

HEAVY VOTE BEING CAST IN WESTERN STATES

San Francisco, Cal., Nov. 7.—Unsettled weather conditions prevailed in many parts of the far west early today, but a heavy vote was expected to be cast for the various federal and state candidates, constitutional amendments and initiative measures on the ballots of the region from the Rocky mountains to the Pacific. Unusually heavy registrations have been reported from most of the states.

All the Pacific slope states except Oregon, Idaho and Colorado are electing United States senators. Re-election is sought by one senator in each of the states of California, Arizona, New Mexico, Washington, Nevada, Wyoming and Utah. Gubernatorial campaigns have been waged in most of the states, though the governors of Arizona and Oregon are the only ones asking re-election. The usual executive, legislative and judicial state offices will be filled throughout the territory. On the eve of election, leaders of the two principal political parties issued statements of confidence. Campaign managers of minor parties predicted substantial gains.

LOYD GEORGE BLAMES ENEMIES FOR TURK ACTION

Newcastle, Nov. 7.—Lloyd-George made some sharp references to the crisis which has arisen in the Near East since his fall from the premiership, in the political address which he delivered before a large assemblage here today.

"The Near East is beginning to show symptoms of inflammation," he said. "Whatever happens our flag must not be let down." Later in his speech the little Welshman said: "We had got rid of the Turk but he has looked at the list of new ministers and has come to the conclusion that this is the time for another try. "If the government stands by the flag, my friends, I will be wholeheartedly behind them," Mr. Lloyd-George said. "I entreat the government to show the Turks that we will not be trifled with and that the Turk must stand by the document signed a few weeks ago at Mudania."

The Best Cough Syrup is Home-made.

Here's an easy way to save \$2. and yet have the best cough remedy you ever tried.

You've probably heard of this well-known plan of making cough syrup at home. But have you ever used it? Thousands of families, the world over, feel that they could hardly keep house without it. It's simple and cheap, but the way it takes hold of a cough will soon earn it a permanent place in your home.

Into a pint bottle, pour 2½ ounces of Pinex; then add plain granulated sugar syrup to fill up the pint. Or, if desired, use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, it tastes good, never spoils, and gives you a full pint of better cough remedy than you could buy ready-made for three times its cost.

It is really wonderful how quickly this home-made remedy conquers a cough—usually in 24 hours or less. It seems to penetrate through every air passage, loosens a dry, hoarse or tight cough, lifts the phlegm, heals the membranes, and gives almost immediate relief. Splendid for throat tickle, hoarseness, croup, bronchitis and bronchial asthma.

Pinex is a highly concentrated compound of genuine Norway pine extract, and has been used for generations for throat and chest ailments. To avoid disappointment ask your druggist for "2½ ounces of Pinex" with directions, and don't accept any other. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Ft. Wayne, Ind.

Kidneys Wrong?

Then You Must Quickly Restore Both Kidneys and Bladder to Normal

Now that Dr. Carey, kidney and bladder specialist, has retired from active practice, he generously warned people that even the smallest symptoms of kidney trouble should have serious attention.

Backache for instance, puffiness under or specks floating before the eyes, heavy feet and dry skin, are also danger signals.

"Thousands die yearly because they neglect their kidneys," said Dr. Carey, "and I feel upon retiring that I should tell all who even suspect kidney or bladder trouble about my Prescription No. 777, which, during my active practice, has ended thousands of all kinds of kidney ailments."

This prescription has been given to pharmacists generally throughout America and is dispensed by them under the name of Dr. Carey's Prescription No. 777, a name that every sufferer from kidney trouble should remember. (adv)
