### Fry Defies Imperial Klonsel and Acting Emperor of Klan to Sue Either in New York or Oregon for Articles Pub- lished in Capital Journal For Libel

By Henry P. Fry, Author of "The  
Modern Ku Klux Klan."  
On August 30th, I received in  
the mail a telegram which was  
sent from Atlanta, Georgia, to The  
Capital Journal signed by one  
Paul S. Etheridge to the effect  
that on account of certain libelous  
statements made by me in an arti-  
cle written for that paper that a  
suit would immediately be insti-  
tuted against me. In the course  
of his remarks Etheridge, the im-  
perial "klonsel" stated that I was  
"banished klansman."  
Immediately upon the receipt of  
the telegram, I wrote the imperial  
klonsel stating that I welcomed  
any suit for libel that his client  
the notorious Ku Klux Klan cared  
to bring, and that in order to fa-  
cilitate matters I should be glad  
to acknowledge service of any  
kind of process he cared to issue  
either in the courts of Oregon or  
those of New York, advising the  
klonsel that he had better get  
himself a number of such process-  
es as it was my intention to write  
other articles along the same line  
and send them to all of the papers  
in the United States.

**Offers to Supply Proof.**  
I offered to furnish the klonsel  
with proof that the article was  
written by me in New York state,  
and that copies of The Capital  
Journal containing the alleged  
libelous statement had been by  
me circulated in New York and  
that I would provide him with  
witnesses who would prove the  
fact or I would admit under oath  
that the paper had been circulated  
in New York.

I stated to the imperial klonsel  
that when he had stated that I  
was a banished klansman he stated  
a lie and that he knew his  
statement was a lie when he made  
it and that he would not make

### BERRY GROWERS TO HEAR LOGAN

Word was received by R. B.  
Duncan, secretary of the Commer-  
cial club this morning from Judge  
J. H. Logan, originator of the ro-  
ganberry, stating that he, in com-  
pany with his wife and daughter,  
would arrive in Salem tomorrow  
evening on the Shasta Limited.  
Letter here at 6:35 o'clock. The  
letter from the judge stating that  
he would arrive so early in the  
week and also bring with him his  
wife and daughter is a pleasant  
surprise to the committee who are  
to have charge of his entertainment.

Mr. Logan said this morning  
that all roganberry growers are in-  
vited to attend the banquet in  
honor of Judge Logan which will  
be held at the Christian church  
restaurant at the fair grounds Fri-  
day evening, September 28, at 8  
o'clock. Those who wish to at-  
tend must notify Mr. Duncan be-  
fore Thursday noon. Tickets may  
be secured at the Commercial club.  
Judge Logan also stated in his  
letter that he would like to visit  
Willamette university and the  
Oregon Agricultural college and  
renew acquaintance with a number  
of the professors at the two col-  
leges.

On Friday, to be known as  
Logan day, the originator of the  
loganberry will speak from the  
new grandstand at 12 o'clock  
noon.

### PEACE PLAN OPPOSED BY NATIONALS

Angora Government Re-  
fuses Terms Proposed  
As Hampering Turkish  
Freedom.

Constantinople, Sept. 25.—(By  
Associated Press.)—Hamid Bey,  
representative of the Angora gov-  
ernment in Constantinople de-  
clared today the allied invitation  
to the peace conference could not  
be accepted by the Turkish na-  
tionalists on the terms laid down.  
"We cannot accept the allied  
terms because they propose to de-  
militarize the sea of Marmora and  
part of Thrace, which would pre-  
vent us from bringing our troops  
from Asia to Europe," said Hamid  
in a statement to the correspond-  
ent. "Neither can we accept liter-  
ally the condition that our army  
shall not advance while the peace  
conference is progressing."  
"This would so circumscribe  
our movements that the enemy  
would have ample opportunity to  
prepare forces for a fresh attack  
and would give the allies a chance  
to complete their land and naval  
reinforcements in the event the  
conference failed."

**Reject Terms Proffered.**  
"Regarding the straits, we have  
already admitted freedom for the  
passage of all vessels through the  
Dardanelles, but we are not pre-  
pared to define in what authority  
or body the control shall be vested.  
That question must be settled at  
a conference between the Turks  
and the allies."  
"We also insist that all nations  
having commercial, military or  
other interests in the Dardanelles,  
including Russia and Bulgaria,  
shall participate in the conference."  
"We further insist that Great  
Britain shall suspend all naval  
and military movements in the  
straits during the course of the  
conference."

**Conference in Progress.**  
Constantinople, Sept. 25.—(By  
Associated Press.)—The allied  
high commissioners plan to meet  
today for the purpose of bringing  
together representatives of Greece  
and the Turkish nationalists for  
the conference at Mudania at  
which the terms of an armistice  
are expected to be settled.

Rear Admiral Bristol, com-  
mander of the American naval de-  
tachment in Turkish waters, will  
attend as an observer for the  
United States. The conference will  
examine the present military and  
naval positions of the belligerents  
with a view to immediate cessa-  
tion of hostilities.

**Cabinet to Step Out.**  
Constantinople, Sept. 25.—(By  
Associated Press.)—It is reported  
that the grand vizier has notified  
the Kemalist government that the  
Constantinople government does  
not embarrass Angora and that  
the ministers are therefore pre-  
pared to tender their resignations.  
In this case it is expected Mustapha Kemal will send a governor  
general to Constantinople.

### WRECKED AUTOMOBILE IN SAVING MOTORCYCLE

When about one mile west of  
Salem on the Wallace road yester-  
day W. P. Walter, boys secre-  
tary of the Eugene Y. M. C. A.,  
on his way to attend the  
Y. M. C. A. setting up conference  
held at Wallace farm, in order to  
avoid hitting the side car of a  
motorcycle which had cut in too  
short after passing him, turned  
to the edge of the road, striking  
soft dirt which gave way, causing  
the automobile to turn complete-  
ly up side down in the ditch.

### INQUEST HELD OVER ARGONAUT VICTIMS

Jackson, Cal., Sept. 25.—The in-  
quest over the 47 miners who met  
their death in the Argonaut mine  
disaster was begun today. Many  
prominent persons were subpe-  
naed as witnesses. Mrs. Dolores A.  
Potter, coroner, was assisted by  
District Attorney A. T. Negrich.

The witnesses include E. A.  
Stent, vice-president of the Ar-  
gonaut Mining company; E. C.  
Hutchinson, president of the  
Kennedy Mining & Milling com-  
pany; Fred L. Lowell, of the in-  
dustrial accident commission; H.  
M. Wolfkin, United States bureau  
of mines; V. S. Garbarini Sr., su-  
perintendent of the Argonaut mi-  
ne; Dr. L. H. Duschak, chemi-  
cal engineer of the state industrial  
accident commission; Mrs. Besie  
Wood Gustason, secretary of the  
state board of embalmers, and B.  
I. Hossie, superintendent of the  
Fremont Consolidated Mining  
company.

One of the principal features  
which will be brought out at this  
inquest is the question as to  
whether the fan at the Muldoon  
shaft should have been reversed.

### MRS. TYSON GETS DIVORCE

Mrs. Lethie M. Tyson, wife of  
Joseph B. Tyson, was granted a  
divorce by a decree handed down  
Saturday afternoon by Circuit  
Judge Percy Kelly. The hearing was  
held last Friday.  
Cruel and inhuman treatment was  
charged and Mrs. Tyson testified  
her husband had called her a  
"damn fool," "liar," and other dis-  
tasteful names. He unjustly accused  
her, she alleged, of associating with  
other men.  
Mr. and Mrs. Tyson were married  
in Salem November 10, 1921. They  
have no children. By Judge Kelly's  
decree, Mrs. Tyson's maiden name  
Lethie M. Griffith, is restored.

### DAUGHERTY'S INJUNCTION PERMANENT

Drastic Order Asked  
Against Shop Crafts  
Strike Leaders Put In  
Force.

Chicago, Sept. 25.—The drastic  
temporary injunction order asked  
by Attorney General Harry M.  
Daugherty against shop crafts  
strike leaders was put in force to-  
day by Judge Wilkerson without  
any of its effectiveness being  
modified.

Several slight changes in the  
wording of the order submitted  
Saturday were made by Judge  
Wilkerson to clarify its meaning.  
Judge Wilkerson signed the or-  
der after Donald R. Richberg, de-  
fense attorney, said he was "un-  
able to suggest any form of order  
which would be effective to give  
legal sanction to the exercise of  
an authority which we respect-  
fully urge is not within the power of  
the court."

**Protest by Defense.**  
"To call this proceeding in its  
method and result 'due process of  
law,' to justify the denial of con-  
stitutional rights of the defend-  
ants by this judicial finding based  
on ex-parte affidavits, seems to  
me to disregard the fundamental  
principles of our system of laws,  
as well as to exercise a power spec-  
ifically denied to the federal  
courts by an act of congress pass-  
ed in order to prevent the very  
deprivation of liberty and prop-  
erty which is here accomplished,"  
Richberg said.

"It appears," he added, "that no  
one of the named defendants is  
even charged with the commission  
of any unlawful act, and I am un-  
able to ascertain positively from a  
careful study of the opinion of the  
court just what unlawful acts are  
found to have been done by any  
of the defendants in furtherance  
of an unlawful conspiracy."

**Court Signs Order.**  
"Apparently, however, the court  
has found that there is proof of  
an unlawful conspiracy in the  
large number of unlawful acts  
shown to have been committed,  
and that the defendants are pre-  
sumed to have knowledge that  
these things were done."

Following the short plea by de-  
fense attorneys that the govern-  
ment petition for an injunction be  
denied, Judge Wilkerson denied  
their motion to dismiss, added the  
phrase "with intent to further  
said conspiracy" in several para-  
graphs and signed the order.

The date of hearing for the de-  
fendants not heard in this action  
was set for October 5.

Washington, Sept. 5.—Hearing  
was indefinitely postponed by the  
District of Columbia supreme  
court today on the government's  
motion for dismissal of the injunc-  
tion proceedings brought by the  
International Brotherhood of Elec-  
trical Workers to prevent serving  
of notice of the restraining order  
issued in Chicago by Judge Wil-  
kerson on local striking railroad  
shopmen. The postponement was  
by agreement of counsel.

### ROBBERS ENTER MANSION ENJOY WINE CAROUSAL

San Francisco, Cal., Sept. 25.—  
Four bandits entering the home of  
Louis Girardelli, wealthy choco-  
late manufacturer here, last night  
tied up Miss Noala Jones, a gov-  
erness, imprisoned her in a closet  
and held a wine carousal for an  
hour or more. They were fright-  
ened off by the return home of  
members of the family, leaving  
two sackfuls of silverware behind  
them, according to a police report  
today.

### MUSTAPHA MOVES ON CONSTANTINOPLE

This is the very latest photograph of Mustapha Kemal Bey, leader  
of the Turkish troops, who, having routed the Greeks and burned Smyrna,  
is reported to be moving his immense army against the Allied forces  
holding Constantinople.

### INSANE PATIENT IDENTIFIED AS LOST HOUSEBOAT MAN

Lars Anderson, committed to  
the state hospital for the insane  
here from Columbia county Octo-  
ber 20, 1920, was identified by at-  
tendants at the hospital Sunday  
as the Lars Anderson who disap-  
peared from his houseboat at Port-  
land two years ago. Identifica-  
tion was made possible through the  
publication in Portland papers of  
pictures of the missing man  
after a friend had visited his for-  
mer home and discovered evi-  
dences which led him to suspect  
foul play in connection with An-  
derson's disappearance.

At the time of Anderson's dis-  
appearance neighbors believed he  
had gone back to Norway and  
nothing further was thought of  
his absence until a fellow country-  
man visited his houseboat recent-  
ly and discovered Anderson's  
clothing, receipts for \$900 in lib-  
erty bonds and other evidences  
which indicated that Anderson  
had not planned his disappearance.

This led to suspicions of foul  
play and Anderson's pictures were  
printed in the Portland papers  
leading to his identification.

### COURT DOCKET IS ARRANGED TODAY

Several cases, among them that  
of John Imman, charged with as-  
sault with intent to kill Charles  
Witte, were set by Judge Percy  
Kelly, of the Marion circuit court,  
today. The case against Mr. Imman  
an elderly rancher, will be heard  
October 9 at 10 a. m. He is ac-  
cused of shooting Witte when he re-  
turned to the Imman home, with  
Mrs. Imman, after an absence of  
several months.  
Other cases were set as follows:  
Thursday, October 5, 9 a. m.,  
Copic Service company vs. The  
Capital Journal.  
October 5, 1 p. m., Pugh vs. Mc-  
Farland.  
October 6, 1 p. m., Bones vs. Gore.  
October 11, 9 a. m., Hannan vs.  
Ford.  
October 12, 9 a. m., state vs.  
James Taylor, charged with forgery.  
October 13, 9 a. m., Purdy vs.  
Lachle.

### WILKENS ON TRIAL FOR MURDER OF HIS WIFE

San Francisco, Sept. 25.—Trial  
of Henry Wilkens, garage me-  
chanic, on a charge of murder  
growing out of the shooting and  
killing of his wife, Mrs. Wilkens  
by an automobile handbit on the  
evening of May 30, was started  
today in the superior court.

The first step was the consid-  
eration by the court of a number  
of pleas by members of the jury  
venue that they be excused from  
service for various reasons.

### KUBLI SHARES KLAN EFFORT WITH PIERCE

Ku Kluxers Just as Anx-  
ious to Secure Control  
of Legislature as to  
Elect Governor.

(By Harry N. Crain.)

Aside from their interest in the  
election of Walter M. Pierce to  
the governorship, the Ku Kluxers  
and their political friends in Ore-  
gon are chiefly concerned in the  
new personnel of the legislature  
and the organization of that body  
along lines that will be favorable  
to the long program of legislation  
they have in view. Their efforts  
to prevent the re-election of Gov-  
ernor Olcott are no more deter-  
mined than the attempts they are  
now making to control the legisla-  
ture.

First and foremost they desire  
to organize to their own liking  
the house of representatives, and  
their preliminary work in this di-  
rection has been successful in far  
greater measure than is generally  
understood. They stand an excel-  
lent chance of seating K. K. Ku-  
bli, of Multnomah county, in the  
speakers chair, despite the com-  
bined opposition of the forces of  
T. B. Kay, Denton Burdick and  
Herbert Gordon, Kubli's three op-  
ponents for house leadership. To-  
day Kubli claims 25 of the 31  
votes necessary to elect pledged to  
him in writing. He also lays  
claims to verbal contracts with  
sufficient other representatives to

### STATE FEDERATION OF LABOR OPENS 1922 CONVENTION

With the credentials of 102 de-  
legates on the table the annual con-  
vention of the Oregon State Fed-  
eration of Labor opened its sessions  
in the Salem labor temple at 11  
o'clock this morning and adjourned  
at noon after having listened to  
four speakers and heard the com-  
mittee appointments for the ses-  
sion.

The original program called for  
addresses by Governor Olcott, Wal-  
lace Pierce and State Labor Com-  
missioner Gram, but absence from  
the city of Governor Olcott and Mr.  
Gram necessitated postponement of  
this part of the program until later  
in the convention.  
C. O. Young, fraternal delegate  
from the Washington State Fed-  
eration of Labor, sounded the warn-  
ing note to the delegates against all  
forms of radical action and urged  
them in their deliberations to keep  
the "natural laws" governing hu-  
manity in sight at all times. Mr.  
Young declared that both the rail-  
way shopmen's strike and the walk-  
out of the coal miners had been  
complete successes, in that they had  
achieved their original aims.  
Other speakers this morning were  
W. H. Fitzgerald, deputy state la-  
bor commissioner, O. P. Hoff, state  
treasurer, and Mayor Geo. E. Hal-  
vorsen, who welcomed the delegates  
to the city.

This afternoon the session open-  
ed at 2 o'clock and faced the busi-  
ness of hearing the resolutions, a  
score of which were already on the  
program and others were being pre-  
pared. This evening there will be a  
special meeting at 8 o'clock.

Tomorrow morning the delegates  
go by auto caravan to Corvallis,  
where they will hold a business ses-  
sion in the morning and will inspect  
Oregon Agricultural College in the  
afternoon.

### Jacques Villard Cuts Throat

ST. LOUIS, Mo., Sept. 25.—  
(By the Associated Press.)—Jac-  
ques Villard, editor and language  
teacher, for whom a nation-wide  
search was conducted when he  
was kidnapped in Chicago in De-  
cember of 1920 and held for ransom  
committed suicide today by  
cutting his throat. He was 40  
years old.

### KIDDIES ENJOY SIGHTS OF FAIR OPENING DAY

Sunshine, Blue Skies And  
Great Crowd Gives  
Promise of Smashing  
All Records This Week.

Sunshine, blue skies and thou-  
sands of persons were present to-  
day at the formal opening of Ore-  
gon's sixty-first annual fair and  
officials predicted this afternoon  
that the exposition will, in every  
phase, prove unprecedented. Yes-  
terday's crowd, it was announced,  
was 20 per cent larger than any  
Sunday attendance in history.

Not alone in attendance, how-  
ever, will this year's fair be a re-  
cord breaker. Never have so many  
special features been arranged for  
the entertainment of the public.  
Never have the exhibits been so  
large and so numerous, never have  
the stock barns been so jammed.  
Today the final touches are being  
placed in all departments and to-  
morrow's crowds will see the fair  
at its best.

**Today Children's Day.**  
Today was children's day and  
youngsters took advantage of the  
privileges accorded them. All  
boys and girls under 12 years of  
age were admitted to the grounds  
free if accompanied by their par-  
ents, and they filed through the  
gates throughout the morning and  
afternoon. During the morning  
the crowds held largely to the  
buildings in which exhibits were  
offered, but shortly after noon  
they turned toward Lone Oak  
track for the racing program. At  
2 o'clock the "straight-jacket  
queen" gave an exhibition in front  
of the grandstand.

Sixteen counties are competing  
for honors in the agricultural pa-  
villion and their exhibits are the  
finest in years, according to W. A.  
Taylor, superintendent of the  
building. It was necessary to re-  
fuse exhibits from both Multno-  
mah and Umatilla counties, he  
said, due to the fact that no more  
space was available.

**Sixteen Counties Exhibit.**  
Sixteen counties also were rep-  
resented in the agricultural pavil-  
lion last year. This year the judg-  
ing probably will not begin until  
the middle of the week.

Indications are that the floral  
exhibit, under the direction of  
James Forbes of Portland, will be  
the largest in history. Between  
25 and 30 professionals will have  
displays and about 15 amateurs  
will enter, Mr. Forbes said. The  
flower showing is to be made in  
the center of the agricultural pa-  
villion.

Already more than 2000 persons  
are registered at the state fair  
camp grounds and Albert Tozier,  
mayor, estimated this afternoon  
that \$500 will be registered by  
Wednesday. More reservations  
have been received this year than  
ever before, he explained. Last  
year about 3000 persons were at  
the camp during the week.

Tonight the crowds will be en-  
tertained by a radiophone concert  
and a band concert by Stouden-  
meyer's musicians. At 8 o'clock  
the horse show will be opened and  
at 8:30 there will be a display of  
fireworks in front of the grand-  
stand.
