

CONFIRMATION ORDER DELAYED STILLMAN CASE

White Plains, N. Y., Oct. 4.—(By Associated Press.)—Supreme Court Justice Morschauer today reversed decision on an application for confirmation of the report made by Referee Gleason in the Stillman divorce case.

Justice Morschauer, who announced that he would make his decision known before next Friday, added that he was ready to confirm the report today, but that counsel for Mrs. Stillman had asked him to take his time so that if the banker carried the case to the appellate division, it could not be there affirmed that the report had been confirmed without careful study of the report and evidence.

The application was made by Mrs. James A. Stillman, who was cleared in the report of charges of adultery with Fred Beauvais, Indian guide, and joined in by John E. Mack, guardian for baby Guy Stillman, whose legitimacy was upheld.

It was explained that by rendering his decision before Friday, Justice Morschauer would render unnecessary similar hearings scheduled for that day at Poughkeepsie and Nyack.

Operation To Cure Bandit of Criminal Tendencies Sought

Roy Gardner

Leavenworth, Kan., Oct. 4.—Mrs. Dolly Gardner, wife of Roy Gardner, notorious bandit, is today anxiously waiting word from Washington as to whether the government will permit an operation on her husband, who is confined in the federal prison here. Attorney General Daugherty, it is indicated, may announce some time today whether an operation on the brain will be permitted to relieve a supposed pressure which is said to cause Gardner's criminal tendencies.

Mrs. Gardner arrived yesterday from California to be present at the operation and was disappointed when she learned that the permit had not arrived. She was allowed to visit her husband and later indicated her intention of remaining here to be near him.

"Although I was disappointed when I learned the permit for the operation had not been received, I have not given up hope," Mrs. Gardner said. "I cannot see why the government will not permit it. It certainly will not make Roy any worse, and if it accomplished his reform he would be the gainer."

BENGAL FLOODS TAKE MANY LIVES

Calcutta, Oct. 4.—Floods in northern Bengal have taken an enormous toll of life, according to passengers on the first train to reach here from Darjeeling in eight days.

It is impossible to estimate the extent of the disaster at present, but the travelers estimate that several thousand persons have been drowned in the affected area and that other thousands have been made homeless and destitute, and valuable crops destroyed. The floods are said to be the worst in the history of Bengal. An outbreak of cholera is adding to the difficulties of the relief workers.

EARLY CROWDS AT GATES IS SMALL

New York, Oct. 4.—Only 30 persons were lined up before the gates at the Polo Grounds at midnight. In past years a considerable crowd assembled before the gates early in the evening preceding the opening of the world series and remained in line until the tickets were placed on sale at 10 a. m.

Bernard Bergman of Brooklyn, who reached the Polo Grounds at 4:30 o'clock yesterday afternoon, held first position in the line, and Leslie Carpenter, 16, an office boy, was second.

Most of the early arrivals carried a soap box or camp stool, while several spread newspapers on the ground and attempted to sleep.

Tonight, Thursday night and Friday night the county clerk's office will remain open until 8 o'clock, according to U. G. Boyer, county clerk. The extra hours are added by Mr. Boyer to accommodate those persons who have not yet registered and who cannot appear earlier in the day. Registration closes Saturday night at 5 o'clock.

The republicans appear to have been successful in the Encyclopedia Britannica.

NEW YORK TAKES SERIES CALMLY

Polo Grounds, New York, Oct. 4.—New York's two ball clubs—the Giants and the Yanks—engaged today in their second family fight for the honors of the annual world's series. Thirty-five thousand spectators, made up of local citizens, with hundreds from out of town points flocked to the grounds to see the embroglio between the winners of the National and American leagues renewed.

It was an ideal day for the game. A coppery sun glowed in a cloudless sky and there was a mid-summer warmth in the October air. "If this weather holds we shall see some pitching," said Bob Shawkey, the Yankee hurler, "for you can't beat the old sun for oiling up soupbones."

New York took its local world's series calmly. A New York team was bound to win anyhow, and there was no mad rush for the unreserved sections in the upper grandstands and bleachers. There was plenty of room for the early comers and there were seats to spare at noon.

Of course, the usual brass band was on hand to keep the early comers in good humor. Nick Altrock and Al Schacht did their baseball clowning acts before the game.

The Near East seems to be getting closer all the time.
