OLCOTT TO SPEAK IN

The dead:

TO DEATH IN CAR

Grand Forks, N. D., Oct. 30,-The state of North Dakota today went into the elevator and flour milling business when its \$2,500 .-000 mill and elevator was formal-

Governor Nestos pressed a butten setting in motion machinery the state grange, attended the No less than a dozen Rosarians, the flour mill, which eventually will have a capacity of 3,000

barrels a day.
One unit of the mill, with a daily capacity of 1,000 barrels, ILAA) UFF placed in operation today. A second unit the same capacity will be ready in about three weeks and third 1,000 barrels capacity which will be used for grinding durum wheat exclusively, will be Bnished shortly afterwards.

The mill and elevator project was part of the state industrial program Inaugurated years ago by the state officials sored the movement.

GAR GURTAIN, CUSHION, CUT

Police were today asked by Robert Ramsden, 395 North Nine teenth street, to attempt to locate the individual who, last night. maliciously damaged his automo bile. The cushions and curtains of his car were cut in strips with a knife, he said. A hole also was cut in the top of the car.

Ramsden said he was at a loss to discover a motive for the act. Police promised to assist him in an effort to find the person who used
