Thin? Run-down? Sure Way to Get Right Weight

Increase Your Red-Blood-Cells. That's the Sure Way! S. S. S. Builds Blood-Cells; This Means Strength!

Do you know why insurance companies refuse to insure a great many men because they are under weight? Simply because to be under weight is to be in danger. It is serious to be thin. More red-blood-cells you begin to become plus. That's why S. S. S. since 1882, has meant to thousands of underweight men and women a plus in their strength. Hollow cheeks fill out. You stop being a cemetery-looker. You inspire confidence. Your body fills to the point of power, your flesh becomes firmer, the age lines that come from thinness disappear. You look younger, firmer, happier, and you feel it, too, all over your body. More red-blood-cells! S. S. S. will build them. Ladies and gentlemen, a pretty, boy-like face doesn't make you look very important or pretty, does it? Take S. S. S. It contains only pure vegetable medicinal ingredients. S. S. S. is sold at all drug stores in two sizes. The larger size bottle is the more economical.

The rooms were decorated in dahlias, with a suggestion of Halloween in the other decorations. Games, music and dancing made the evening pass very pleasantly. A dainty lunch was served with unique place cards, which created a great deal of amusement with their latin quotations. The guests invited for the evening were: Mildred Suing, Vivian Nadon, Lenore Michel, Ida Saalfeld, Melissa Persons, Lorena Lebold, Thelma Porter and Rosalind Rodgers and Katherine Gearin, cousins of Honora's.

At eight thirty o'clock Saturday morning in the St. Joseph's Catholic church, Miss Genevieve Musom of Brooks and Lawrence Grassman of Gervais were united in marriage with Rev. J. R. Buck officiating. The ceremony was performed in the presence of about fifty friends and relatives and was very pretty. The altar of the church was decorated with white chrysanthemums. The bride was attractive in a white gown and her bridesmaid, Rosalie Musom was dressed in blue. William Boley acted as best man. The young couple went to Portland for a short wedding trip and will then be at home on Mr. Grassman's farm near Gervais.

The teachers and officers of the Baptist Sunday school met Friday night at the church for a pot luck supper and later a business meeting. About twenty five teachers were present and the affair proved very enjoyable.

AMERICA GETS MOST SWEDISH IMMIGRANTS

Stockholm—Sweden broke almost even on emigration and immigration during the past year, according to figures published by the Central Bureau of Statistics.

The number of emigrants was 8950, or about 1300 less than in 1920 while 8551 Swedes returned to their home country and 562 foreigners became naturalized. Of the entire number of Swedish emigrants about 65 per cent went to the United States. There were about twenty per cent more women than men among those who left their native country. Most of these women were single, and between fifteen and twenty-five years of age.

In view of the fact that there were about 50,000 more births than deaths in Sweden during 1921, it is evident that the resident population of the country is increasing.

Collar Trim of Net and Lace on Black Canton

By MARY BROOKS PICKEN

BLACK for the young and for the old seems appropriate, but black for folks in between is often dangerously unbecoming unless enough youthfulness accompanies it in design and trimming.

The simplicity of the raglan-effect sleeve, the long, basque-like bodice, and the side plaits of the skirt all tend to youthfulness in this model.

The bertha collar of fine net and lace harmonizes perfectly with the simplicity of the dress and yet heightens the fashion tendency to a point of perfection.

The old of material finishing the waistline ties in a string bow at the center back.

A combination of black panne and Lyons' velvet is used in developing the long front plait. The entire hat is made of panne. A huge puff of Lyons' applied so as to give height in the center front is one of the leading features in fabric trim.

AD BRINGS BABY TO FRENCH HOME

Jesse French, Grand Ronde saw-mill foreman, and Mrs. French, teacher in the Grand Ronde schools, wished to adopt a daughter so placed an ad in a paper last week asking that the baby be left at the home of Mrs. Al French, 1545 South Cottage street, Saturday evening.

In response to the advertisement the doorbell rang about 7:30 o'clock and when Mrs. French went to the door she found a black eyed, black haired, little miss, ten months old, perfectly contented and seemingly willing to make friends at once with foster parents. In the light of the arc light a woman was seen to be disappearing. Pinned to the baby was a note saying that the baby was

born January 13 and that the couple which had adopted the child had since separated. It also said that the child's name was Maxine Brady. Beside the baby in a satchel were a number of lovely clothes which showed that the previous mother had taken a great deal of care and pride in the clothes. They were spotlessly clean.

Mr. and Mrs. French say that they are naming the girl Zelfranca.

BOOZE POSSESSION CHARGE

Protto was unable to furnish bail and was held pending a further investigation. He probably will be arraigned in police court today.
