrow for house action. In that event, he added, it would be sent to conference under a special rule. The conferees then would begin work late tomorrow or Wednesday.

The house, expecting the tariff bill to be sent to conference, had a quorum today for the first time since reassembling last week. The roll call showed 243 members present, or 28 more than a working quorum.

There was scattering hand-clapping on the republican side as a clerk from the senate announced the passage of the measure by that body.

WAR FRAUD BILLS REPORTED UPON

Washington, Aug. 22.—Two bills asked by the department of justice to expedite its prosecution of war frauds were reported favorably today by the senate judiciary committee. One would permit the government to consolidate in one district court suits against several defendants residing in different states. The other bill would authorize federal courts to summon witnesses a distance greater than 100 miles.

An effort to have the senate foreign relations committee take up the bill of Senator Kellogg, republican, Minnesota, extending jurisdiction of federal courts to aliens, legislation recommended by President Harding in his address to congress last week on the rail and coal strikes, failed through lack of quorum, many senators being absent during the senate recess until Wednesday.

Another meeting for the bill's consideration is to be held Wednesday.

BIG POWER for BIG TRUCKS

If you want to keep your truck trouble-proof, feed it "Red Crown" and nothing else. The quality of "Red Crown" is always the same, wherever and wherever you buy it. It vaporizes rapidly and uniformly in the carburetor. And it is consumed completely in the combustion chambers, converting all its heat units into power at the driving wheels. That means a better average mileage, and a sweeter-running engine.
