

BOOTH PAYS HIGH TRIBUTE TO MR. OLCOTT

Pendleton, Or., Oct. 31.—A striking comparison of Governor Olcott and Walter M. Pierce, candidates for governor, was made here last night by R. A. Booth, chairman of the state highway commission, who declared that Mr. Olcott had always been a faithful public servant, while Walter Pierce served his own interests first when he has been a public official.

"Governor Olcott is the best business governor we have ever had. He is trained by many years of service and there has never been a breath of scandal against him, while Pierce has a record of wasteful legislation and disregard for the taxpayers' money."

Mr. Booth contrasted Mr. Olcott's decision to accept only one salary when he succeeded to the office of governor on the death of Mr. Withycombe, where other men in similar position in this state had held both the secretary's salary and that of the governor, with Pierce's record of misuse of public funds.

"Governor Olcott stands foursquare with no class distinction and everyone knows just how he stands, which is much different from Walter Pierce's wobbly position."

COUNTY "Y" MEETS AT STAYTON FRIDAY

Plans which have been completed for the annual convention of the Marion county Y. M. C. A. which is to meet at Stayton Friday evening, November 3, and are being announced to the various branches of the "Y" of the county.

The biggest event of the convention is said to be the convention dinner. Luther J. Chapin, county chairman, will preside at the luncheon and will call for reports from the various towns of the county. Probably the most interesting report of the evening will be given by Superintendent Kuser of the boys' training school where there are more than a hundred boys taking Bible study courses.

J. R. Ellison, president of the Portland Rotary club and manager of the Ellison-White chautauqua system, is to be the guest of honor and will speak on "The Hope of the World."

It is expected that with the Stayton people that will attend there will be more than a hundred delegates in attendance.

Potato Foot Long Weighs 3 lbs. 4 oz. from Howell Prairie

A potato, the largest that has been brought to The Journal office this fall which was locally grown, is of the Netted Gem variety, is within one-half inch of being a foot long and weighs 3 pounds, 4 ounces. The potato was grown on the J. A. Stevens & Son ranch, which is located near Howell Prairie. The specimen would not win any first prizes on smoothness, as it is covered with little warts but it has the weight. The potato is free from scales.

ANTI-KLAN CHIEF KILLED IN AFFRAY WITH KLANSMEN

Okmulgee, Okla., Oct. 31.—County officials investigating the shooting at Spelter City Sunday night, which proved fatal to two men, one a member of a masked party and the other the intended victim of the masked band, today began developing the motive underlying the affair, with the announced purpose of determining whether the Ku Klux Klan was in any way involved.

Meanwhile a search is being prosecuted for George Frue and Homer Penniquen, alleged members of the masked party, who left after the shooting. Both are believed to be wounded. They were charged with first degree murder yesterday following the death of Tom Boggs, an anti-Ku Klux Klan leader who is said to have

started the shooting when four masked men using a motorcar attempted to seize him as he left a theater in Spelter City. Boggs was said to have been called out of the theater by one of the masked men.

Boggs was president of an anti Ku Klux Klan organization recently formed at Henryetta, of which Spelter City is a suburb. It was known as the "True Blue Americans."

His assailants wore sock masks over their faces and blue overalls. Feeling has been bitter between members of the "True Blue Americans" and members of the secret organization to which they were opposed, according to officers.
