

### OREGON PLAYS W. S. C. AT EUGENE NEXT SATURDAY

Eugene, Nov. 8.—Oregon will face her most crucial game here Saturday when Coach Huntington's men lineup against the Washington State cougars in a game which will be the chief feature of annual Homecoming week-end.

The two institutions are traditional football enemies and are represented this year by the strongest eleven they have supported for years. According to the "dope" of the season so far the Cougars have a slight edge. In two of their biggest games, against Idaho and University of Washington, they showed themselves to be a powerful aggregation. Idaho was trounced 19 to 8 and while the Staters fared not so well against the University of Washington eleven, losing 16 to 13 they apparently had the game won until the final quarter when the Huskies put over two touchdowns. The fact that the cougars were so decisively beaten at Berkeley Saturday by the California Bruins is in no way raising the hopes of Oregon fans who have seen the Washington men take similar trouncings at Berkeley in the past and then turn around and reverse all hope in the games following. Such was the case two years ago when, after being defeated by California 49 to 0 Coach Welch's men went east and defeated the Kansas Cornhuskers in an inter-sectional title contest.

Oregon's eleven will be in tip-top condition Saturday. The team got away to a flying start but was soon handicapped by the loss of men by injuries. Five games in seven weeks during which time as many as five lettermen were on the bench gave the coaching staff a serious setback and it was not until the game with Idaho ten days ago that the eleven was anywhere near up to fighting strength.

### BRITISH ORDER PAYMENT FIFTY MILLION INTEREST

London, Nov. 8.—The British government has directed the further payment of \$50,000,000 to the United States on November 15 to apply on the interest due on the war department, pending an agreement between the two governments for the funding of the debt. This measure was made necessary by the unavoidable delay in sending a British debt mission to the United States caused by the resignation of the Lloyd-George ministry.

Senator Hitchcock was 42,500 in the rear and Charles Randall, was 22,500 behind Bryan with half the state reported.

Congressional races were still undecided in the first, third and fifth districts, with the democratic aspirants leading in all three. The races for the unexpired terms in the first and sixth districts were in doubt.

### Guard Against "Flu" With Musterole

Influenza, Grippe and Pneumonia usually start with a cold. The moment you get those warning aches, get busy with good old Musterole.

Musterole is a counter-irritant that relieves congestion (which is what a cold really is) and stimulates circulation. It has all the good qualities of the old-fashioned mustard plaster without the blister.

Just rub it on with your finger-tips. First you will feel a warm tingle as the heating ointment penetrates the pores, then a soothing, cooling sensation and quick relief.

Have Musterole handy for emergency use. It may prevent serious illness. 35c and 65c, in jars and tubes. Better than a mustard plaster

### CANADA CLAIMS FARTHEST NORTH POST OFFICE

Ottawa, Ont., Nov. 8.—As the result of recent voyages of exploration in the North, Canada now claims the most northerly post office in the world—Craig Harbor on Ellesmere Island, only 850 miles from the pole. Another new post office in the northland is at Ponds Inlet, on Baffin Island. Both were established by the Canadian explorer, Captain Bernier, during the latest tour of his schooner the Arctic.

An inspector and six men of the Royal Canadian Mounted Police are at Craig Harbor, where they have established a post, while four representatives of the famous police corps represent law and order at Ponds Inlet. Sergeant Joy of the "Mounties" has been in the district a year investigating an Eskimo murder.

The Bernier expedition was sent for the purpose of making the first steps in an extensive program calculated to maintain efficiently Canada's sovereignty in the vast northern region, known to be rich in mineral deposits. The vessel carried materials for the construction of houses and provisions for the maintenance of posts.

According to a statement issued by the Canadian department of the interior, it is the intention of the government to establish additional posts year by year, and to continue scientific and exploratory work. A patrol ship will visit the new northern posts annually, taking in supplies and mail to the men left there. A representative of the Air Board accompanied the expedition and will report on the possibilities of aviation in the north, with particular reference to patrols, and exploratory and survey work.

### O'CONNOR LEADING FRAZIER IN DAKOTA

Fargo, N. D., Nov. 8.—Inability to secure rural returns due to bad roads in North Dakota has left the senatorial contest between Lynn Frazier, non-partisan and recalled governor, and J. F. T. O'Connor, democrat, in doubt. Returns from 300 precincts, almost all urban, gave O'Connor 39,813, as compared to 14,886 for Frazier—a lead of more than 12,000—but it is considered certain that rural returns will cut this down materially if not wipe it out.

### REPUBLICAN SENATE LEAD CUT DOWN

New York, Nov. 8.—(By The Associated Press)—Returns today supplementing those of last night showed that republican seats in the senate from Indiana, Maryland, New Jersey, New York, Michigan and West Virginia apparently had been captured by the democrats and that the republicans had captured senate seats held by democrats from Nebraska and Ohio. In Delaware, Montana and Minnesota the results still were too close to be counted in either column.

These returns, so far, would reduce the republican majority in the senate from 24 to 16 with prospect of a further reduction.

### MICHIGAN DEFEATS SENATOR TOWNSEND

Detroit, Mich., Nov. 8.—(By Associated Press)—With but 631 precincts of the 2906 in the state missing this morning, former Governor Woodbridge N. Ferris, democrat, apparently had been elected to the United States senate over Senator Charles E. Townsend, republican.

### PIMPLY? WELL, DON'T BE

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights. Cleanse the blood, bowels and liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's no sickness or pain after taking them. Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating. No one who takes Olive Tablets is ever cursed with a "dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face. Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color. Dr. Edwards spent years among patients afflicted with liver and bowel complaints and Olive Tablets are the immensely effective result. Take one or two nightly for a week. See how much better you feel and look. 15c and 30c.

### BRITISH TO OPERATE TURK CUSTOM HOUSE

Constantinople, Nov. 8.—The British authorities have ordered the customs house closed and announce they will operate the customs under the former tariff convention. This is, it is believed, almost certain to provoke opposition and resentment among the Kemalists who are seeking to establish their own customs regime.

### Pound Sterling Going Up

Paris, Nov. 8.—The pound sterling made a new high record on the Paris bourse today. The average quotation was 69 francs 50 centimes, or two francs, 5 centimes above the previous top mark of 57 francs 45 centimes, reached in April 1920.

Milwaukee, Wis., Nov. 8.—148 precincts out of 153 in the sixth Wisconsin congressional district give for Berger, socialist, 28,899; Stafford, republican, 25,205.
