TOWN BURIED SINCE FRIDAY UNDER WATER

Bella Coola River In British Columbia Out Of Banks; No Loss Of Life Reported. Vancouver, B. C., Oct. 4.—Bella Coola, a town of 175 inhabitants on the north coast of British Columbia, was completely submerged in a flood from the Bella Coola river last Friday and is now covered to a depth of from four to six feet by mud and water, according to advices received here today. Many residents are homeless but no loss of life has been reported. Other towns along the river are believed to have suffered from the flood which followed a heavy downpour of rain. The rain continued until Saturday morning. A log jam that gathered in the river a short distance above Bella Coola was said to have diverted and checked the main flow of the flood, saving the town from destruction.

WARDING WOULD MAKE RAILROAD PAY ATTRACTIVE

Detroit, Mich., Oct. 4.—President Harding "believes that the railroad worker is of such importance in our national existence that his wages and the condition under which he works should be such as to make his employment so attractive that strikes will be impossible." Secretary Davis of the labor department declared here today, in addressing the convention of United Brotherhood of Maintenance of Way Employees and Railway Shop laborers. The secretary also advocated a saving wage for the "American Worker." "More and more American employers are seeing the wisdom of a saving wage," he continued. The president voiced his views as the workman's lowest wage must be enough to make his home, enough to insure that the struggle for existence shall not owe out the things worth existing for."

INDIAN CONFESSES TO MURDER BUT IS FREED

The Dalles, Ore., Oct. 4.—Columbia Jack, an Indian who had pleaded guilty to complicity in the killing of Jim Starr, a fellow tribesman, was freed today, having been freed loose by Judge F. W. Wilson of the Wasco county circuit court yesterday. Judge Wilson said it would be a travesty on justice to send Canada back to prison when two other Indians involved in the affair, whom the judge said were more guilty than Jack, had been acquitted of manslaughter charges. Judge Wilson said that while Jack had entered a plea of guilty he believed there was no pressure behind the plea.

COMMERCIAL CLUB HERE MAY CHANGE ITS NAME

Next Wednesday evening members of the Salem Commercial club will decide whether or not they wish to change the name of their organization to the "Salem Chamber of Commerce." "Salem is the only town of any importance in the valley that has not a chamber of commerce," Robert Duncan, manager, explained today. "McMinnville, Albany, Corvallis, Eugene, Medford, Ashland—all have chambers of commerce. Corvallis changed the name of its body about six months ago. All of the inquiries from the east and middle west coming to our city are addressed to the chamber of commerce." If the name is changed, Mr. Duncan explained, it will not in any way affect the activities of the club.

NOT GUILTY SAYS INDIAN

Phillip Warren, Accused of Murdering Federal Prohi Agents To Face Trial October 9. Dallas, Or., Oct. 4.—(Special.)—Not guilty was the plea entered by counsel for Phillip Warren, Grand Ronde Indian, accused of the murder of Grover Todd and Glen L. Price, federal prohibition agents, on the morning of September 4, when he was arraigned this morning before Judge Harry H. Belt, of the Polk county circuit court, to answer to two indictments returned against him by the grand jury yesterday. Judge Belt set October 9 as the date for the opening of Warren's trial.

The indictments returned against Warren yesterday both charge first degree murder and are identical in their provisions, except that one charges the murder of Todd and the other the slaying of Price. SILVERTON HIGH PUPILS PARADE AND MAY STRIKE

Silverton, Or., Oct. 4.—Threatening to strike unless the action of the school board, taken last night, prohibiting the student body of the high school from charging admission to athletic contests held on school property, was rescinded, the high school students today paraded the streets of Silverton in a demonstration against the order. The marchers carried placards and banners voicing protests against the order of the board. Following their demonstration the students agreed to return to their class rooms until tomorrow pending a decision by the board on their protest. This order of the board, coupled with another which refuses school credit for athletics, would completely kill athletics in the school the students declare.

FIRST BEARCAT PLAYER INJURED

The first accident of the season to the Bearcat football squad occurred last night when Kermit McCulloch, a freshman whose home is in Joseph, Oregon, in attempting to block a runner slipped and fell so that his face struck on the knee of the player to be blocked. The left cheek bone was crushed. The nature of the injury is almost exactly the same as was suffered by Ralph Barnes last year in practice scrimmage. It is said. Coach Bohler was drilling the men on blocking, having three men trying to get the three others when the accident occurred. Members of the squad said it was an accident pure and simple. McCulloch was taken to the Deaconess hospital where Dr. C. W. Southworth and Dr. M. C. Findley set the bone. This morning "Mac" was resting easily.

"We are in the field this year with a high class organization of football players consisting of ex-college stars, and we would like to arrange games with some good semi-professional aggregation about the city," says the fall announcement.

RUSSIA MAY BE FACTOR IN PACT

Constantinople, Oct. 4.—(By the Associated Press)—Russia loomed on the horizon today for the first time as likely to prove an important figure in the settlement of the Turkish problem. Should Mustafa Kemal pasha succeed in obtaining from the allies pledges for eventual fulfillment of the so-called national pact, including control of the straits and modification or annulment of the capitulations it is said he will attempt to abrogate the treaty made with the soviet foreign minister, M. Tchitcherin, in Moscow on March 16, 1921, which permits the soviet and the Black Sea countries to share in the control of the straits.

Abdication Papers Lost

Athens, Oct. 4.—(By Associated Press.)—Constantine's act of abdication has disappeared. Constantinople, Oct. 4.—The Turkish nationalists have accepted in principle the allied note regarding the Near Eastern settlement, it was announced this forenoon. A communique issued by General Harington, the British commander in chief, regarding the Mudania conference, which he is attending, says the conference is proceeding satisfactorily and that Ismet Pasha, the nationalist representative, has re-issued orders to the nationalist troops to avoid all contact with the British. The French official communique says: "The preliminary meeting of the allied generals was held at Mudania yesterday morning and ended with the draft of the protocol. Thanks to the conciliatory disposition manifested by both sides there was no difficulty in reaching an agreement as to the majority of the clauses on a basis for the peace conference. "The meeting ended at 8 p. m. and resumed this morning at 10. During the interval the allied generals exchanged views in order to examine the non-fundamental objects of the Turkish delegates. The general impression is very satisfactory. The arrival of the Greek military mission, including Colonels Platiras and Sarriyannis, is expected this morning. "Thrace Claim Favored. The joint allied note to Mustafa Kemal Pasha, the Turkish nationalist leader, was dispatched September 23 from Paris, signed by Premier Poincare for France, Lord Curzon for Great Britain and Count Sforza for Italy. In it the three allied governments invited the Ankara assembly to a conference at Venice or elsewhere with plenipotentiaries of Great Britain, France, Italy, Japan, Roumania, Jugo-Slavia and Greece, with the object of negotiating and consolidating a final

Last Money Is Lost By Widow; Help Is Sought

Mrs. Cox, the mother of five children, the oldest of whom is 11 years old and the youngest two months, was left a widow several weeks ago and rather than seek outside assistance has been supporting herself and family by working in a local cannery. During her work she was slightly injured in a fall and was only able to be away from the house Monday. She had just cashed her compensation wage check and was intending to pay off some of the bills contracted during her illness, when she found that she had lost her money. She realized that she was fighting a losing struggle and appealed to Dr. Morris to aid in some way. "The fact that she has been endeavoring to support herself and family rather than seek outside aid marks her as a very worthy woman," Dr. Morris said. "Whenever found the money would be doing an untold kindness in returning it to her or leaving it with me to be delivered."

Next Wednesday evening members of the Salem Commercial club will decide whether or not they wish to change the name of their organization to the "Salem Chamber of Commerce." "Salem is the only town of any importance in the valley that has not a chamber of commerce," Robert Duncan, manager, explained today. "McMinnville, Albany, Corvallis, Eugene, Medford, Ashland—all have chambers of commerce. Corvallis changed the name of its body about six months ago. All of the inquiries from the east and middle west coming to our city are addressed to the chamber of commerce." If the name is changed, Mr. Duncan explained, it will not in any way affect the activities of the club.
