## Klan Unable To Get Hold Here; Leaders Make Fizzle Of Repeated Attempts To Organize Strongly In Salem

By Harry N. Crain  
Handing out their yellow tickets with one hand and applications for membership in the Ku Klux Klan in the other, the Knights of the Night are again making themselves active in Salem.  
If the yellow tickets bring them more votes than the application blanks do members the kluxers who have placed their money in Walter Pierce to carry Marion county over Ben Olcott are going to carry slim purses and long faces Wednesday morning. In the past Marion county voters have shown a strong inclination to do their own thinking and resent any attempt to force a slate down their throats.  
The principal result of the Klan's effort to organize Salem and Marion county in the realm of the invisible empire, an effort which has been spread out over more than a year, has been the creation of a public sentiment which browns severely upon the program and principles of the Klan, or smiles openly at the gullibility of the few who have been hoodwinked into joining it.  
The designating characteristic of a klansman in this part of the state is the emphasis with which he denies any affiliation, past or present, with the hooded organization. As in practically every other community the kluxers first organized here in the guise

## VOTERS TO GO OVER TOP AT 8 TOMORROW

### Sanity of Olcott Administration Expected To Be Determining Factor With Silent Vote.

The zero hour is at hand. At 8 o'clock tomorrow morning Oregon's legions of men and women voters will commence going over the top in a steady succession of waves. First will come the fanatics, the zealots of one cause or the other, who will spend their ballots without material effects on the outcome. They, also, will be responsible for the second advance, the supporting movement of the laggard electors who, driven on by the insistence of the zealots, vote to be obliging rather than through the sense of any public duty to be performed.  
Bringing up the rear, as always, but deciding the contest at issue will be the masses of the silent vote. They are the reserves, the reinforcements that will turn the tide of battle, and in their hands lies the safety and well-being of the state of Oregon.  
**Silent Vote to Decide.**  
Shielded by its reserve from the bitterness, prejudice and enmity engendered during the campaign of the past few months, the silent vote will be cast in the sanity of deliberate premeditation, and after an impartial and uninfluenced sifting and weighing of the evidence both pro and con. As should be the silent, sane vote will decide the election.  
Never before in the history of the state has first interest been so equally divided between two contestants in a single election. The governorship and the compulsory school bill share evenly in the public concern of the outcome, and this because the campaign has

## SOVIET FIGHTS ALL SOCIALIST PARTIES

## PETROGRAD, NOV. 6.—Addressing the delegates of the third international congress here last night, M. Zinovieff, of the soviet central committee, declared that the chief aim of the communists in the future will be to fight all other socialist parties. He said he considered them as the reactionary force of international bourgeoisie. "We guarantee the proletariat of the world that sooner or later we shall bring them to the expected goal," he said. "Russian workers impatiently await to see the first spark of the uprising blaze in other countries."

## MILLER AND SMITH EACH CLAIM VICTORY

New York, Nov. 6.—Rival party workers in New York state spurred to unusually energetic labor by the bitter contest for the governorship between Governor Miller and Alfred E. Smith, his democratic adversary, were carrying on the day before election battle silently and doggedly, each side enlisting the aid of hundreds of women through the state for the last hour drive.  
The claim of the democrats that Smith's vote in greater New York will greatly overcome the governor's upstate plurality, has aroused city republicans to extended efforts.  
The wounded woman is the mother of four married daughters, two of whom live in Jacksonville, one in San Francisco and one in Camas, Wash.

## FORMER KAISER AND BRIDE WHO WERE MARRIED YESTERDAY

Ex-Kaiser Wilhelm II and Princess Hermine of Baden at Doorn, Holland.

## Screen Of Secrecy Veils Wedding Of Kaiser and Princess

Doorn, Holland, Nov. 6.—(By Associated Press.)—The German ex-emperor and Princess Hermine of Reuss were married Sunday at the house of Doorn. This second venture was in strange contrast with that day in 1881 when, as crown prince, he wedded Augusta Victoria daughter of Grand Duke Frederick of Schleswig-Holstein.  
Several of the offspring of that first union were present today to set the seal of family approval to the new alliance.  
There were two ceremonies, a civil contract drawn up and signed by "Wilhelm II" and "Hermine, Reuss," as they affixed their names; the second, a religious ceremony conducted by the ex-court chaplain, Dr. Vogel, according to the Lutheran rite.  
The air of secrecy surrounding the entire affair has been well maintained throughout. The climax of the systematic mystification adopted by the household came when the bride's sister, Princess Ida, who resembles her, successfully passed herself off as the bride at the Amersfoort station with an array of castle cars, whereas Princess Hermine left the train at Apeldoorn half an hour early and drove to the castle unobserved, those within the palace making much of this as a huge joke.  
At the religious ceremony which began with the singing of the Lutheran hymn "Jesus Geh Voran," Pastor Vogt preached from the text "Now abideth faith, hope and charity." The bridal couple occupied carved gilt armchairs surmounted by crowns, while the numerous guests were seated in rows behind them.

## ELECTION NEWS OF JOURNAL TO BE UNEXCELLED

Politics is adjourned.  
Tonight the campaign for candidates and measures to be passed upon by the voters of Oregon tomorrow, the bitterest and most intense in the history of the state, ceases. Tomorrow the predominant question will be, who wins?  
Public interest is at fever heat, and from the time the polls close tomorrow night until the last vote has been counted there will be a demand for election news never before equalled. To fill this demand The Capital Journal will have an organization for gathering and dispensing election returns unequalled by any newspaper in Oregon outside of Portland.  
From the time the polls close until the last contest has been decided The Journal will supply the people of Salem and vicinity the latest, most reliable and complete returns to be had.  
In addition to a special staff of election workers in the office and throughout Marion and Polk counties, The Journal will be equipped with a special leased Associated Press election wire carrying bulletins on the trend of the count in every section of the state.  
As fast as returns are gathered and compiled they will be announced to the crowds in front of The Journal office and posted on the bulletin board. They will also be available to all persons making inquiry over the telephone.

## NINE SENATORS TO BE ELECTED IN MID WEST

Chicago, Nov. 6.—Senatorial campaigns in nine states of the middle west end today as the issues in tomorrow's off-year election go to the people.  
The windup finds six United States senators from central states seeking re-election. They are:  
Republicans: Townsend, Michigan; Kellogg, Minnesota, and LaFollette, Wisconsin.  
Democrats: Hitchcock, Nebraska; Reed, Missouri and Pomeroy, Ohio.  
Lynn J. Fraser, former non-partisan league governor of North Dakota bears the republican label in that state for the McCumber seat.  
Rome, Nov. 6.—(By the Associated Press.)—Fascist and nationalist clashed today at Taranto, in South-eastern Italy, over questions of local politics. In the fight which ensued seven were killed and numbers were wounded, casualties being suffered by both sides.

## ORDER ALLIED WARSHIPS TO SALUTE TURKS

## Turkey Preparing to Seize Thrace And Occupy Port in Defiance of Allied Governments.

Constantinople, Nov. 6.—(By Associated Press.)—The Turkish national government has handed a note to the allied high commissioners here stating that the warships of all nations must ask it for authorization to pass the straits of the Dardanelles, the Havas correspondent here has been informed. They must also salute the new government of Turkey.  
London, Nov. 6.—(By Associated Press.)—As a result of the new situation created in Constantinople by demand of Rafet Pasha, that the allied military occupation of the city cease, the peace conference called to be held at Lausanne November 13 has been postponed possibly for a fortnight, it was announced here today.

## Records Show Pierce Gave Only \$10 During War to Red Cross Fund

Money contributed to the Red Cross during the war by Walter M. Pierce, democratic candidate for governor, did not exceed \$10, according to word received here today from Walter Toose Jr., who staged an investigation in Portland.  
Mr. Toose's probe was made following announcements by friends of Mr. Pierce that he had contributed the \$125 an hour he received during the war as a member of the Union county draft board to the Red Cross. He was said to have collected \$465 for this work.

## JACKSONVILLE WOMAN SHOT BY EX-HUSBAND

Medford Ore., Nov. 6.—Mrs. Josie Hoarn of Jacksonville, is in a serious condition at the Sacred Heart hospital here as a result of having been shot in the abdomen yesterday by her husband Mel Hoarn, who subsequently shot himself through the heart and died instantly.  
The couple had been separated for some time. Mr. Hoarn came to his wife's residence and an argument ensued in which Mrs. Hoarn became enraged and turning upon ordered him to leave. The man her shot her with a revolver.

## De Valera Stands Pat

Dublin, Nov. 6.—(By the Associated Press.)—A long statement as a Dal communication and signed by Eamon DeValera as president, announced definitely that there is no truth to the rumors of peace negotiations between his party and the Free State government.

## King Returns to Lodge

Rome, Nov. 6.—The king's return to his hunting lodge at San Rossore, where he left his family when called to Rome by the recent fascist crisis is considered evidence that conditions in Rome are entirely normal.

## TERRIFIC EXPLOSION IN COAL MINE SHAFT ENTRAPS BETWEEN 90 AND 95 MEN

## Spangler, Pa., Nov. 6.—Twenty-five bodies had been recovered at 3 o'clock this afternoon from Reilly mine of the Reilly Coal company near here, where an explosion occurred this morning. Six other miners had been taken out, some of them so badly hurt it was feared they would not live. Rescue work under the direction of the United States inspector of mining engineers from Pittsburgh was proceeding.

## Spangler, Pa., Nov. 6.—(By Associated Press.)—The first rescue party to enter the Reilly coal mine after the explosion this morning reported at noon today that they had found three bodies and feared that some if not all of the other 90 men entombed are dead.

## British Position Unchanged.

It is stated in authoritative circles that in no circumstance will the British point of view regarding the presence of allied troops in Constantinople be changed. The British intend to uphold the Mudania armistice agreement and remain in the neutral zone with their troops.  
If the Angora government, however, desires to send civil administrative officers to Chank, Gallipoli and Constantinople, there will be no objection, it is declared.  
So far as learned today the sultan has not abdicated. It is believed the British authorities are taking measures to protect him and the prince, his heir.  
There is a rumor here that the Kemal plan to occupy western Thrace. The Constantinople correspondent of the Daily News reports that fifteen thousand Turkish ex-soldiers in Constantinople are under orders to rejoin their colors in ten days. The correspondent says he understands their objective is western Thrace.  
Fear of bolshevik interference appears frequently in comment here and there is much speculation as to the effect the action by the nationalists in declaring the sultanate at an end will have upon moslems outside of Turkey, especially upon moslems in India.

## FASCISTI ATTACK ITALIAN AMBASSADOR

Rome, Nov. 6.—(By Associated Press.)—Count Sforza, Italian ambassador to France was the object of a hostile demonstration by fascisti when he arrived at Busuoleno in the province of Turin on the Italian frontier while returning to Rome for a conference with the new premier, Mussolini. The fascisti detached the carriage in which the count was riding from the train, but carabinieri rushed in and rescued him.

## Spangler, Pa., Nov. 6.—(By Associated Press.)—A terrific explosion somewhere in the workings in the Reilly mine of the Reilly Coal company here at 7:30 o'clock this morning entombed between 90 and 95 miners who had gone to their work scarcely half an hour before. ## RAILROADS MUST CHARGE FOR LEASES AMOUNT WORTH

Washington, Nov. 6.—Railroads which lease lands along their right of way to private users must charge rentals equal to the sum which private owners would charge for similar property, or the transaction thereafter will be considered by the interstate commerce commission as a form of rebating in violation of law.  
Concluding an investigation instituted by itself in 1917 into railroad practices in renting property in New York city, Fresno, Cal., and Spokane, Wash., the commission held today that in some cases the fixing of a low rental charge in leases of lands to large shippers had been "in practical effect" a reduction of transportation charges amounting to a refund.

## HUSBAND ANNOYS HER, CLAIM WANTS DIVORCE

That her husband has harassed and annoyed her, that he has failed to provide for her and that his treatment of her has been generally cruel and inhuman, are allegations set forth in the divorce complaint of Audrey A. Crowder against Max C. Crowder. Both are residents of Salem.  
Mrs. Crowder alleges that her husband has circulated false stories about her and she asks that he be restrained from molesting her.  
Mr. and Mrs. Crowder were married here December 31, 1919. They have one son of whom Mrs. Crowder seeks custody.

## Anonymous Defender Of Pierce's Record Is Answered By Toose

That the person who disguised himself as "Fair Play" in sending a letter seeking to justify Walter M. Pierce, democratic candidate for governor, for accepting money for his services on the draft board during the war, which was published in the Oregon Statesman of Sunday morning, used the anonymous signature because he was ashamed to sign his name to an attempted justification of so unpatriotic an act, is the answer of Walter L. Toose Jr., chairman of the state republican central committee.  
In a telegram to Walter L. Toose Sr., chairman of the Marion county republican committee, the state director of the republicans says:  
"You invite my attention to an article in the Salem Statesman signed 'Fair Play' justifying Walter M. Pierce for taking \$1.25 per hour for his services on the draft exemption board, when most everyone else donated their services, by saying that Pierce turned the same over to the Red Cross. Such hypocrisy! Pierce was worth at least a quarter of a million dollars then and sold the wheat crop off his Umattila or Union county farm that year for over \$50,000."  
"The president in proclamation said this payment for draft board services was intended only for men
