

WHITES FLEE FROM VICTORIOUS SOVIET ARMY

Tokio, Oct. 20.—(By Associated Press.)—General Dieterichs and all his officers who are able to reach Vladivostok in their flight before the victorious reds will embark on transports for China on October 20, according to official dispatches received today from Vladivostok.

The administration of the city, pending the entry of the red forces of the Far Eastern republic, will be left in the hands of the municipal assembly. Committees have been organized to maintain order and to protect life and property until the arrival of the Chita, or red troops, who are reported approaching Vladivostok.

Representatives of the Chita government of the Far Eastern republic have promised that outrages will be guarded against, but that all persons suspected of having participated in the anti-red revolution of March, 1922, will be punished.

The civil government at Vladivostok has refused to take over the arms and ammunition held by the Japanese, who are arranging for their disposal in conferences at Tokio with Charles B. Warren, American ambassador and Sir Charles Elliot, the British ambassador.

Japanese officials have expressed the opinion that the one American cruiser, one British cruiser, two Japanese destroyers and three Japanese destroyers in Vladivostok harbor will insure the safety of foreigners, among whom are approximately 50 Americans.

CAN DELAY TRIAL FOR FOUR YEARS

Seattle, Wash., Oct. 20.—Captain Robert Rosenbluth and Sergeant Roland R. Pothier, under arrest in the east accused of the murder of Major Alexander P. Cronkhite, may by appeals on whether the federal courts have jurisdiction delay trial four years, according to United States District Attorney Thomas Reville of this city.

Mr. Reville, who was in charge of the grand jury that indicted Rosenbluth and Pothier at Tacoma, said that if the question of jurisdiction was not raised, the government would have the defendants removed to Tacoma at once. He explained that if the court in New York decided that the federal tribunals had jurisdiction, the defendants could go to the circuit court of appeals and then to the supreme court.

WHITMAN LOOKS FOR VICTORY IN OREGON CONTEST

University of Oregon, Eugene, Oct. 20.—(Special.)—Twenty-two athletes, accompanied by Coaches Huntington and Spellman and Trainer Hayward, left Eugene Wednesday morning for Pendleton where the Oregon varsity football team will clash with Whitman college eleven today.

While the Oregon varsity squad is far from being in tip-top condition several star players who did not play in the Multnomah game last Saturday have recovered from injuries and will be in condition to play against the Missionaries. The backfield has been bolstered by the return of Quarterback Chapman and Halfback Gram and "Tiny" Shields and "Chuck" Parsons will go into action on the line. None of these stars played in the Multnomah walkaway last Saturday. Huntington is taking two teams along to meet any emergency and to spare his regular varsity should Whitman prove weaker than is expected.

Coach Huntington looks for a hard contest. Coach Borleski gave the Multnomah-Oregon game the once over and according to reports expects his men to win by a safe margin in the coming contest.

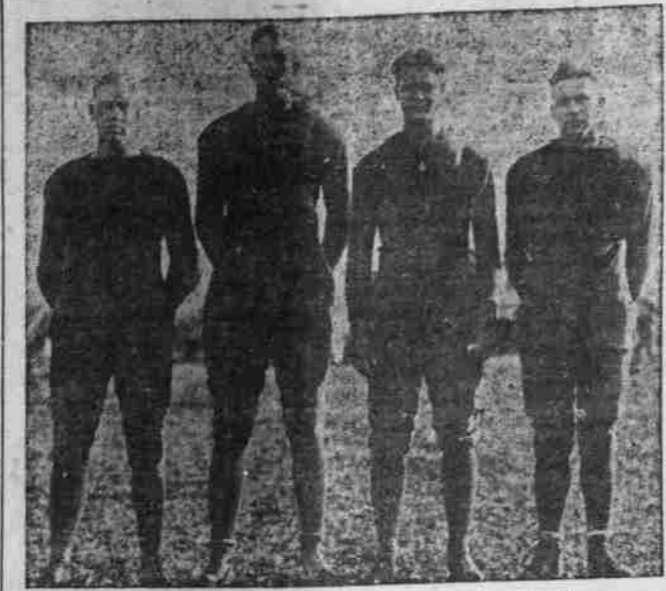

Eastern Oregon football fans by the hundreds are expected to gather at Pendleton for the game and the Roundup city has made extensive preparations for a rousing Oregon rally over the week-end. Scores of university students and townspeople are leaving Thursday for Pendleton to see the game and take part in the festivities which have been arranged.

Didn't Know His Brother

"My brother got so bad with stomach and liver trouble that when I saw him after a year I didn't know him. He was emaciated and yellow as a pumpkin and was often in great pain. He couldn't have lived long the way he was going. Doctors and medicine gave him no relief. I picked up a little booklet on Mayr's Wonderful Remedy, which he said described his case perfectly. The first dose of it gave him great relief and in a month he was good as ever." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis.
