### GREEKS ALARMED BY PEACE TERMS MUDANIA MEET

Athens, Oct. 5.—(By Associated Press)—Consternation was caused here by a Constantinople wireless picked up late last night by a local station purporting to give the armistice conditions arranged by the Turks and the allies of the Mudania conference.

The conditions outlined in the message including the occupation of eastern Thrace by allied forces and Turkish gendarmes up to the line of the river Maritza and evacuation of the province within 16 days by the allied fleets would blockade Greece.

Government officials declare the Greek delegates have not yet had an opportunity to present their views at Mudania, and efforts to confirm the report is being ahead. It is reported that the officials are considering an appeal to the United States for assistance in obtaining a just solution of the Thracian question.

The Mudania conference is being watched by the Greeks with mingled fears and hopes. To save Thrace, dethroned Constantine, cost the government and punish those who incapably governed Greece the past was the popular basis of the recent revolution. It will be exceedingly difficult for those now governing Greece to tell their followers that the retention of Thrace cannot be realized.

### KLAN ATTORNEY FILES FOR MAYOR

Medford, Or., Oct. 5.—Due to last-minute filings on October 3, the courts probably will have to decide whether George A. Coddling, attorney for the Ku Klux Klan, is a candidate for mayor and P. W. Harrison a candidate for city councilman. Coddling's candidacy was filed at 11:45 last night at City Recorder Alford's home and Harrison's candidacy was filed at 4:30 o'clock yesterday afternoon.

According to City Attorney Means the time for filing candidacies expired on October 2, 23 days in the clear before the coming election November 7. The Cod-

ding and Harrison filing delegations contend that the 25-day limit must include October 3 and October 21. The state attorney general may be appealed to for an opinion and the Coddling and Harrison petitioners may begin mandamus proceedings in circuit court to have their candidates' names placed on the election ticket.

If Coddling's petition is admitted Medford will have four candidates for mayor at the coming election—Earl C. Gaddis, heading the business men's ticket; Benjamin P. Lindsa, heading what he calls the progressive citizens' ticket, and John M. Root, who is running alone.

### IMPERIAL WIZARD OF KLAN QUILTS

Atlanta, Ga., Oct. 5.—Edward Y. Clarke, acting imperial wizard of the Ku Klux Klan, has resigned because of hostility of persons antagonistic to the organization.

The imperial palace has announced that William Joseph Simmons, who was forced to give up active direction of the Klan on account of ill health, will again assume charge when Clarke quits November 10.

In his statement explaining his resignation, Clarke declared that "I do not intend to seek the post," and implies that the "persecution," "public scorn," and "personal hatred" of those who sought to "wreck" the order caused his retirement.

He will retain his membership in the Klan, he said.

### GERMAN STEEL BARRED

Solingen, Rhensish Prussia, Oct. 5.—The United States has ceased to be one of the German steel industry's most lucrative markets, as the sudden enforcement of the new tariff has not only resulted in heavy cancellation of orders, but is making itself felt in the conspicuous absence of fresh demands from America for finished steel products.

Up to a short time ago, half of the Solingen output was consigned to the United States.

Constantine's mistake was in not stopping the Turks with an injunction.

At the close of the Crater Lake season last week 9161 cars had entered the park and 32,192 persons registered, breaking the record of all previous seasons.

### Pearce Divorce Suit

Suit has been brought in the circuit court by Maybelle Pearce asking for an absolute decree of divorce from David Pearce. Mrs. Pearce charged cruel and inhuman treatment, and alleges that Pearce was possessed of a most violent temper, cursing and swearing at her and also appropriating money that she had earned by working. The couple were married at Vancouver, Washington, June 27, 1921, and no property rights are involved in the suit.

You wouldn't expect humor in a dictionary, but it defines "allies" as persons or state united.

The behavior of some unusually smart children indicates that they seldom smart in the right place.
