

### BEARCATS SHOW GOOD PROSPECTS IN ALUMNI GAME

The Willamette university eleven, although showing weaknesses which will be largely overcome by practice, defeated the alumni team Saturday afternoon on Sweetland field, 12-7. At times the pep and confidence of a team which had met and defeated several prominent eleven was in evidence.

The features of the games were the punts of Patton, averaging only about 35 yards, but high enough to give the ends a chance to get down the field by the time the pigskin came down, and the plunges of Zellar. Both teams made their scores in the first half.

#### Zellar in Old Form

The alumni eleven kicked off with Zellar receiving the ball and running it back about 39 yards. The Bearcats were all performing in mid-season style and yardage was made easily. In a few minutes the ball had crossed the line for the Bearcats' first touchdown. The ball was then, according to the new ruling, placed in scrimmage on the 15 yard line for the place kick. The boot failed to convert the point. Again aided by consistent playing of Zellar and Isham and, recovering an alumni fumble, the varsity pushed the ball to within six inches of the line when the first quarter ended. The ball was put over the line for the second and last touchdown for the Bearcats on the first play. The place kick from scrimmage failed.

The alumni counted a few minutes before the end of the second quarter by recovering a fumble made by a member of the varsity eleven and by making a series of end runs and line bucks. "Tuffy" Irvine sent the ball through the standards. The rest of the game found the ball in the middle of the field most of the time with neither side getting closer than the 20 yard line.

#### Bohler Works Subs

A number of substitutes were made by Coach Bohler in an effort to determine the best combination. A few of the men are freshmen but are showing a great deal of promise. Booth, at full, Stolzeheise at right tackle, and Jones at right guard, are the most promising of the babes.

For the alumni Rarey playing at right half showed his old pep and go. Wapato, playing right tackle, was practically out of the game as far as the number of plays he had to stop going his way. The varsity was wise to try getting around him many times.

#### Oregon Game Next

Bohler will now be able to work off some of the edges this week and when the team meets Oregon at Eugene next Saturday it is thought that a stiff battle will be given the honor yellow.

The Bearcat lineup Saturday was: Patton, rg; Stolzeheise, rt; Jones, rg; White, c; Oliver, lg; Daggot, lt; Cafey, le; Bain, q; Zellar, lb; Isham, rb; Booth, f. Substitutions were: Caughlin for Isham, Cramer for Booth, Booth for Cramer, Skirvin for Oliver, Bird for White, Duxnette for Caughlin, Logan for Carey.

The alumni lineup was: Gansans, le; H. Rarey, lt; Sparks, lg; McIntyre, c; Nickel, rg; Wapato, rg; Jackson, re; Hendricks, q; Rarey, rb; Irvine, lb; Olson, f. Substitutions were: Taylor for Sparks, Gosner for McIntyre.

### KEMAL KISSES FRENCH ENVOY ON BOTH CHEEKS

Constantinople, Oct. 2.—(By Associated Press.)—When M. Franklin Bouillon, the French envoy, arrived at Smyrna, he was met in the harbor by Mustapha Kemal Pasha, who saluted him and kissed him on both cheeks.

After a further exchange of amenities, the pair went ashore and held a long conversation in the house in which former King Constantine of Greece resided during his visit to Smyrna last year.

"You have been a long time coming," Mustapha Kemal told his visitor. "I have purposely delayed my return to Angora to discuss the present situation with you."

Advises from Adana yesterday said Mustapha Kemal and M. Franklin Bouillon were leaving for Angora. The French envoy is to urge upon the Turkish nationalist chief the necessity of retaining his forces in Asia Minor until peace terms are decided upon, meanwhile avoiding a clash with the British.

### RESISTS ARREST SHOT TO DEATH

Portland, Or., Oct. 2.—Hall A. Matsson, 27, laborer living at the Fremont hotel, 42 Fremont street, was shot and killed yesterday in his room by Vane H. Seely, 25, 1965 East Thirty-second street, North, a special watchman of the O.W. R. & N. company.

Police learned from Seely that he was about to place Matsson under arrest when the latter drew a .38-caliber automatic pistol and pointed it at him. Seely, who feared treachery, said that he fired two shots quickly at the other, but did not remember shooting more. His revolver, however, had been fired four times, and five bullet holes were found in Matsson's body.

Captain of Inspector Harms, accompanied by Inspectors Gordon, Welch and Howell, arrested Seely and held him in jail pending outcome of an inquest. Their reports were non-committal and they refused either to criticize or to defend Seely's action, saying that if there were any, should be determined by a jury after facts had been sifted.

#### SMITH IS GIVEN 60 DAYS

Archie Smith, charged with larceny in a building, pleaded guilty when he was arraigned in the justice court before Judge G. E. Unruh Saturday afternoon and was sentenced to serve 60 days in the county jail.

Smith, accused of breaking into a gasoline station on the Jefferson road, was arrested by Constable Walter DeLong.

### REFUGEES LIKELY TO PERISH UNLESS AID IS PROMPT

Constantinople, Oct. 2.—(By Associated Press.)—Wireless dispatches to the American embassy and reports received by the Associated Press from Smyrna, Saloniki, Rodosto and the islands of Mytilene and Chios show that the thousands of refugees are in danger of perishing if assistance does not arrive promptly.

Conservative estimates place the number of sufferers at four hundred thousand. The Greek revolution has resulted in utter administrative chaos and a complete break down of all the normal processes of life. A message from the American relief workers on the islands of Mytilene says:

"The situation is desperate. Refugees, crazed by hunger, are throwing themselves into the sea. There is no bread on the island. Rush eight hundred tons of flour immediately. The Americans are

struggling to look after 150,000 refugees. Thirty thousand more are expected today."

A wireless message from Commander Powell of the American destroyer Edsall at Smyrna says: "Americans evacuated 31,000 (refugees) today. Total for two days, 74,000. Between 20,000 and 50,000 are in the immediate vicinity. Expect more ships tomorrow."

## Baking Powder—that's the big thing in successful baking

It determines failure or success in baking, more than any other ingredient.

If you do not always have satisfactory bakings, change to Calumet for just one trial.

It is pure: containing only such ingredients as have been officially approved by U. S. Food Authorities.

Within the Calumet factories—the largest and most sanitary on earth—hundreds of skilled workers clad in white are busily engaged in producing the baking powder that is used by millions. Human hands never touch it. Its sale is 2½ times as much as that of any other brand. Pure in the making—pure in the baking.

A pound can of Calumet contains full 16 ounces. Some baking powders come in 12 ounce instead of 16 ounce cans. Be sure you get a pound when you want it.
