PREPARATIONS FOR ENDOWMENT DRIVE RUSHED

A staff of fifteen women are now employed by the Onward Willamette movement with headquarters on the third floor of Waller hall writing thousands of letters, checking stencils, and doing everything possible to have things in readiness for the launching of the campaign for a million and a quarter dollars for the university on Sunday, October 22.

Four dates are of special importance, according to members of the campaign staff. On Tuesday, October 10, the southern district of the Oregon Methodist conference will meet at Eugene to outline the organization of the district for the campaign. On Tuesday, the week following, October 17, the eastern district will meet at The Dalles. Wednesday, October 18, has been the day selected for the Portland district to plan their organization. The day following, Thursday, October 19, the Salem district will meet in Salem to lay plans. From Sunday, October 22, to Sunday, November 19, the time will be spent in organizing the different localities. On that Sunday a review of the organization as ready for the work will be gone over in the various churches and from then until the closing day, December 20, an intensive campaign will be under way.

The general education board known as the Rockefeller Foundation has pledged itself to give three hundred fifty thousand dollars for endowment if the school will raise the rest. Two large gifts of a hundred thousand dollars each have also been subscribed. This money is pledged, however, on the condition that the whole amount be raised by the night of December 20.

There are already a number of men in the field to lay the foundation for the raising of the money. A large mailing list is being collected and publicity will soon go out through the mails to thousands of people in Oregon.

The general committee chairman of the campaign is R. A. Booth of Eugene. An executive committee is handling the details of the work. This committee consists of E. S. Collins, Bishop W. O. Shepard, B. L. Steeves, C. P. Bishop, A. M. Smith, J. H. McNary, Paul Wallace, W. W. Youngson, A. A. Lee, James W. Crawford, J. W. Day, O. C. Bortzmeier and C. G. Doney.

At a meeting of the men's glee club of Willamette university held this week, Jack Vinson, sophomore, was elected to be president for the coming year. Edward Warren was elected manager and Roy Skeen, secretary.

A three weeks itinerary is being planned by Manager Warren which will include Oregon City, Portland, points in Washington and Dallas. Last year the club toured the northern part of the state as far as Athens and then crossed into Washington before they returned. One contract has already been placed, according to Mr. Warren, with the Ellison-White Lyceum company, the concert to be given February 17 in the Lincoln high school auditorium.

The members of the club who are now daily rehearsing under the direction of Professor H. Hobson are: Tenors—Marsters, Beckendorf, Grallap, Brock, Williard, Warren, Dwight, H. Carey, Skeen, Burleson, Huston and J. Vinson; bass—McKinney, Krings, Phillips, Hiatt, Bolton, King, C. Oliver, Park, Spencer, Elery, V. Anderson and Blenkinsop. But eleven of the men will make the trip.

Seventeen out of 31 Linn county boys and girls have received their eighth grade diplomas as a result of examinations held the first of this month.

BOARDS MAY PROVIDE OUTSIDE EDUCATION

School boards in districts in which school has been suspended may arrange for the education of the children of the district in the schools of any other district, either within or outside the state, according to an opinion written for J. A. Churchill, state superintendent of public instruction by Attorney General Van Winkle.

The authority of the school board in such cases the attorney general points out extends to the payment of tuition, the transportation of the pupils to and from school and the payment of board and lodging for the pupils in lieu of the transportation if in their discretion this latter arrangement is preferable.

New York, Oct. 6.—Directors of the Standard Oil company of New York today declared a stock dividend of 200 per cent, increasing the capital from \$75,000,000 to \$225,000,000, and reducing the par value of the stock from \$100 to \$25.

PARIS IN DARK AS TO TREND OF PEACE PARLEYS

Paris, Oct. 6.—(By Associated Press.)—The Near Eastern situation is again causing uneasiness. The Quai D'Orsay is in the dark as to the latest development at the armistice conference in Mudania, its only information being contained in press dispatches from London.

Nothing has been received from the Near East except a long mutilated wireless dispatch from M. Franklin-Bouillon, filed on Wednesday. Due to the errors in transmission little could be made of this, but the French envoy appeared to suggest that Brigadier General Harrington's personal predilections were cramped by his limited instructions from the British government.

Some alarm was caused by a report that the Greeks have dispatched two trainloads of troops from Saloniki to Adrianople, the capital of eastern Thrace. Dispatches from General Pelle, French high commissioner in Constantinople, represent the Greek attitude in unfavorable light. In authoritative quarters it is said probable that Premier Poincare will call the attention of the former Greek premier, M. Venizelos, and the new premier, Politis, both of whom are in Paris, to the imprudence of such measures as the reinforcement of the Greek army in Thrace, which could be of no practical result and would be bound to cause further strife.
