Federation Meeting To Be Tuesday

The county federation meeting next Tuesday has been arousing a great deal of interest among Salem club women for sometime and yesterday the program for the meeting which will be Tuesday, October 24, in the First Christian church parlors beginning at 10 o'clock in the morning was definitely announced. This meeting brings women representatives from woman's clubs throughout Marion county and is a time when club problems may be cooperatively handled and discussed.

The Salem Woman's club, and the Etokta club, formerly the North Salem Woman's club, will be joint hostesses for the meeting. Mrs. W. E. Kirk of Salem is president of the county federation and will preside at the meetings next Tuesday. The women who are interested in this are very anxious that there be a large number of Salem women at the meetings to assist as hostesses and take part in the meetings. It is an opportunity that should be taken advantage of and all club women are urged to participate.

The program as announced will open with the singing of America followed by invocation by Rev. Evans of the Christian church. Professor Roberts will play the organ just before the address of welcome by Mrs. Mason Bishop of Etokta club and Mrs. La Moine Clark, president of the Salem Woman's club. The response will be given by Mrs. H. M. Sims of Silverton, after which Mrs. Ward Willis Long will sing.

Miss Cornelia Marvin will give a short talk on the county libraries which will be very helpful to the women interested in the best books and material. Professor E. W. Hobson will give a vocal selection. Among the committee reports which will take up some time, will be the report of the legislative committee by Mrs. Lawrence T. Harris.

Lunch will be served at noon in the Christian church with Mrs. C. S. Hamilton in charge of this part of the days program. Mrs. J. J. Roberts will head the afternoon program with a vocal solo, followed by a talk on interior decoration. Mrs. Edwin Socolofsky will sing, and Dr. Carl Gregg Doney will talk on Education for Citizenship. After this, which will conclude the program a business meeting will be held. It is expected that there will be a large number of women from out of town and the women here are planning on having a large delegation of Salem women present.

The Woman's republican study class will meet Monday afternoon at 2:30 o'clock at the home of Mrs. C. P. Bishop. George Brown will explain the amendments to the constitution which will be voted on at the election in November. The meeting will be very instructive for the women and it is hoped that a large number attend the Monday afternoon meeting.

Mr. and Mrs. C. Blower, who have been visiting with Mrs. Blower's mother, Mrs. Carl Myers, left Friday for New York city going by way of the Canadian Rockies.

Guild Dance Successful Fall Event

Society folk gathered at the armory last night to make the St. Paul's Episcopal Junior guild dance one of the most successful and attractive events of the fall season. The armory lighted with strings of gayly colored lights, and decorated with autumn leaves and cedar boughs gave the affair almost a holiday air and surely a very festive appearance.

Many parties of society folk were in evidence at the dance, somewhat indicative of the small dinner parties that had been planned for before the dance. The music was exceptionally good, one feature of it being the quartet composed of Mrs. Carlton Smith, Mrs. L. B. Gilbertson, Mrs. W. H. Prunk and Mrs. Arthur Rahm, which sang during two or three of the dances and was very enthusiastically encored.

What's in a name? Why is one name not as good as another? A name is a merchant's trade-mark by which you judge the sincerity of his advertised statements, the worth of his promises, the extent of returns you enjoy from your expenditures in his store.

A name, then, to be a good trade-mark, must be safeguarded. And safeguarding a name is doing things that afford the greatest benefits to the largest number of others.
