

INHERITANCE FROM AMERICA BRINGS WIDOWS

Moscow, Sept. 15.—Two Russian widows with seven children left Moscow recently on their way to relatives living in Lincoln, Neb., the trip having been made possible by inheritance of \$10,000 which came to them in the Voiga valley a few months ago when the famine was at its worst.

During an inspection trip for the American Relief Administration last winter James P. Goodrich, former governor of Indiana, in one of the villages visited, was accosted by an old woman who said she had a certificate of some kind from America, but that she had been afraid to show it to any one until the party of Americans came along.

The paper in question was notification from the War Risk Department in Washington saying \$10,000 was due her from the United States government owing to the fact that her son, Alexander Volz had been killed while fighting with the American army late in 1918. It was difficult for the woman to realize what all this meant, owing to her weakened condition, and Governor Goodrich made efforts to get assistance to Mrs. Volz as quickly as possible. But before aid came Mrs. Volz was taken ill and died.

Subsequently her two daughters-in-law, widows of Henry and Daniel brothers of Alexander, came in possession of the money, and are being taken to their new home by George Hepp, of Portland, Oregon, who has been a relief worker in the famine areas for more than a year.

CONSTABLE KILLS FEDERAL OFFICER

Barstow, Cal., Sept. 15.—United States Deputy Marshal W. H. Middaugh of Los Angeles was shot and killed here early this morning by Deputy Constable W. H. Thompson of Barstow who is said to have shot Middaugh in self defense.

According to witnesses, Middaugh was intoxicated and was disturbing the peace in front of the Santa Fe railway station, where Thompson and United States Marshal Charles Forbes arrested him and took him to his room at a local hotel. Arriving at the room Middaugh rushed to a wash stand and drew a revolver. Pointing it at Thompson he pulled the trigger on an empty shell. Thompson drew his own weapon and shot Middaugh through the head, killing him instantly. The sheriff's office at San Bernardino was notified of the shooting.

BANDIT QUEEN WAS KIDNAPPED

Los Angeles, Cal., Sept. 15.—Kathrine Estoll Emmons, alleged "bandit queen" of Eugene, Or., was "spirited out of California into Oregon" after Governor William D. Stephens had refused to issue extradition papers in her case, it was declared in the superior court here in connection with a hearing on a writ of habeas corpus, through which her attorney had attempted to obtain her freedom.

Arrested here once and freed when extradition was denied, Eugene officers returned with new indictments against her and caused her rearrest. Then came application for the habeas corpus writ but when time arrived for a hearing on it, Miss Emmons was in Oregon.

"All we can do is to ask for the dismissal of the writ here. I shall go to Oregon to fight the case," said her attorney, S. S. Hahn.

Miss Emmons is charged with grand larceny of automobiles. She was working as a drug clerk here when arrested.

TURKISH ARMY RAPIDLY NEARING CONSTANTINOPLE

Constantinople, Sept. 15.—(By Associated Press)—The Turkish nationalist army is now within 35 miles of Constantinople. The population is in a state of nervous tension and the entire city is rife with rumors about Mustapha Kemal Pasha's designs upon the capital.

One story is that the nationalist commander has sent an ultimatum to the allied powers demanding the evacuation of their forces from the city to permit the entrance of the Turkish nationalist army. Another is that nationalist troops have crossed the Gallipoli peninsula from Chanak, planning to march into Thrace with the object of taking Adrianople.

Rodos and other ports on the Sea of Marmora are choked with refugees, who are arriving by the tens of thousands in an appalling state of misery. Hundreds are dying before they can be landed. The Near East relief has dispatched a ship load of foodstuffs and medicines for Rodosto in charge of Colonel Stephen E. Lowe of St. Louis.

Ten thousand Armenian refugees have arrived in the Bosphorus on five vessels and will be given shelter in the Armenian churches of the city.

PREACHER IMPLICATED BY 10 YEAR OLD GIRL

Sidney, Ohio, Sept. 15.—Rev. C. L. Irwin, former pastor of the Methodist Episcopal church at Hardin, was arrested Wednesday by Deputy Sheriff Charles Woolley and Patrolman Frank Kreiter, at Amelia, his new pastorate, on a warrant charging him with being implicated in the birth of a baby boy to his 10-year-old stepdaughter, Elizabeth Ladd.

The birth of the baby to the little girl some weeks ago attracted the attention of the medical world, because of its unique circumstances. Efforts to get her to reveal the name of the father were unavailing.

The girl was placed in charge of the wife of Sheriff Clark of Hardin county and confined at the jail in the hope of inducing her to confess.

Prosecuting Attorney Marshall, Sheriff and Mrs. Clark and Clifford Blair, a court stenographer, were present when the girl is said to have made the confession implicating her step-father. A heavy guard will be posted at the jail to prevent an outbreak of the feeling which is running high against the minister.

His foot was caught in the belt and he was dragged around the pulley and whipped literally to pieces. His left leg was torn off and his back was broken just above the hips.

Mr. Mosher came to work for the Goodwin mill on June 22 this year and but little is known of him or his relatives.

ALLEGED 40 VOTES WERE FORGERIES

Portland, Or., Sept. 15.—That 40 forgeries were responsible for the phenomenal vote given R. J. Kirkwood in precinct 179, where he topped candidates who were put even opposed, was the sensational charge of John P. Kavanaugh, attorney, delivered in the court of Circuit Judge Knowles yesterday at the close of the John B. Coffey recount proceedings.

That he might be given an opportunity to prove these new allegations, Attorney Kavanaugh requested the privilege of amending his original complaint to include a new fraud charge and to have the ballot boxes from precinct 179 returned to court and reopened. Judge Knowles refused permission and notice of appeal to the supreme court of Oregon was given immediately.

The lawyer declared that after voters had deposited their ballots in precinct 179 some one placed a cross before the name of Kirkwood in 40 ballots where the full number of candidates for legislative nomination had not been voted, and that these votes were thereby "forged and fabricated."

BRITISH CABINET CONSIDERS CRISIS

London, Sept. 15.—The British cabinet has been summoned for this afternoon with the principal object of discussing the Near Eastern tangle.

Prime Minister Lloyd-George came to London this morning from the country for preliminary discussions with the colleagues, all of whom except the earl of Balfour and H. A. L. Fisher, who are in Geneva are expected to attend the important council.

It is believed the meeting will have before it definite statements from the French and Italian governments indicating their respective attitudes toward the problem, the solution of which continues to be a subject of anxious and eager speculation.
