GRANT JUNIOR HI DEFEATS M'KINLEY IN LAST HALF

As plucky and hard fought a game of football with all the feelings of rivalry, was played on the Willamette university athletic field between the Grant junior high and the McKinley junior high school elevens yesterday with the former squad winning in the last quarter 7-0. The Grant team was the heavier and were on the offensive most of the game. Only once did the McKinley lads become dangerous and then it looked like a touch-down. They worked the ball to within one foot of Grant's goal in the second half but did not have the punch to put the ball over. It apparently did not enter the minds of the Grant team that a kick was the best play or else they threw discretion to the winds for as soon as they got the ball they started to tuck it back. Jones carried the ball on the first down and came within an ace of being thrown behind the line for a touchback. He got away in some way however, and placed the ball about two yards away from the goal. From then on it was McKinley on the defensive. Twice the Grant boys worked the ball to within 20 yards of the goal but were to try a drop kick. For a junior high player the kicks were well made but missed the posts by inches. In the last of the third quarter the eventual winners worked the ball within 11 yards of the goal and early in the next period on the last down they carried the ball over. The goal kick was converted. The stars of the game were Ronald Montgomery, quarter, and Jones, left half, Montgomery showed up on his line plunges and Jones on the end runs. Jones is the brother of Lynn Jones, the star tackle on the Salem high school team.

Powell Succeeds Callaway. When Callaway was succeeded by Powell and the present day leaders began to come into the limelight of klan activity the organization was reputed to have in the neighborhood of 2000 members, recruited principally from among the Orangemen and A. P. A.'s, the anti-Jewish factions and the Scottish Rite Masons. The following partial membership list of the klan in Portland, revealing the names of many klanmen enrolled by Powell during July and August, 1921, was seized in the raid on the Pacific coast headquarters of the Ku Klux at Ingleswood, Cal., by operatives from the office of District Attorney Woolwine of Los Angeles county and indicates to some extent the diversity of interests represented in the klan. The list includes persons in almost every walk of life from police officers to brokers, and names: W. F. Tipton, J. Hummingway, H. M. Curry, C. M. Cupply, C. A. Ames, C. Upham, W. A. Jones, N. HAD TWIN DOLLS WHEN SHE WAS 16 FOR FIRST TIME

Hammond, Ind., Oct. 20.—Two Chicago women who knew her as a child today went to the defense of Mrs. Hazel McNally, accused by her husband of killing the twin babies he says were born to her last December. The maternity hoax with which Mrs. McNally said she deceived her friends and relatives by "mothering" two dolls, was, in fact, a repetition of a similar deception she worked when she was 16 years old, these women said. Hazel Hill, the name by which Mrs. McNally was known as a child, possessed a mania for "playing mother," according to Mrs. G. A. Kahne, whose daughter, Rhea, was a playmate of Hazel. At 16 the mania became so pronounced that the girl actually fooled her closest friends, Mrs. Kahne said, made them believe she was to become a mother and later appeared with "twins" which later turned out to be only dolls. Then, as in the later case which brought her into court on a charge of murder, Hazel carefully kept the faces of her "twins" concealed from her friends, Mrs. Kahne said. According to Frank McNally, the husband, who took the stand yesterday, his wife gave birth to twins December 8, 1921. A few weeks later they disappeared, he said, Mrs. McNally explaining she had taken them to a Chicago hospital. The "dummies" were substituted, he said, for the benefit of curious neighbors.

BEARCATS PLAY AT McMINNVILLE

Saturday afternoon the Bearcat football team will meet the Linfield college eleven here in a practice game. Football has been taboored at the McMinnville school for the past fourteen years and it was only last spring that the directors of the school voted to allow the school to have a team. In arranging for the game with the McMinnville team the Linfield coach said that the game was to be considered only as a practice game with no gate fee being charged. The team from the visiting school will naturally be men who are playing their first year of football and a great deal of credit is due them for wishing to play against seasoned men. The game will not be played with the idea to win as much as with the desire for a good practice game. The Linfield coach also wishes to see what his men can do in their first year. The boys of the Y. M. C. A. who wish to see the game are to meet at the "Y" in the afternoon and go enmasse to the field.

WRECK DUE TO RAIL REMOVAL

Williamsport, Ind., Oct. 20.—Belief was expressed today that the removal of a rail caused the wreck of Wabash eastbound passenger train number two near here last night, causing the death of three persons, the injury of seven others and the burning of seven coaches. The belief was expressed by Conductor Frank W. Hulbert of Detroit and a number of passengers. The conductor said the rail was not removed from its place but the spikes had been loosened. Some one who knew the operation of railway signals must have tampered with the rail, according to Hulbert, as the wiring was left in its place so as not to disturb the signals. The death list: Engineer Charles L. Schmugbee, Decatur, Ill.; H. W. Martin, express messenger, Detroit; R. A. Smith, baggage man, Detroit.

This was the first case of mob law in Benton county's history.

What's New on the Market

The price of eggs took another jump skyward this morning. The latest quotation as given by the shippers is 42 cents a dozen. Yesterday's figure was 39 cents. Word of the raise evidently did not reach the stores today for they were still paying 40 cents and retailing at from 43 to 45 cents a dozen. Usually the stores offer from two to three cents more than the shippers and tomorrow will likely find them paying 44 or 45 cents a dozen and retailing at from 46 to 50 cents.
