

SALEM HI WINS FROM ALBANY BY SCORE OF 19 TO 6

Weight told his story again yesterday in the game played here on Sweetland field between the Salem and Albany high school players when the local team took the visitors into camp 19-6, the game being featured by a 100-yard run by Laubner, Albany full-back, when in the first three minutes of play he snatched the ball fumbled by one of the Salem players while he was standing on the Albany goal line and ran the whole length of the gridiron for their only score. On the kick for goal the ball struck the crossbar and bounced back into the field.

Albany had elected to receive the kick and on their first play returned to kick to midfield. Salem started right in to trim the visitors and with the ball resting on the ten-yard line with the second down and six to go it looked like a score for the locals might just as well be credited. However, on the next play the Salem man when tackled dropped the ball and it shot into the waiting hands of Laubner. The Salem backfield had all come in on the charge and before they could realize what had happened Laubner was speeding down the field with too big a lead to be overtaken.

First Touchdown Scored.
The Albany team spurred by their performance charged like demons and for the first ten or a dozen plays went through the Salem line every time. On the thirty-five-yard line the Salem team held and Albany lost the ball on downs. Adolph returned the ball by a punt to the middle of the field and after making yardage twice the Albany team again lost on downs. The quarter ended with the ball on the 35-yard line.

In the next period Salem scored its first touchdown by straight line plunges and aided by fifteen yards penalty for Albany being off-side three times, Lilligren carried the ball over. Adolph missed goal. The rest of the quarter was scoreless with the half ending with the ball in midfield.

Penalized for Holding.
In the third quarter the Salem team came up to a stonewall on the 30-yard line and on the fourth down Adolph booted place kicks. Both of the kicks were beautifully executed. The first came when an Albany punt was blocked and the second when they lost on a fumble. It was in this quarter that Salem was penalized 15 yards for holding and on the next play were set back five yards more for being off-side. The quarter ended with the ball on Albany's 18-yard line and in Salem's possession.

It took just five line bucks for Salem to put the ball over at the beginning of the next quarter. Adolph converted the place kick. The rest of the game was scoreless and aside from a pass intercepted by Pitman, Albany right half, was not out of the ordinary. By the time the final whistle had blown it was getting so dark that one could hardly see the length of the field.

Stars of the Game.
For Albany Laubner was the star with his run and his stellar punting. He and Adolph were about on a par for distance. For Salem Hamilton and Adolph were the outstanding lights. Coach Brumbaugh of Albany was heard to say repeatedly that it was the

Salem center that was getting through the line and spoiling a lot of the plays. Adolph with his place kicks and punts looked like a college star and will bear watching.

Montgomery, representing the Illinois and Chicago Bar associations, in a report to United States Attorney General H. M. Daugherty, made public today.

Mill City News

Patches and rips and holes were signs of rank at Mill City last evening when forty-six couples, with other guests of the city, attended the hard times supper and dance given by the Mill City Athletic club in Hammond hall.

Festivities lasted until the early hours of the morning and marked the opening of the winter's social events in the neighbor "town of the mills."

G. B. McLeod, Oregon manager of the Hammond Lumber company, is in Mill City inspecting the properties and operations of the company in Linn and Marion counties. He was accompanied by his brother, Harry McLeod, of the Los Angeles branch.

BRUTAL HAZING AT ANNAPOLIS IS TESTIFIED TO

Annapolis, Md., Oct. 21.—Testimony given by Midshipman William H. McGregor of Bremerton, Wash., fourth class, that he was brutally hazed by Bruce H. Robinson, Chandler, Ariz., first class, was substantially corroborated by Edward K. Ponvert, fourth class, when the latter testified before the naval academy court martial on the resumption of its sessions in the trial of Robinson this morning.

"It was a big hazing party with other upper classmen looking on and making no apparent effort to stop it," according to the story told by Ponvert. He said he was in the room while the hazing was in progress, and he involved Midshipmen Fitzgerald and Steele as seniors present. Ponvert said he could not remember who gave the command for McGregor to do the three physical exercises, "sitting on infinity," "stoop fall" and "asymtote," but seemed certain that it was Robinson who gave the orders to stop in each instance.

from pains in the left side and thigh, due to overstrained adductor muscles and also abdominal pains "on the left side."

Perhaps with all the mines working all winter we'll get enough coal to last till the next strike.
